POOL AND HOT TUB ASSOCIATION

CERTIFIED POOL/SPA OPERATOR® CERTIFICATION

Columbus Public Health is proud to offer the Certified Pool/Spa Operator (CPO)® Certification course. As you may know, the CPO® Certification course is the gold standard of swimming pool operator training, designed and accredited by the Pool and Hot Tub Association.

WHAT IS COVERED IN THE CPO® CERTIFICATION COURSE?

- Pool and spa chemistry, water testing, and water treatment
- Pool and spa equipment, including filtration and maintenance
- Government requirements, including State and Local
- Facility and chemical safety
- Management and record keeping
- Comprehensive handbook updated regularly

WHO SHOULD OBTAIN A CPO® CERTIFICATION?

- Pool owners, managers, and supervisors
- Pool technicians
- Pool maintenance staff
- Lifeguards

BENEFITS TO FACILITIES WITH CPO® CERTIFICATION:

- Customer satisfaction and safety are seen as a priority
- Achieve better regulatory compliance
- Achieve cost savings (not overusing chemicals, running equipment properly)
- Operate with less liability when your pool is maintained by someone with the proper knowledge, techniques, and skills of pool and spa operations.
