Cultural Arts Center's *"Traveling Picture Show"* Exhibit Opens

What:

The Columbus Recreation and Parks Department's Cultural Arts Center (CAC) will present the works of photographer Stephen Takacs. *Traveling Picture Show* is a document of his cross-country journeys with the Brownie In Motion Project. Contrary to the cultural trend towards heavily retouched imagery, these photographs decidedly return to the roots of the medium itself. This ongoing exploration is an effort to understand where we've been, where we are going, and what may be forgotten in the name of progress.
