CRPD adopted a Tobacco Free Zone Policy for Parks in 2013. The Columbus Health Department approached us requesting edits that include alternative uses (such as vape pipes, e cigarettes and snuff) and to include Smoke Free as well as Tobacco Free. The zones do not change from 2013 but add an extra layer. Free zones are children's play areas, pools, spray areas, special events, restrooms and sporting events. The following demonstrates what will be modified:

Columbus Recreation and Parks Smoke and Tobacco Free Zone Policy for Parks

Section 1: Rationale

WHEREAS, the city is committed to providing safe and healthy environments; and

WHEREAS, the city believes that tobacco (i.e. cigarettes, cigars, snuff, chewing tobacco, etc.) and any other smoking products (i.e. electronic delivery device, hookah, e-cigarettes, pipes, vape pens, etc.) used in the proximity of children and adults engaging in or watching outdoor activities at city owned or operated facilities is detrimental to their health and that second hand smoke can be dangerous for those using such facilities; and

WHEREAS, the city has a unique opportunity to create and sustain an environment that supports a non-tobacco norm through a smoke- and tobacco-free zone policy, rule enforcement, and adult-peer role modeling on city owned parks; and

WHEREAS, the city believes parents, leaders, and officials involved in recreation and leisure activities are role models for youth and can have a positive effect on the lifestyle choices they make; and

WHEREAS, cigarettes and smokeless tobacco once consumed in public spaces become debris, material and waste and are often discarded on the ground requiring additional maintenance expenses, can increase risk of fires, diminish the beauty of the city's facilities and can pose a risk to toddlers and pets due to ingestion; and

WHEREAS, the city's Recreation and Parks Department determines that the creation of smoke- and tobacco-free zones in city parks serves to protect the health, safety and welfare of the citizens of Columbus.

THEREFORE, be it resolved that smoke- and tobacco-free zones are created in city owned parks. No person shall use any form of tobacco (i.e. cigarettes, cigars, snuff, chewing tobacco, etc.) and any other smoking products (i.e. electronic delivery device, hookah, e-cigarettes, pipes, vape pens, etc.) within the created zones in city parks and facilities including the restrooms, spectator and concession areas, playgrounds, swimming pools, spraygrounds/splash pads, athletic fields/courts, marinas, trails, and special event venues.

Section 2: Education and enforcement

- Smoke- and tobacco-free policy will be posted on department web sites.

- Community will be notified about policy through social media, PSA announcements, and newspaper articles.
- The policy will be posted on all permits for use of parks.
- Public address announcements will be made by event organizers at all festivals and special events.
- The policy will become part of all sports rules for adults and youth.
- The policy will be added to signage when possible during replacements and renovations so people know the area is a smoke- and tobacco- free zone.
- Staff will make periodic observations of facilities to monitor for compliance and ask violators of the smoke- and tobacco- free policy to comply or move to another zone in the park.
- Any person found violating this policy during an event may be asked to leave the facility for the remainder of the event.
- Self-enforcement, education and knowledge of the policy will be key to successful implementation of this policy.

Section 3: Definitions

2.1. Electronic delivery device means any product containing or delivering nicotine, lobelia, or any other substance intended for human consumption that can be used by a person to simulate smoking in the delivery of nicotine or any other substance through inhalation of aerosol or vapor from the product. The term includes, but is not limited to, devices manufactured, distributed, marketed or sold as e-cigarettes, e-cigars, e-pipes, vape pens, or e-hookah.

2.4. Smoke or smoking means inhaling or exhaling smoke from any lighted or heated cigar, cigarette, pipe, or any other tobacco or plant product, or inhaling or exhaling aerosol or vapor from any electronic delivery device. Smoking includes being in possession of a lighted or heated cigar cigarette, pipe, or any other tobacco or plant product intended for inhalation, or an electronic delivery device that is turned on or otherwise activated.

2.5. Tobacco or tobacco product means any product containing, made, or derived from tobacco that is intended for human consumption, whether chewed, smoked, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, or any component, part, or accessory of a tobacco product including but not limited to cigarettes; cigars and other smoking tobacco; snuff and other chewing tobacco; electronic delivery devices; and any other kinds and forms of tobacco. The term excludes any product that has been approved by the United States Food and Drug Administration for sale as a tobacco cessation product, as a tobacco dependence product, or for other medical purposes, and is being marketed and sold solely for such an approved purpose.

Any retailer who distributes, stores, or sells cigarettes shall submit a current and valid Retail Cigarette Dealer's License as required by Ohio Revised Code Chapter 5743 to the Department prior to approval for licensing.

(C) The annual retail tobacco and paraphernalia sales license fee shall be \$150. The license shall be valid beginning on the first day of October through the last day of September of the following year. A license issued to a new licensee after the first day of July and before the first day of October shall not expire until the last day of September of the following year. In the case of licensees, convictions for violations of Sections 2329.13 and 2329.14 of the Columbus City Code shall be a sufficient basis for denying a license renewal, for license suspension, or license revocation if the date of conviction is within two years of the issuance of the current retail tobacco and paraphernalia sales license or temporary retail tobacco and paraphernalia sales license.
- (5) An order by a court of competent jurisdiction that a retail tobacco and paraphernalia sales location or temporary retail tobacco and paraphernalia sales location owned and/or operated by the licensee constitutes a public nuisance.
- (6) Information contained in the application is misleading, inaccurate, or false.
- (7) The applicant or licensee fails to comply with U.S. Food and Drug Administration regulations, Ohio Revised Code, Ohio Administrative Code, and city codes relating to building, health and fire.

(B) The licensee shall post the signs provided by the Department at points of transaction, which may include, but are not limited to, cash registers, sales counters and on any display cases of tobacco products and product paraphernalia. Signage shall be prominently displayed and not obscured.

248.05 ILLEGAL DISTRIBUTION

That a person appeared to be over the age of Thirty (30) shall not constitute a defense to a violation of this section. "Proof of age" means a driver's license, a commercial driver's license, a military identification card, a passport, or an identification card issued under Sections 4507.50 to 4507.52 of the Ohio Revised Code demonstrating that the recipient or purchaser is at least 21 years of age.

(C) The Department shall conduct an inspection at least once during the event for all temporary retail tobacco and paraphernalia sales licenses.

(D) If the Department observes violation(s) of this Chapter at a retail tobacco and paraphernalia sales location or at a temporary retail tobacco and paraphernalia sales location, the following schedule of civil penalties shall be imposed on the licensee, in addition to the sanctions specified in Section 248.03(A):

- (1) For a first violation, \$500.00.
- (2) Second and additional violations within two years of the first violation, \$1,000 per violation.
- (3) Violations of this Chapter which occur more than two years after a prior violation shall not be considered a second or additional violation of this Chapter if there has been no violation during the intervening time period.
- (4) Licensees have the right to appeal civil penalties in accordance with Columbus City Health Code §203.08.
