### Home Visiting Options in Franklin County

If you are interested in having a support person to walk along-side you during your pregnancy and the first years of your baby's life to connect you with resources, develop goals for you and your family and to provide important health and parenting information, please consider enrolling in one of these programs.

To get enrolled, please contact StepOne for A Healthy Pregnancy at 614-721-0009 and ask for a Home Visiting referral.
