

WASH YOUR HANDS OFTEN

It's the best way to stop the spread of disease!

Wash your hands BEFORE...

- Performing a tattoo or body piercing service.
- Handling equipment.
- Putting on clean gloves.

Wash your hands AFTER...

- Performing a tattoo or body piercing service.
- Using the toilet.
- Taking a break/smoking.
- Coughing, sneezing, eating or drinking.
- Cleaning/taking out trash.
- As often as necessary to remove soil and contamination.

Wash your hands for 20 seconds with hot soapy water!
