

APPLICATION

INTRODUCTION

The East Franklinton Creative Community District Plan was adopted by City Council on November 12, 2012. It establishes a vision for revitalization as an urban mixed use neighborhood.

WHAT IS THE EAST FRANKLINTON MIXED USE DISTRICT?

The East Franklinton (EF) District is a new zoning district recommended in the East Franklinton Creative Community District Plan. EF District establishes the East Franklinton Review Board (EFRB), which reviews and approves site plans, architecture, graphics, and demolitions.

APPLICATION PROCEDURES

All new development, expansions to existing development, graphics, and other site improvements within the EF District boundary are required to obtain a *Certificate of Approval* before initiating any redevelopment or new development. A completed East Franklinton Review Board application must be received by the city's Planning Division staff at least ten (10) business days prior to the scheduled Board meeting in order to be placed on the corresponding monthly meeting agenda. A Certificate of Approval is required prior to obtaining zoning clearance, and building or graphics permits.

STANDARDS AND GUIDELINES

The EFRB uses the standards specified in Columbus City Code Chapter 3323, and other guidelines listed in the East Franklinton Creative Community District Plan to determine the appropriateness of proposed development within the District boundary. A copy of the City Code and/or the district guidelines can be obtained by going to the EFRB web page at <http://columbus.gov/planning/efrb/> and clicking on the appropriate links.

WHERE TO BEGIN

- 1) Navigate to the EFRB website for application instruction and applicable forms at <http://columbus.gov/planning/efrb/>
- 2) Contact the staff in the City of Columbus Development Department, Planning Division, at BEschoenhals@columbus.gov or call 614-645-6096.
- 3) The Planning Division staff can answer questions regarding the EFRB procedures and the application, as well as provide technical assistance. Applicants may make an appointment to meet with the Planning Division staff weekdays from 8:00 a.m. to 5:00 p.m. to discuss projects and applications prior to application submittal. It is strongly recommended that appointments be scheduled well in advance of the application deadline.
- 4) Complete all sections of the application which pertain to your proposed project and sign the application.

FOLLOWING BOARD REVIEW

A *Certificate of Approval* is **not** a permit for work. The Certificate and approved drawings, stamped by the Planning Division, must be taken to the Department of Building and Zoning Services at 111 North Front Street, First Floor (614-645-6090) in order to obtain the proper permits and fees for building, signage, demolition, etc.
