Public Utilities and Aviation Department

Michael D. Long, Director

RULE AND REGULATION NO. 89-3
DIVISION OF WATER
DEPARTMENT OF PUBLIC UTILITIES AND AVIATION

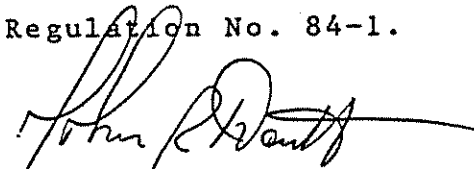

RE: Cancellation of Sewer Service Charges

The following Rule and Regulation shall become effective immediately.

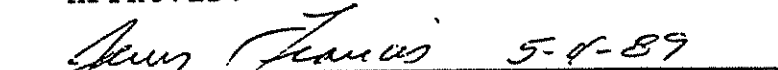

It is more cost effective to cancel sewer service charges of \$1.00 or less than to certify charges in the above amount against the real property tax duplicate.

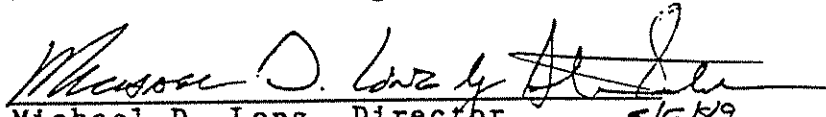

Therefore to maintain the economical management of the collection responsibilities of the Division of Water and the Division of Sewerage and Drainage, all sewer service charges of \$1.00 or less are to be cancelled prior to certification.

The above supercedes Rule and Regulation No. 84-1.

John R. Douth, P.E.
Administrator
Division of Water

Jerry L. Francis, P.E., Administrator
Division of Sewerage and Drainage
