RULE & REGULATION 94-2  
Division of Water  
Department of Public Utilities

DATE: July 15, 1994

SUBJ: Billing of Multiple Water/Fire Meters at a Property

Effective September 1, 1994 the Division of Water will not combine the meter readings on multiple water/fire meters at a property for the purpose of billing without the expressed written approval of the Administrator of the Division of Water. All billing exceptions granted prior to this effective date are exempt.

A billing service charge will be levied against each water/fire meter that the Division of Water has responsibility for reading/servicing for the period where water service is on at a property. No billing service charge will be levied on a water meter for the period where water service is off at the property. No billing service charge will be levied on a fire meter for the period where water services is off at the property provided the rules and regulations and Columbus City Codes, 1959, regulating the approval and turning-off of water service for fire protection has been followed.

  
John B. Douth, P.E.  
Administrator
