RULE AND REGULATION NO. 2000-2
Division of Water
Department of Public Utilities

SUBJECT: RELOCATION OF REMOTE REGISTERS

Pursuant to the authority granted under Columbus City Codes Chapter 1101, the Director of the Department of Public Utilities hereby adopts, establishes, and publishes this rule and regulation to be effective at the earliest date allowed by law. This rule and regulation supersedes Division of Water Rule and Regulation 93-1, published February 6, 1993 in the *City Bulletin* of Columbus, Ohio. This rule and regulation is in addition to any established requirements that have not been superseded or rescinded by this or any previous act.

APPLICATION: This Rule and Regulation applies to the relocation of remote registers required by the City of Columbus, Division of Water, excluding remote registers as defined in Columbus City Code 1105.038 (F).

Pursuant to Columbus City Code 1105.038 (A), if a remote register is inaccessible or difficult to read, the remote register will be relocated by the Division of Water to the specifications as stated in the Rule and Regulation on Water Metering Systems.

The remote register will be relocated by the Division of Water at the Division of Water's expense. If relocating the remote register exposes surface damage to the building resulting from the original remote register being installed, the property owner can submit a claim for damages.
