## **Department Goals and Objectives**

To handle every matter to a conclusion that is just and fair both to the City of Columbus and to any other parties involved.

## **Strategic Priorities for 2017**

Every day the City Attorney's Office is engaged in the delivery of legal services, whether it is approving contracts as to form and correctness, defending the city against lawsuits, assuring that enacted legislation fits properly into the City Code, evaluating whether criminal charges should be filed, prosecuting traffic and criminal cases, providing oral and written opinions, conducting police recruit and in-service training, or eliminating public nuisances that persist in the city's neighborhoods.

Consequently, the strategic priorities and budget issues mirror each other and reappear each budget year, and they are: securing adequate resources so that the best qualified people are in the appropriate positions performing at the highest levels so that the law firm representing the City of Columbus is able to carry out the responsibilities assigned to it by the Charter in a competent and professional manner. Proper staffing levels and adequate compensation will always be this office's major priorities and budget issues.
