

It's Your Right-to-Know...

Through CEPAC/LEPC for Franklin County information is available about the types, quantities and locations of chemicals defined as hazardous. To obtain this information about what chemicals are manufactured, used or stored at specific sites in Franklin County, just:

1. Email your request to CEPAC at: CEPAC@columbus.gov
2. Mail request to: CEPAC, 240 Parsons Ave., Columbus, OH 43215
3. Call your request to CEPAC at: (614) 645-6275

Give the Name of the Facility and its address.

If the company has filed a chemical report, you will receive a list of chemicals at the facility.
