

Did You Know?

Cigarette butts are the #1 single item found as litter throughout America

Did You Know?

About 18% of litter, traveling primarily through storm water systems, ends up in local streams, rivers and waterways.

Did You Know?

Over the course of nine years, KickButt Columbus volunteers have collected 97.2 tons of litter from highway ramps.

HIGHWAY RAMP CLEANUP EVENT

BIG 10

Saturday, March 24, 2018
Wolfe Park 1911 E. Broad St. 9:00 am - 2:00 pm

KICKBUTT Columbus!

www.kickbuttcolumbus.eventbrite.com

Join us in celebrating the BIG TEN anniversary of **Kickbutt Columbus**; a happening outdoor urban scene that makes YOU a key player in shaping the city's image. Work with the coolest people on the hottest environmental issue—unsightly cigarette litter and debris after winter thaw.

Over 500 enthusiastic volunteers form teams and take on the “dirty job” of picking up litter from the highway ramp gateways into our city's neighborhoods.

We provide all the right gear: A really cool T-shirt, safety vests, gloves, bags, litter grabbers. And we pump you up with great music, morning refreshments and feed you pizza afterwards too!

Did You Know?
Kickbutt volunteers collected 284,315 cigarette butts from 158 ramp locations around the city in 2016.

KickButtColumbus!
Saturday, March 24, 2018
Wolfe Park 1911 E. Broad St.
9:00 am - 2:00 pm

Adopt a ramp or be part of a ramp team. Register today at www.kickbuttcolumbus.eventbrite.com or call 614-645-2421 for more information.

Note: For safety reasons children 12 and under are NOT allowed to participate in cleaning up on the highway. Team carpooling is suggested to the ramp sites.

Did You Know?
Cigarette butts don't disappear. About 95% of cigarette filters are composed of cellulose acetate, a form of plastic which does not quickly degrade and can persist in the environment.
