

Instructions for Form IT-15J

Joint Economic Development District/Zone
(JEDD/JEDZ)

Employer's Deposit of Income Tax Withheld

Use Form IT-15J for reporting and remitting tax withheld from your employees' wages. Using our official forms (including any preprinted forms) will speed the processing of your payments, and will help prevent common errors that can result in audit notices. If necessary, cross out any errors on the preprinted forms and print the correct information.

The Columbus Income Tax Division administers the municipal income tax for the North Pickaway County JEDD, Prairie-Obetz JEDZ and Prairie Township JEDD. Employers have a legal duty to withhold and remit tax to the JEDD/JEDZs in which their employees work. Employees may also have a liability to the municipality in which they reside if: 1) the city where the employee lives does not allow its residents to claim full credit for taxes paid to the cities where the employee works; or 2) the city where the employee lives has a higher tax rate than the city where the employee works. Employers required to remit withheld taxes semimonthly or monthly should use Form IT-15J. All employers, whether required to use Form IT-15J or not, must still file Form IT-11J (Employer's Quarterly Return of JEDD/JEDZ Tax Withheld) each quarter.

When to File

As the employer, it is your responsibility to ensure that our office receives your withholding tax forms and payments on time. It is also your responsibility to make sure that your withholding tax forms contain the information necessary for accurate processing. The use of a tax preparer or payroll service to prepare your JEDD/JEDZ tax returns and payments does not relieve you of these responsibilities.
