This coverage shall also comply with all pertinent state and federal statutes, including the Health Insurance Portability and Accountability Act (HIPAA) and the Newborns’ and Mothers' Health Protection Act (NMHPA) of 1996.

(B) Comprehensive Major Medical.

(1) If the employee and/or dependent receives services from a preferred provider (PPO), reimbursements will be at an eighty/twenty percent (80/20%) co-insurance and will be subject to single and family deductible and out-of-pocket maximums listed in Table 1.

(2) If a preferred provider is not used, co-insurance will be reduced to sixty/fourty percent (60/40%) of one hundred forty percent (140%) of the single and family deductibles and out-of-pocket maximums listed in Table 1.

In accordance with the Patient Protection and Affordable Care Act of 2010, insured members are eligible to receive certain preventive care services, based upon age, gender and other factors, without cost-sharing (co-payments, co-insurance and deductibles). The preventive health services that must be covered without cost-sharing requirements are those based on the requirements stated below:

Preventive services that are excluded from the above agencies’ recommended lists shall be subject to the annual deductible, co-insurance, and out-of-pocket maximum as specified in Section 16(B)(1) and 16(B)(2).

Preventive services rendered by non-network providers shall be subject to the annual deductible, co-insurance, and out-of-pocket maximum as specified in Table 1.

Insured members should contact the City’s health plan administrator prior to obtaining preventive services for determination of preventive services coverage.

The City will provide the following minimum coverage for maternity benefits: At least forty-eight (48) hours of inpatient hospital care following a normal vaginal delivery; and at least ninety-six (96) hours of inpatient hospital care following a caesarean section and physician-directed aftercare. These minimum stay requirements are not applicable if the mother and her health care provider mutually agree that the mother and her child may be discharged earlier.

A weight loss schedule is limited to examination charges only. Food supplements in the treatment of obesity are excluded.

Services rendered by a Hospice Care program will be covered up to a maximum of sixty (60) days. Covered services include those services for which an employee is eligible during a hospital admission.

Temporomandibular joint pain dysfunction, syndrome or disease or any related conditions collectively referred to as "TMJ" or "TMD" will be covered
on the basis of medical necessity, up to a lifetime maximum of $200.00. This limit does not apply to surgical services on the jaw hinge.

Maintenance drugs should be obtained through the mail order program. The original prescription with no refills may be purchased locally but subsequent refills must use the mail order program.

The prescription drug program will include prior authorization requirements for certain types of drugs. Eligibility for enrolling new employees for health insurance, dental insurance, vision care, prescription drug and term life insurance shall be based upon an employee’s active service in a position or employment, which is to be performed in accordance with an established scheduled working time, such schedule to be based upon not less than forty (40) hours per seven (7) consecutive calendar days for fifty-two (52) consecutive seven (7) day periods per annum unless otherwise required by Federal Law or Regulations. Employees shall become eligible for the benefits outlined in this Section 16, pursuant to the provisions herein, on the first of the month following their hire date.

(1)  Full-time employees may waive coverage in the employee insurance programs during the month of February in each calendar year. Once the waiver is executed, the employee must wait until Open Enrollment Month (February) in a subsequent year to re-enroll in the benefit plans. In the event of a divorce, legal separation, the death of a spouse or the spouse involuntarily loses family coverage through the spouse’s employer, the employee may enroll with the City of Columbus insurance program within thirty (30) days of such event.

(2)  Part-time regular employees who have worked a minimum of one thousand forty (1,040) hours the previous calendar year shall be eligible for medical and prescription coverage only. The employee’s share of the cost of the medical and prescription insurance will be one-half of the established funding rate established by the Department of Finance and Management. The employee’s share will be converted into a single and family premium. An open enrollment will be held during the month of February of each year for employee enrollment. In the event of a divorce, legal separation, the death of a spouse, or the spouse involuntarily loses family coverage through
the spouse’s employer, the eligible employee may enroll with the City of Columbus insurance program within thirty (30) days of such event. Upon the completion of two (2) consecutive years and a minimum of two thousand eighty (2,080) hours, and every consecutive year thereafter, employees’ eligible dependents are eligible to enroll for medical and prescription coverage during Open Enrollment Month.

For purposes of this paragraph (G)(2), “hours” counted toward part-time eligibility will include hours worked, Paid Time Off, Injury Leave, Workers’ Compensation, Military Leave, and FMLA.

(H) Premium Co-Payment. Effective April 1, 2017, the monthly premium is an amount equal to fifteen percent (15%) of the insurance base for single and family coverage. Effective April 1, 2018, the monthly premium will be an amount equal to sixteen percent (16%) of the funding rate established by the actuary for the City for single and family coverage. Effective April 1, 2019, the monthly premium will be an amount equal to seventeen percent (17%) of the funding rate established by the actuary for the City for single and family coverage. For all employees hired on or after October 1, 2017, the monthly premium shall be an amount equal to twenty percent (20%) of the funding rate established by the actuary for the City for single and family coverage.

Such premiums shall be paid through an automatic payroll deduction. Half of the monthly premium will be deducted each pay period not to exceed the total monthly premium.

Providing an employee continues monthly premium coverage payments, insurance coverage for which an employee is eligible will be extended ninety (90) days beyond the end of the month during which an employee’s approved leave without pay or leave of absence status became effective. The employee’s insurance will then be terminated with an option to participate in the City’s insurance continuation program, COBRA, at the employee’s expense.

Employees on disability leave, or employees receiving payments in lieu of wages from the Ohio Bureau of Workers’ Compensation, must keep their premium co-payments current. If at the conclusion of the ninety (90) day period as specified in the previous paragraph, the premium co-payments are not current, an employee’s insurance will then be terminated with an option to participate in the City’s insurance continuation program, COBRA, at the employee’s expense.

(I) Tobacco Surcharge. If an employee hired on or after October 1, 2017 who participates in the City’s insurance program uses tobacco, the employee will be charged a twenty-five dollar ($25.00) per month surcharge.

(J) Pre-Tax Insurance Premiums. Employees are eligible to pre-tax insurance premiums through the City’s Pre-tax Plan Administrator.
The City will continue to maintain an IRC Section 125 Plan whereby employees will be able to pay for their share of health and hospitalization insurance premiums with pre-tax earnings. This plan will remain in effect so long as it continues to be permitted by the Internal Revenue Code. Such premiums shall be paid through an automatic payroll deduction.

(K) Voluntary Pre-Paid Legal Services Plan. The City may afford employees the opportunity to participate in a voluntary pre-paid legal services plan payable through payroll deduction.

(L) Appeal Process. The extent of coverage under the insurance policies (including self-insured plans) shall be governed by the terms and conditions set forth in said policies or plans. Any questions or disputes concerning an employee’s claim for benefits under said insurance policies or plans shall be resolved in accordance with the terms and conditions set forth in said policies or plans, including the claims appeal process available through the insurance company or third party administrator. In the event the employee benefit booklet and this Ordinance are not specific, the plan administrator’s administrative guidelines will prevail; provided, however, that this shall not prejudice the right of the employee to appeal a claim dispute to the plan administrator and to the Ohio Department of Insurance.

The average forty (40) hour workweek shall consist of five (5) eight (8) hour workdays and two (2) days off. The salary and wage ranges prescribed in the pay plan for the respective classes of positions are based on an average workweek of forty (40) hours, and a typical work year of 2,080 hours.

SECTION 11. PAY FOR UNUSED COMPENSATORY TIME.

Any compensatory time on account for an employee entering the jurisdiction of this MCP herein shall be paid upon appointment to the classifications of Fire Chief or Fire Assistant Chief at the regular hourly rate of pay of the former classification. Such payment shall be made as soon as practicable by the City Auditor.

SECTION 12. LEGAL HOLIDAYS.

(A) Holidays celebrated are as follows:

New Year's Day, January 1
Martin Luther King's Birthday, the third Monday in January
Washington's Birthday, the third Monday in February
Primary Election Day, one-half day
Memorial Day, the last Monday in May
Independence Day, July 4
Labor Day, the first Monday in September
Columbus Day, the second Monday in October
Veterans Day, November 11
General Election Day, the first Tuesday after the first Monday in November
Thanksgiving Day, the fourth Thursday in November
Christmas Day, December 25
Employee's Birthday
Any special holiday proclaimed by the Mayor

(B) When a holiday falls on the first day of an employee's regularly scheduled days off it shall be celebrated on the previous day, and when a holiday falls on the second day of an employee's regularly scheduled days off it shall be celebrated on the following day.

(C) Holiday Credit. Each full-time employee shall earn holiday credit at the rate of 3.85 hours for each completed payperiod of service. Accumulated holiday credits shall be compensated in cash in January of each year at the forty (40) hour rate in the employee's appropriate class and range.

An employee who experiences a break in continuous service, and who has holiday credit as provided in this Subsection (A) shall be compensated in cash for accumulated holiday credits upon separation at the forty (40) hour rate in the employee's appropriate range in effect at the time of separation.
When an employee is compensated for work on a holiday at the time of separation, such time shall be computed at the rate of pay in effect for said employee at the time of separation.

An employee who experiences a break in continuous service, and who has unused compensatory time to his/her credit, shall be paid for such accrued compensatory time. Such payment shall be paid at the employee’s hourly rate of pay in effect at the time of separation.

When an employee dies while in paid status, any unused compensatory time or holiday credit to his/her credit shall be paid at the employee’s hourly rate of pay in effect at the time of death in a lump sum to the surviving spouse, or to the estate of the deceased if there is no surviving spouse.

SECTION 13. SPECIAL LEAVE WITH PAY.

(A) Military Leave. City employees who are members of the Ohio National Guard, U.S. Air Force Reserve, U.S. Army Reserve, U.S. Marine Corps Reserve, U.S. Coast Guard Reserve, or the U.S. Naval Reserve shall be granted military leave of absence with pay, in addition to vacation leave, when ordered to temporary active duty, multiple unit training assemblies, or when ordered to military training exercises conducted in the field for a period of not more than twenty-two (22) days during each calendar year. Excepting and providing that when the Governor of the State of Ohio or the President of the United States declares that a state of emergency exists then, in that event, the employee is ordered to active duty for purposes of that emergency, shall be paid pursuant to this Article for a period, or periods, whether or not consecutive, not to exceed twenty-two (22) days during each calendar year.

(B) Military Pay. An employee who is entitled to military leave, and who is called to military duty for a period in excess of twenty-two (22) days in any one (1) calendar year, for each calendar year in which military duty is performed, because of an executive order signed by the President of the United States or an act of Congress, is entitled to additional paid leave during the period designated in the order or act. Such employee shall be paid his/her regular salary for the period of time so served less one day’s military base pay for each day he/she otherwise would have been scheduled to work for the City while on military leave with pay.

An employee who takes two (2) weeks of military leave with pay will be away from his/her job Monday through Friday, both weeks, for a total of ten (10) fire work days. In that situation, he/she is paid by the military for fifteen (15) or more days. The offset from his/her regular salary will be determined by multiplying the daily rate of base pay by ten (10) in recognition of the ten (10) work days
missed and subtracting that sum from the regular two (2) weeks of fire pay. This offset provision does not apply to paid leaves of twenty-two (22) days or less as provided in this Section.

Reemployment of a member who leaves the employment of the City to serve in the armed forces of the United States America or any branch thereof shall be governed by the following principles:

(1) An eligible member shall be reemployed in the position in which the member would have been employed if the continuous employment of the member had not been interrupted by the period of military service, or an equivalent position, provided that the member is qualified to perform the duties of such position. A member whose military service involves only military training shall be reinstated to his/her former position, not an equivalent position.

(2) Any member who has entered the service as stated above, must request restoration to the position within ninety (90) days of receiving an honorable discharge from the armed forces or the position shall be declared vacant. Nothing contained in this subsection shall obligate the City to pay a member who is on military leave of absence.

(3) The term “armed forces of the United States,” as used in this section, shall be deemed to include such services as designated by the Congress of the United States.

(4) This subsection shall be interpreted and applied in a manner consistent with the provisions of the Uniformed Services Employment and Reemployment Rights Act, 38 U.S.C. §4301 et seq.

(C) **Jury Duty Leave.** City employees, when called to jury duty, shall be paid regular salary for the period of such jury service.

Upon receipt of payment for jury service, the employee shall submit fees to the Administrative Bureau who will then deposit such funds with the City Treasurer.

(D) **Witness Duty.** Time off with pay shall be permitted to any employee for any time required as a witness in any proceeding where the employee is called to testify as a result of his/her duties and/or position with the Division of Fire.

Upon receipt of payment for witness service, the employee shall submit fees to the Administrative Bureau who will then deposit such funds with the City Treasurer.
Paid Parental Leave (PPL). Effective August 1, 2017, full-time City employees in classifications listed in Section 6 of this Ordinance, who meet the following criteria, are eligible for up to six (6) weeks of PPL.

1. Employees must have:
   (a) Completed one (1) year of continuous full-time City service;
   (b) Worked for at least one thousand two hundred fifty (1,250) hours over the twelve- (12) month period preceding the leave;
   (c) Not taken any PPL in the preceding rolling twelve- (12) month period measured backward from the date PPL is used.

2. PPL qualifying events are the following:
   (a) Birth of a child, provided the employee is the biological parent, or the spouse or domestic partner of the biological parent, or a legal guardian of the child.
   (b) Permanent placement of an adoptive child, provided the employee is the adoptive parent, or the spouse or partner of the adoptive parent, and must reside in the same household as the newly adopted child.

3. PPL benefits are as follows:
   (a) The eligible leave period of six (6) weeks begins on the date of the qualifying event (i.e., birth of a child or permanent placement of an adoptive child). PPL is not intended to extend disability leave, and therefore will not be used at the end of disability leave following the same event.
   (b) Eligible employees may receive a total PPL benefit of six (6) weeks. This program shall provide for payment to the employee from the fifteenth (15th) day of the qualifying event for a maximum of four (4) weeks of PPL benefits at seventy percent (70%) of the employee’s current salary.
   (c) Notwithstanding the provisions of Section 18 of this Ordinance, during the waiting period only, employees may elect to use sick leave, vacation leave, compensatory time or unpaid leave time.
   (d) During the six (6) weeks of PPL, the employee may, if he/she so desires, elect to use all, or part, of his/her accumulated but
unused sick leave in order to make up any difference between one hundred percent (100%) of his/her gross wages and the amount which he/she receives under the PPL program, provided that all new (current year) sick leave accruals are exhausted before an employee may use the available balance in his/her old sick leave bank. If an employee exhausts all sick leave benefits, other approved leave may be granted by the Appointing Authority.

(e) PPL must be taken as one continuous block of leave and may not be taken intermittently.

(f) Any PPL which is granted for reasons permissible under FMLA leave shall count toward the twelve- (12) week per year limitation.

(g) While an employee is paid PPL benefits, vacation accruals shall cease. Holidays shall be paid at the PPL benefit rate as set forth in Section 13(E)(3)(b) of this Ordinance.

(F) Paid Caregiver Leave (PCL). Effective August 1, 2017 through August 1, 2019, full-time City employees in classifications listed in Section 6 of this Ordinance, who meet the following criteria, are eligible for up to four (4) weeks of PCL.

(1) Employees must have:

(a) Completed one (1) year of continuous full-time City service;

(b) Worked for at least one thousand two hundred fifty (1,250) hours over the twelve- (12) month period preceding the leave;

(c) Not taken any PCL in the preceding rolling twelve- (12) month period measured backward from the date PCL is used.

(2) PCL may be taken when the employee’s covered family member has a serious medical condition as defined by the Family and Medical Leave Act (FMLA) requiring the employee’s care.

(3) Covered family members under the FMLA are the employee’s spouse, son, daughter or parent as defined in the FMLA regulations.

(4) PCL benefits are as follows:

(a) The eligible leave period of four (4) weeks begins on the date the employee requests leave to care for an eligible family member with a serious health condition.
(b) Eligible employees may receive a total PCL benefit of four (4) weeks. This program shall provide for payment to the employee from the fifteenth (15th) day of the qualifying event for a maximum of two (2) weeks of PCL benefits at seventy percent (70%) of the employee’s current salary.

(c) Notwithstanding the provisions of Section 18 of this Ordinance, during the waiting period only, employees may elect to use sick leave, vacation leave, compensatory time or unpaid leave time.

(d) During the four (4) weeks of PCL, the employee may, if he/she so desires, elect to use all, or part, of his/her accumulated but unused sick leave in order to make up any difference between one hundred percent (100%) of his/her gross wages and the amount which he/she receives under the PCL program, provided that all new (current year) sick leave accruals are exhausted before an employee may use the available balance in his/her old sick leave bank. If an employee exhausts all sick leave benefits, other approved leave may be granted by the Appointing Authority.

(e) PCL must be taken as one continuous block of leave and may not be taken intermittently.

(f) Any PCL which is granted for reasons permissible under FMLA leave shall count toward the twelve- (12) week per year limitation.

(g) While an employee is paid PCL benefits, vacation accruals shall cease. Holidays shall be paid at the PCL benefit rate as set forth in Section 13(F)(4)(b) of this Ordinance.

SECTION 14. VACATION LEAVE.

(A) The vacation year for employees shall end at the close of business on the last day of the last payperiod that ends in the month of February.

(B) Conditions for Accrual of Vacation Leave.

(1) Each employee shall accrue vacation leave by payperiod based on years of continuous service as established in the schedules below. To determine the appropriate accrual rate, the higher rate of accrual will begin on the first day of the payperiod in which a year of continuous service is completed as follows:
Maximum Accrual of Vacation. Any vacation balance in excess of the maximum number of hours established in this paragraph shall become void as of the last day of the vacation year for employees governed by the provisions of this section, except as provided in Section 14(C)(1). The maximum number of vacation hours that may be accrued based on years of continuous service as of the end of a vacation year are as follows:

Other Vacation Leave Provisions.

(1) At the end of each vacation year, employees shall be paid for any vacation balances in excess of the maximums fixed by this section accruing after January 1, 1964, upon certification by the Director of Public Safety to the City Auditor and the Director of Human Resources that due to emergency work requirements, it is not in the best interests of the City to permit an employee to take vacation leave which would otherwise be forfeited as provided in Section 14(B)(2).

(2) An employee who experiences a break in continuous service as a result of discharge, resignation, retirement, or layoff and who has unused vacation leave to his/her credit, shall be paid in a lump sum for such unused vacation leave in lieu of granting such employee a vacation leave after his/her last day of service with the City. Such payment shall be paid at the employee's hourly rate of pay at time of separation. Such payment shall not exceed the maximum accrual of vacation hours set forth in Section 14(B)(2).

(3) When an employee dies while in paid status, any unused vacation leave to his/her credit shall be paid in a lump sum to the surviving spouse, or to the estate of the deceased, if there is no surviving spouse. Such payment shall be paid at the employee's hourly rate of pay at time of death.
(4) Vacation leave may be taken in increments of one (1) hour at the request of the employee with the approval of the Director of Public Safety.

SECTION 15. INJURY LEAVE WITH PAY.

(A) All employees shall be allowed injury leave with pay not to exceed one hundred eighty (180) days for each service-connected injury provided such injury is reported to the employee’s immediate supervisor, subject to the provisions of this Section.

(B) Injury leave with pay shall be granted to any such employee only for injuries or other disabilities determined by the Human Resources Director or designee as caused or induced by the actual performance of his/her position, including a personal comfort zone. Cardiovascular, respiratory, and pulmonary disabilities shall be presumed to be service-connected. The City may require an independent medical examination for any employee requesting injury leave at the City's expense. The City shall send to the employee a copy of the letter sent to the physician along with the questions the City is asking the physician in respect to the employee's examination and/or condition. The City shall also send a copy of the physician's report to the employee.

(C) Medical documentation, supporting documentation, and a report of the cause of all injuries, whether original or recurrent must be signed by the Fire Chief and the Director of Public Safety and be submitted to the Director of the Human Resources Department or designee, within two (2) workdays of the date the injury is reported by the employee on forms designed and furnished by the Human Resources Department.

(D) No employee is to be granted injury leave with pay unless the Director of Public Safety has in his/her possession written authorization signed by the Director of the Human Resources Department or designee. Such authorization shall indicate the approximate length of the leave, and no injured employee on leave shall be returned to work without the written approval of an attending physician. An employee on injury leave shall maintain biweekly verbal contact with the Fire Chief and/or Director of Public Safety or designee during the period of time he/she is injured. This requirement may be modified in writing by the Director of Public Safety or designee for extended leaves. An employee shall notify the Fire Chief and/or Director of Public Safety or designee at least seven (7) days prior to the expected return to work date to reconfirm that date. If, in the judgment of the Human Resources Director or designee, the injury is such that the employee is capable of performing his/her regular duties or light duties during the period of convalescence, he/she shall so notify the Director of Public Safety in writing and deny injury leave with pay. No injury leave payments shall be made to any employee who is actually working for another employer during
the employee’s regular shift, or where such work involves or requires the 
performance of the same or similar duties as those regularly performed by the 
employee, or where the job involves duties and/or physical demands which 
would conflict with the medical condition. Employees shall not engage in 
recreational activity while on injury leave where the physical demands of such 
activity conflicts with the injury/medical condition allowed. If there is a 
recurrence of a previous injury, the Director of Public Safety must request 
approval of injury leave for each recurrence. Whenever an employee is required 
to stop working because of an injury or other service-connected disability, 
he/she shall be paid for the remaining hours of that day, or shift, at his/her 
regular rate and such time shall not be charged to leave of any kind.

(E) Any injured employee may appeal the decision of the Human Resources 
Director or designee, by written notice, to the Board of Industrial Relations within 
ten (10) calendar days of notification that injury leave has been denied. The 
Board of Industrial Relations, at the City's expense, may require an employee 
to be examined by a physician of the Board's choice.

(F) Pending a decision by the Director of the Human Resources Department or 
designee, an injured employee may be carried on personal sick leave with pay 
which shall be restored to his/her credit upon certification by the Director of the 
Human Resources Department or designee, that injury leave has been 
approved; except that when an employee is injured, and the Director of Public 
Safety can establish that the injury occurred during the employee’s hours of 
work for the City, the employee may be carried on injury leave with pay pending 
certification by the Director of the Human Resources Department or designee, 
that injury leave has been approved. In no case may the employee be carried 
on injury leave in excess of the employee’s amount of accumulated sick leave. 
If injury leave is not certified by the Human Resources Director or designee, the 
employee will be charged sick leave for time used. Injury leave shall be allowed 
for actual time spent during duty hours (including travel time) for scheduled 
physician appointments and/or treatment resulting from on-the-job injury.

SECTION 16. SICK LEAVE WITH PAY.

(A) Sick Leave Accrual. Each employee shall accrue sick leave with pay at the rate 
of 6.462 hours for each completed payperiod.

(B) Cumulation and Payment of Sick Leave. Sick leave with pay shall be cumulative 
and any employee having unused sick leave prior to the effective date of this 
Ordinance shall be credited with such unused sick leave for the purpose of this 
Ordinance.
Reciprocity payment. Each January of each year, employees shall be paid for unused sick leave earned during the immediately preceding calendar year in accordance with the following schedule:

(a) Amount of Payment.

(1) Less than 500 hour bank: Any employee who, as of January 1, of each year, has a sick leave account of less than five hundred (500) hours shall not be paid for any unused sick leave earned during the immediately preceding calendar year and any such unused sick leave shall be added to his/her sick leave account.

(2) 500-750 hour bank: Any employee who, as of January 1 of each year, has a sick leave account of five hundred (500) to seven hundred fifty (750) hours shall first have any sick leave used in the immediately preceding calendar year deducted from the sick leave which he/she earned during that year and, as to any remaining unused sick leave from that year, he/she may elect to be paid for seventy-two (72) of those hours. Any unused sick leave hours still remaining from that year shall be added to his/her sick leave account.

(3) More than 750 hour bank: Any employee who, as of January 1 of each year, has a sick leave account of more than seven hundred fifty (750) hours shall first have any sick leave used in the immediately preceding calendar year deducted from the sick leave which he/she earned during that year and, as to any remaining unused sick leave from that year, he/she may elect to be paid for one hundred twenty (120) of those hours. Any unused sick leave hours still remaining from that year shall be added to his/her sick leave account.

(b) Calculation of Payment. Any amounts to be paid under this Subsection (B) shall be paid at the rate of one hour pay (based on the 40 hour rate) for each hour of unused sick leave, in accordance with the pay schedules established in Section 3.

(C) Separation Payment. An employee who experiences a break in continuous service as a result of discharge, resignation, retirement or layoff may, if he/she so desires, be paid in lump sum one (1) hour of pay for each six (6) hours of unused sick leave to his/her credit for total accruals up to and including one
thousand (1,000) hours; one (1) hour of pay for each three (3) hours of unused sick leave to his/her credit for all accruals in excess of one thousand (1,000) hours up to and including two thousand one hundred (2,100) hours; and one hour of pay for each hour of unused sick leave to his/her credit for all accruals in excess of two thousand one hundred (2,100) hours. Such payment shall be paid at the appropriate rate and rank specified in of Subsection (B)(1)(b) of this Section 16.

(D) **Use of Sick Leave.** Sick leave with pay may be granted upon the recommendation of the Director of Public Safety only for the following reasons:

1. Sickness of the employee.
2. Injury to the employee except where such injury is incurred in the performance of employment other than his/her employment with the City.
3. Medical, dental, optical consultation or treatment of employee.
4. Sickness of a member of the immediate family living in the employee's household. Employees working an average forty (40) hour workweek shall be granted no more than five (5) work days in any calendar year for sickness in the immediate family requiring the presence at home of the employee. The Director of Public Safety may require a certificate of the attending physician before paying any employee under this paragraph.
5. Quarantine of an employee because of exposure to a contagious disease. The Director of Public Safety shall require a certificate of the attending physician before paying any employee under this paragraph.
6. In the event an employee uses all his/her injury leave time, and is still unable to return to active duty, he/she may, with the approval of the Director of Public Safety, use any sick leave, professional time and vacation time to which he is otherwise entitled.
7. Bereavement. In the event of a death in the immediate family, each employee regularly working an average forty (40) hour workweek shall be entitled to five (5) work days to attend or prepare for a funeral service and/or interment.
8. Any leave which is granted under this Section for reasons permissible under an FMLA leave as provided in Section 16, shall be charged as an FMLA leave and shall count toward the twelve (12) week per year limitation for the length of the FMLA leave.

(E) The Director of Public Safety may require evidence as to the adequacy of the reason for any employee's absence during the time for which sick leave is requested.
(F) Employees working an average forty (40) hour workweek shall be charged at the rate of eight (8) hours of sick leave for each regularly scheduled workday such employee is absent.

(G) When an employee dies while in paid status, regardless of the number of accumulated sick leave hours in the City service, all unused sick leave to his/her credit shall be paid in a lump sum to the surviving spouse or to the estate of the deceased if there is no surviving spouse in accordance with Section 16(C).

(H) No sick leave with pay shall accrue except for service as an employee of the City of Columbus.

(I) Sick leave may be approved in multiples of one (1) hour.

SECTION 17. TUITION REIMBURSEMENT.

(A) No employee on an authorized leave of absence or injury leave shall be eligible to apply for tuition reimbursement; except that, employees on injury leave who are rendered unable to complete the required course work due to the injury and who have a course(s) approved by the Labor Relations Manager or designee prior to being injured shall be reimbursed for that course(s).
