Incident Summary:

On Friday, February 15, 2019, at an unspecified time before 7:30 AM, a 2007 GMC Yukon was traveling northbound on McKinley Ave. south of Trabue Rd. The Yukon left the right (east) side of McKinley Ave and rolled several times, ejecting all three unrestrained occupants.

The crash scene was discovered by a passer-by at 7:28 AM. Police and EMS units responded and all three men were pronounced dead at the scene by medics.

The decedents have been identified as:

Mr. Ryan D. Riley (35) of Richter Rd.
Mr. Johnny J. Collins (35) of Broadlawn Ave.
Mr. Glenn H. Featherston Jr. (58) of Lockbourne Rd.

(The vehicle and occupants came to rest next to railroad tracks that parallel McKinley Ave. in that area. This position led to early reports that a train had been involved in the crash. Upon investigation, no evidence of any train involvement was found. Norfolk Southern Railway reports no train has used those tracks in several weeks.)

Because all three occupants were ejected, the driver of the vehicle has not been determined at this time.

This investigation is ongoing.

To date in 2019, there have been 6 fatal crashes resulting in 8 fatalities in Columbus.
