Schedule

Expect work to take place from 7:00 a.m. to 7:00 p.m. (daylight hours) Monday to Friday through November 2019. Construction may take place on weekends when needed to stay on schedule and at night to minimize daytime traffic impacts. Occasional off-hour water shut-offs are anticipated. Advanced notice will be distributed and communicated to those affected. Advanced coordination will take place regarding major holidays and neighborhood events.

Major Activities Include

Relocation and Undergrounding

1. Utility undergrounding
2. Installation of new traffic signal and fiber optic system
3. New sidewalks
4. New curb
5. New traffic signals
6. New street lights
7. New landscaping
8. New parking meters

Communications

Sign-up for construction updates by emailing mjustis@murphyepson.com. A weekly construction update will be distributed on Friday afternoons most weeks. Additional project information can be found at columbus.gov/highstreet.
