Application

- **#19-4-01 Public Art for SMART Columbus EV Charging Station,**
The EV Charging Station is located at on the north side of Gay Street in front of the Beacon Building at 50 W. Gay St.

Applicants are returning with a conceptual design for the Gay Street charging station. They are requesting Conceptual Project Approval. Applicants attended two previous Commission hearings (Preliminary Project Discussions) to discuss their project with Commissioners on 10/23/18 & 1/22/19. SMART Columbus, working with the Department of Public Safety, has engaged a Studio at CCAD to develop design proposals to convey the EV charging stations into public art. Commissioners have engaged in discussion about the project and had an opportunity to see project issues as identified by student proposal teams.

Attending: McKinzie Harper, SMART Columbus
Bud Braughton, Columbus Dept. of Public Services
Matthew Mohr, Artist, Associate Professor, CCAD

Action Requested:

Motion is made to conceptually approve the Gay Street charging station plan as presented [or amended] by applicants.
