Effective May 31, 2019, new City of Columbus Payment Portal users and users who previously signed in with a PIN will now log in with a user name and password. Other improvements have been made, including the ability for taxpayers to access all of their accounts with their single user name rather than using a separate PIN for each log in, and the addition of a payment form for hotel-motel/short-term rental excise tax accounts.

This guide aims to assist users with these new processes. Please call our team at 614-645-7370 if you have any questions.
