Incident Summary: The manager of the Cricket Wireless stated she was taking out the trash and upon her return to the back door, the suspect approached and pushed her inside. She stated that the suspect had a hard object pointed at her back (which she thought was a gun). She was then ordered by the suspect to lock the front door.

The manager stated she was ordered to open the safe. She stated she opened the safe and the suspect took a bank bag and two high end cellphones. The suspect started to leave until he saw the manager on her cellphone. The suspect walked back to the manager and took her cellphone as well, and then left through the rear of the store.
