COLUMBUS POLICE ARE INVESTIGATING A POLICE INVOLVED SHOOTING

On October 9, 2019 at approximately 9:30 PM, officers were dispatched to 3377 E. Livingston Avenue on a person with a gun standing near a gold vehicle. Officers arrived on scene and located the subject with the gun near the vehicle in question. During the interaction with the officer, the suspect fled the scene and a foot pursuit ensued, at which time the suspect still possessed the firearm. An officer discharged their weapon striking the suspect.

A short time later, officers were able to apprehend the suspect. A firearm was recovered at the scene. The suspect was transported to a local hospital with non-life threatening injuries. No officers were injured.

The Columbus Police Critical Incident Response Team (CIRT) is investigating the shooting.
