Incident Summary: On listed date and time 25 year old Rachael L. Dyer was a pedestrian attempting to cross Hudson St. at Cleveland Ave. She was traveling from the northwest corner to the southwest corner. Traffic on E. Hudson St. had received a green light to proceed through the intersection with Cleveland Ave. Traffic in the eastbound left turn lane had come to a stop for oncoming westbound traffic, leaving the right, straight thru lane open. Ms. Dyer cut in front of the stopped left turning vehicle and stepped into the right straight thru lane. At this same time an unknown vehicle was being operated by an unknown operator, in the right straight thru eastbound lane. Ms. Dyer and the unknown vehicle collided with each other. The unknown vehicle continued eastbound on E. Hudson St. failing to stop after the collision. Ms. Dyer was thrown to the ground. As a result of this collision Ms. Dyer sustained serious injuries. She was transported to Ohio Health Grant Medical Center by Columbus Fire Medic 18. At this time Ms. Dyer remains at Grant Hospital where she is being treated for her injuries.

At this time the Columbus Police Accident Investigation Unit is asking any citizen that may have knowledge of this crash or knowledge of the involved vehicle/operator to contact Crimestoppers.
