

Recreation and Parks Script
March 22, 2020

Hello, neighbors.

As you all know, Governor DeWine has put a “Stay at Home” order in place. We are at a critical point in our fight to slow the spread of COVID-19, and we must follow the governor’s order.

But I would like to encourage residents to get out and walk or take a bike ride. While playgrounds and community recreation centers are closed to prevent transmission of the virus, the region has 230 miles of trails and paths to explore.

Maintain social distance as you explore these trails, but exercise and fresh air are keys to staying healthy and strong.

These are times unlike any most of us have ever seen, but together we will get through this and we will emerge stronger, smarter and healthier.
