##### [Summer Spray - Temporary Art Installation \(1 year requested\)](#)

- Project:** Summer Spray – Temporary Art Installation (1 year requested)  
**Location:** large sidewalk area at the northwest corner of Goodale and Park Streets  
**Applicant:** Short North Alliance  
**Artists:**
- 1) Aron Whisner
  - 2) Bryant Anthony Harper
  - 3) Chris Cropper
  - 4) David Tevenol
  - 5) Felicia Dunson
  - 6) Hakim Callwood
  - 7) Jen Kiko
  - 8) Katie Golanka
  - 9) Lee Mora
  - 10) Thom Glick

The project was conceptually approved by the CAC on 4.15.2020.

Spray will feature a temporary 2,000 square foot mural wall on the highly-visible cap area over I-670 located at the NW corner of Goodale and Park Streets in the Short North Arts District. The ten artists listed above were selected to each create one of 10 murals, over a period of 10 weeks, along a 10,000 sq. ft. constructed wall. The artwork will build upon the mural created by the previous artist. The selected artists will participate in an artist-in-residency program during the installation period, which will include documentation of the artists' process, community conversations, and other educational activities to be determined. The installation includes canvas coverings painted with original artwork covering the unpainted portions of the wall. Applicant is returning to request final approval of the selected artists. Artist selection is based on examples of previously completed art. Artwork designs for the wall will be completed extemporaneously on the day it is to be painted.

#### Calling in:

Caitlyn Dunn, Short North Alliance

#### Action Requested:

Motion for approval of the design and temporary placement of original artwork by the ten artists listed above, with the understanding that the art will be created extemporaneously on the date of installation for the Summer Spray public art project in the Short North, per Columbus Code 3115.04 (A) & (B) & (C)
