Incident Summary: On Tuesday, November 3, 2020 at approximately 5:45 PM, Ms. Brenda Aldridge-Cendejas (52) of Canal Winchester, was driving alone in a minivan, northbound on I-270 at I-70 on the east side of Columbus. Ms. Aldridge-Cendejas drifted out of her lane of travel and struck a road construction sign and an orange construction barrel. This crash smashed the car's windshield, making visibility impossible. However, Ms. Aldridge-Cendejas continued to drive northbound on I-270 for approximately another ¼ mile until she again left the roadway, this time striking the attenuator of a guardrail. This second crash disabled the vehicle and Ms. Aldridge-Cendejas was critically injured.

Police and EMS responded and Ms. Aldridge-Cendejas was transported to Mt. Carmel East Hospital in life-threatening condition. She died at the hospital at 6:31 PM.

The Accident Investigation Unit responded and initiated an investigation, which is ongoing.

So far in 2020, Columbus has had 66 traffic fatalities resulting from 63 fatal crashes, a 21% increase over the same date in 2019.
