Incident Summary: On November 5, 2020, a male black suspect entered Costco through the exit door and made his way back to the electronics section. The suspect grabbed a speaker system and headed to the front of the store. The suspect walked past the cashiers and customer service area and attempted to walk out the exit door but was stopped by a loss prevention associate. The associate grabbed the merchandise out of the suspects hands and attempted to detain the suspect. The suspect resisted and ran out of the store. The suspect got into a gray Ford truck with a female black driver, and fled the scene.

Both suspects have been seen on multiple occasions between 09/05/20 and 09/15/20 coming into the Easton and Polaris Costco locations attempting to take items and becoming more aggressive with store employees.

Still photographs of the suspects are attached.
