The Readiness Committee will focus on areas that prepare the community to return to the workforce and opportunities to grow and thrive within the workforce.

Phase 1 topics within the Readiness Committee:

- Job Readiness/Workforce Development
- Higher Education
- Childcare
- Accessible Mobility
- Digital Inclusion

The list above are the main areas of focus in the Readiness committee, however there are many points of intersection from other Phase 1 topics that will support the work of the Readiness committee.

The following strategies will be used to frame recommendations:

- Equity
- Access
- Stability
- Advocacy

Along with recommendations and strategies, working groups will be tasked with identifying solution providers in the community that can partner with the City and County to implement working group recommendations.
