CIVIL SERVICE COMMISSION

1	MONDAY AFTERNOON SESSION June 28, 2021
2	12:35 p.m.
3	
4	PROCEEDINGS
5	
6	BE IT REMEMBERED THAT, on the 28th day of
7	June, 2021, the Municipal Civil Service Commission
8	came for a regular meeting, Grady L. Pettigrew,
9	President. And, the parties appearing in person
10	and/or by counsel, as hereinafter set forth, the
11	following proceedings were had:
12	
13	MS. RUBECK: Good afternoon. The Civil
14	Service Commission Regular Meeting is a public
15	meeting and is being held virtually. In order to
16	comply with guidelines regarding virtual public
17	meetings, any person who is speaking must also be
18	visible on video.
19	To our three commissioners, please leave
20	your video on during the entire meeting.
21	To those presenting, you may leave your
22	video off until it is your turn to present.
23	To all others attending the meeting,
24	please turn your video off and leave it off during

- 1 the duration of the meeting.
- 2 If a technical issue should occur where
- 3 either audio or video is not available when needed,
- 4 the meeting will be stopped in order to resolve the
- 5 issue.
- In addition, this meeting is being
- 7 recorded for the record.
- 8 Thank you.
- 9 Commissioner Pettigrew, you may begin.
- 10 PRESIDENT PETTIGREW: All right. Thank
- 11 you.
- I will call to order the City of
- 13 Columbus, Ohio, Municipal Civil Service Regular
- 14 Meeting for June 2021.
- We'll be following the printed agenda.
- The first item on the agenda is review
- and approval of the minutes of the May 24, 2021,
- 18 regular meeting.
- 19 MR. PRICE: I move for approval of the
- 20 minutes from the May 24, 2021, regular meeting.
- MS. LYNCH: I second the motion.
- 22 PRESIDENT PETTIGREW: All in favor, say
- 23 "aye."
- THE COMMISSION MEMBERS: Aye.

1	PRESIDENT PETTIGREW: It is approved.
2	There are no prehearing conference
3	reviews or trial board recommendations.
4	The next two items are the request of the
5	Civil Service Commission staff to approve the
6	specification review for the classification Labor
7	Relations Specialist, with no revisions; and,
8	No. 5 is the request to approve the
9	specification review for the classification Labor
LO	Relations Manager, with no revisions.
L1	Who is presenting that?
L2	MS. RUBECK: Beth, we can't hear you.
L3	MS. BRINNON: That should be Beth Dyke.
L 4	MS. DYKE: How is that?
L5	MS. RUBECK: Yes.
L 6	MS. DYKE: This is Beth Dyke, Personnel
L7	Analyst with the Civil Service staff. The review of
L8	the classifications for Items 4 and 5 is part of the
L9	Civil Service Commission's effort to review all
20	classifications every five years.
21	Based on feedback received, it was
22	determined that the current specification still
23	accurately reflects the work being performed. It is
24	recommended that the specifications be approved with

- 1 no revisions.
- 2 MR. PRICE: Am I to understand we're
- 3 doing both of these together?
- 4 PRESIDENT PETTIGREW: Yes.
- 5 MR. PRICE: Okay. I move to approve the
- 6 specification review for the classification Labor
- 7 Relations Specialist, with no revisions.
- I also move to approve the specification
- 9 review for the classification Labor Relations
- 10 Manager, with no revisions.
- 11 PRESIDENT PETTIGREW: Second,
- 12 Commissioner Lynch?
- MR. PRICE: You're muted, I think.
- MS. LYNCH: I was.
- I second the motion.
- 16 PRESIDENT PETTIGREW: All in favor, say
- 17 "aye."
- THE COMMISSION MEMBERS: Aye.
- 19 PRESIDENT PETTIGREW: They are approved.
- Items No. 6 and 7 will be presented
- 21 together.
- No. 6 is a request of the Civil Service
- 23 Commission staff to revise the specification for the
- 24 classification Network Manager; and,

24

1 No. 7 is for the -- specification for the 2 classification Network Engineer. 3 MS. DYKE: Beth Dyke, Personnel Analyst. Both classifications were last reviewed 4 in November of 2019, with an additional final 5 revision made to the Network Engineer classification 6 in April 2021. 7 8 It has been discovered that the 9 certification pathway to employment within the 10 "Minimum Qualifications" section of both the classifications was inadvertently omitted during the 11 12 last formal review. The proposed revisions are to 13 return the certification as a viable path to being qualified and to ensure a broader applicant pool to 14 15 meet the department's hiring needs. 16 There are no other revisions proposed at this time. 17 MR. PRICE: I move to -- I'm sorry. 18 I move to revise the specification for 19 20 the classification Network Manager. 21 I also move to revise the specification 22 for the classification Network Engineer.

MS. LYNCH: I second that motion.

PRESIDENT PETTIGREW: All in favor, say

Τ	"aye."
2	THE COMMISSION MEMBERS: Aye.
3	PRESIDENT PETTIGREW: They are approved.
4	Items Nos. 8 and 9 are to be presented
5	together.
6	Item No. 8, request of the Civil Service
7	Commission staff to propose a hiring moratorium on
8	the specification for the classification Purchasing
9	Expediter; and,
10	Item No. 9 is to lift the hiring
11	moratorium previously imposed on the specification
12	for the classification Purchasing Coordinator.
13	MS. DYKE: Beth Dyke, Personnel Analyst.
14	The Purchasing Coordinator classification
15	was last reviewed in January 2020, with a hiring
16	moratorium imposed in February 2012.
17	The Purchasing Expediter classification
18	was last reviewed in May 2020, with minor revisions.
19	Per discussion with a department
20	representative from the Department of Finance and
21	Management, it has recently been determined that
22	positions assigned to perform specific purchasing
23	work best align with the Purchasing Coordinator
24	classification.

1 It is therefore recommended, with regard 2 to the Purchasing Coordinator classification, to 3 lift the hiring moratorium. As such, it is therefore proposed to impose a hiring moratorium on 5 the Purchasing Expediter classification, as it has been determined that the Fiscal Assistant series 6 also performs this work and allows for a broader use 7 8 by the department. 9 There are no other revisions proposed at 10 this time. 11 MR. PRICE: I move to impose a hiring 12 moratorium on the specification for the classification Purchasing Expediter. 13 I also move to lift the hiring moratorium 14 previously imposed on the specification for the 15 classification Purchasing Coordinator. 16 MS. LYNCH: I second the motion. 17 PRESIDENT PETTIGREW: All in favor, say 18 "aye." 19 20 THE COMMISSION MEMBERS: Aye. 21 PRESIDENT PETTIGREW: They are approved. 22 Item No. 10 is a request of the Civil 23 Service Commission staff to revise the specification

24 for the classification City Forester.

1	MS. DYKE: Beth Dyke, Personnel Analyst.
2	Civil Service staff received a request
3	from the Recreation and Parks Department to revise
4	the classification for City Forester.
5	Recently, the department had an extensive
6	study completed regarding the Columbus Urban Forest.
7	In response to the findings of the study, the
8	Columbus Urban Forestry Master Plan was drafted as a
9	means to implement the needed improvements and to
10	also establish a long-term forestry plan.
11	The first step in the implementation of
12	the plan is to revise the specification for the City
13	Forester classification and fill the current
14	vacancy. Therefore, many revisions are proposed
15	throughout the specification.
16	Within the "Definitions," it is proposed
17	to add "leading" to the list of responsibilities in
18	which the City Forester is defined.
19	Within the "Examples of Work" section, it
20	is proposed to add several new statements that
21	reflect the duties to be performed. Within the same
22	section, it is also proposed, where applicable, to
23	combine several existing statements with related

24 proposed new statements in order to maximize the use

- 1 of the existing related duties.
- 2 There are a few existing "Examples of
- 3 Work" statements proposed to be deleted, as the
- 4 duties are no longer expected to be performed.
- 5 Within the "Minimum Qualifications"
- 6 section, the revisions proposed are intended to
- 7 create a larger, more competitive applicant pool by
- 8 generalizing the education and supervisory
- 9 requirements and to place more emphasis on the
- 10 experience requirement. Such recommendations
- 11 proposed are to remove the specific degree types
- 12 from the bachelor degree requirement, revise a
- 13 qualifying experience to forestry management or
- 14 nursery operation, decrease the number of years
- 15 experiences required from five to three, and
- 16 generalize the required supervisory experience and
- 17 reduce the requirement to two years.
- 18 The existing substitutions are proposed
- 19 to be revised so that a master's degree in forestry,
- 20 urban forestry or a closely related field may be
- 21 substituted for one year of the required
- 22 nonsupervisory experience.
- 23 An arborist certificate or an arborist
- 24 municipal specialist certificate must be obtained by

- 1 the completion of the probationary period.
- 2 There are several new statements proposed
- 3 to be added within the "Knowledge, Skills and
- 4 Abilities" section. And two existing statements
- 5 within the section are proposed to be revised, while
- 6 one statement is proposed to be deleted.
- 7 There are no other proposed revisions at
- 8 this time.
- 9 MR. PRICE: I move to revise the
- 10 specification for the classification City Forester.
- 11 MS. LYNCH: I second the motion.
- 12 PRESIDENT PETTIGREW: All in favor, say
- 13 "aye."
- 14 THE COMMISSION MEMBERS: Aye.
- 15 PRESIDENT PETTIGREW: It is approved.
- 16 Item No. 11 is the request of the Civil
- 17 Service Commission staff to revise the specification
- 18 for the classification Software Engineer.
- MS. LITZY-TAYLOR: Hi, I'm Charday
- 20 Litzy-Taylor, Personnel Analyst with the Commission.
- 21 This request was actually sent over to us
- 22 by the Department of Technology. After discussion
- 23 with the department, it is recommended that the
- 24 "Minimum Qualifications" section be revised to allow

- 1 additional years of experience to substitute for the
- 2 educational requirement on a year-for-year basis.
- 3 This proposed change will give applicants an
- 4 alternative path to qualify, which would broaden the
- 5 candidate pool.
- 6 There is also one grammatical correction
- 7 to a statement within the "Examples of Work"
- 8 section.
- 9 No other changes are proposed to the
- 10 specification at this time.
- 11 MR. PRICE: I move to revise the
- 12 specification for the classification Software
- 13 Engineer.
- MS. LYNCH: I second the motion.
- 15 PRESIDENT PETTIGREW: All in favor, say
- 16 "aye."
- 17 THE COMMISSION MEMBERS: Aye.
- 18 PRESIDENT PETTIGREW: Commissioner Lynch?
- 19 COMMISSIONER LYNCH: Oh, I said "aye." I
- 20 think I did it in unison with Larry.
- 21 PRESIDENT PETTIGREW: All right. It is
- 22 approved.
- 23 Item No. 12 is the request of the Civil
- 24 Service Commission staff to revise the specification

- 1 for the classification Fiscal Manager.
- 2 MS. CHARDAY LITZY-TAYLOR: This review
- 3 was initiated at the request of Recreation and
- 4 Parks.
- 5 Fiscal Manager was last reviewed and
- 6 revised in May 2020. After reviewing the current
- 7 specification, specification history, and
- 8 information provided previously by the Department of
- 9 Development, it is recommended that the "Guidelines
- 10 for Class Use" section be revised to allow the
- 11 department to hire more than one fiscal manager per
- 12 department and/or division.
- 13 Currently, with the exception of the
- 14 Division of Police, only one position may be
- 15 allotted to this classification per department,
- 16 division, and/or agency. However, as departments
- 17 reorganize, consolidate fiscal operations, and
- 18 acquire additional fiscal responsibilities, placing
- 19 limitations on the number of fiscal managers a
- 20 department can hire can be an operational hindrance
- 21 for departments with unique financial
- 22 responsibilities.
- 23 Please note that departments will still
- 24 be required to meet certain budgetary factors in

- 1 order to use this classification. There are no
- 2 other changes proposed at this time.
- 3 MR. PRICE: I move to revise the
- 4 specification for the classification Fiscal Manager.
- 5 MS. LYNCH: I second the motion.
- 6 PRESIDENT PETTIGREW: All in favor, say
- 7 "aye."
- 8 THE COMMISSION MEMBERS: Aye.
- 9 PRESIDENT PETTIGREW: It is approved.
- 10 Item Nos. 13 and 14 will be presented
- 11 together.
- 12 Item No. 13, request of the Civil Service
- 13 Commission staff to revise the specification for the
- 14 classification Power Division Assistant
- 15 Administrator.
- And for Item 14, it's for the
- 17 classification Power Division Administrator.
- MS. LAGEMANN: Hi. This is Carol
- 19 Lagemann, Personnel Analyst from the Civil Service
- 20 Commission.
- 21 The review of these classifications is
- 22 part of our efforts to review all classifications
- 23 every five years.
- 24 Within the Administrator classification,

- 1 revisions to the "Minimum Qualifications" are
- 2 proposed to remove the 20-employee qualifier for
- 3 supervision through subordinate supervisor. The
- 4 current requirement removes from contention many of
- 5 the Division's internal candidate and is
- 6 unnecessary. It is proposed to simply indicate
- 7 "direction of staff through subordinate supervisor"
- 8 as qualifying. Otherwise, an increase in the years
- 9 of experience to six years of managerial experience
- 10 is proposed to better differentiate the
- 11 Administrator level class from the Assistant
- 12 Administrator level.
- 13 Within those classifications, there are a
- 14 large variety of fields that may be job-related, and
- 15 restricting the type of degree to a specific degree
- 16 is deemed unnecessary. Therefore, removing specific
- 17 majors of the "Minimum Qualifications" education and
- 18 substitution are proposed.
- 19 It is recommended that these
- 20 specifications be approved as proposed.
- 21 MR. PRICE: I move to revise the
- 22 specification for the classification Power Division
- 23 Assistant Administrator.
- I also move to revise the specification

- for the classification Power Division Administrator.
- 2 MS. LYNCH: I second the motion.
- 3 PRESIDENT PETTIGREW: All in favor, say
- 4 "aye."
- 5 THE COMMISSION MEMBERS: Aye.
- 6 PRESIDENT PETTIGREW: They are approved.
- 7 Item Nos. 15 and 16 will be presented
- 8 together.
- 9 Item No. 15, request of the Civil Service
- 10 Commission staff to create the specification for the
- 11 classification Utilities Permits Specialist, assign
- 12 a probationary period of 365 days, designate the
- 13 examination type as competitive, and amend Rule XI
- 14 accordingly.
- 15 Item No. 16 is to revise the
- 16 specification for the classification Utilities
- 17 Permits Manager.
- 18 MS. LAGEMANN: Again, Carol Lagemann,
- 19 Personnel Analyst with the Civil Service Commission.
- These two actions arose out of a class
- 21 action request from the Department of Public
- 22 Utilities.
- 23 The only change proposed for the
- 24 Utilities Permits Manager is to move its location in

- 1 the class plan to the Protective Services Family and
- 2 Inspections Group, which is also the proposed
- 3 location for the new classification.
- 4 The newly created classification is
- 5 designed to fill a niche need within the Department
- 6 of Utilities Permit Office for technical and
- 7 specialist work. There is a proposed "Guidelines
- 8 for Class Use" that addresses this will only be used
- 9 within the Utilities Permit Office.
- The proposed title will be Utilities
- 11 Permits Specialist, and it will report to the
- 12 Utilities Permits Manager.
- 13 In the past, employees in the Engineering
- 14 Associate II classification had filled this role.
- 15 But the need for engineering expertise has not been
- 16 evident while under the current leadership.
- 17 Therefore, with no engineers in the chain of
- 18 command, the Engineering Associate II classification
- 19 cannot be used, and the new role for this new
- 20 classification can perform the specialist work for
- 21 the Permits Office.
- This classification will be expected to
- 23 perform work at a more complex level than that
- 24 performed by the majority of the office, which is

- 1 $\,$ mostly work associated with Construction Inspector I
- 2 and Office Assistant I classifications. Incumbents
- 3 of this classification will serve as a leader and/or
- 4 supervisor for the office and be expected to be
- 5 capable of making decisions in emergency situations
- 6 and filling in for the Utilities Permits Manager
- 7 when needed.
- 8 With these leadership capabilities, it is
- 9 proposed to have a 365-day probationary period.
- 10 The "Examples of Work" and KSA section
- 11 were designed to be to illustrative of the types of
- 12 work and the knowledge, skills and abilities needed
- 13 for the job. The minimum qualifications require an
- 14 associate's degree, although we are allowing an
- 15 experience substitution to broaden the applicant
- 16 pool; along with experience in general construction,
- 17 reviewing constructions plans, or in performing
- 18 construction center sewer collection maintenance or
- 19 water distribution maintenance. These are all
- 20 relevant for the lead role in the Permits Office.
- 21 It is further recommended the exam type
- 22 be designated competitive per Commission policy in
- 23 classifications that are practical tests and the
- 24 technician job category be assigned.

- 1 It is therefore recommended that a
- 2 classification Utilities Permits Specialist be
- 3 created as proposed, and Rule XI amended according,
- 4 and that Utilities Permits Manager be revised as
- 5 proposed.
- 6 MR. PRICE: I move to create the
- 7 specification for the classification Utilities
- 8 Permits Specialist, assign a probationary period of
- 9 365 days, designate the examination type as
- 10 competitive, and amend Rule XI accordingly.
- I also move to revise the specification
- 12 for the classification Utilities Permits Manager.
- MS. LYNCH: I second the motion.
- 14 PRESIDENT PETTIGREW: All in favor, say
- 15 "aye."
- 16 THE COMMISSION MEMBERS: Aye.
- 17 PRESIDENT PETTIGREW: They are approved.
- The next item we have for action is Item
- 19 No. 19, and it is approval of the letter concerning
- 20 the appeal of Deputy Chief Kuebler.
- 21 Do you have anything, Director DeLong,
- 22 for the record?
- 23 MS. DeLONG: Sure. Deputy Chief Kuebler
- 24 has sent a request for --

- 1 MR. PRICE: You're muted.
- 2 DIRECTOR DeLONG: I'm not muted. Can you
- 3 not hear me?
- 4 MR. PRICE: I can now.
- 5 MS. DeLONG: Okay. I show that I'm not
- 6 muted, so I was hoping you could.
- 7 Deputy Chief Kuebler has -- did a request
- 8 for review. That was done probably about 2 1/2
- 9 weeks ago. We responded to that request for review.
- 10 And he has the ability to appeal our decision in
- 11 that request for review. As a part of that, he
- 12 submitted this 45-page document basically citing
- 13 five things.
- 14 The first thing was the selection process
- 15 and timing of the hiring of Ms. LaShanna Potts.
- 16 The second thing was that, again, we
- 17 didn't do the selection appropriately and,
- 18 therefore, we should do -- the application process
- 19 should be readministered.
- 20 Three, the Civil Service Rule XX was
- 21 violated because Ms. Potts received special
- 22 treatment.
- 23 Four was that she was the intended
- 24 selectee and, therefore, no one else applied.

18

- 1 And then, five, that she didn't meet the minimum qualifications of the position. 2 3 And, like I said, that was a 45-page document with all of that information. 4 5 I think that the biggest thing that I would like to say is that the Commission's role in a 6 noncompetitive position at that level is kind of 7 really two-fold: One, to make sure that there is 8 9 notice sent out and that notice was making sure 10 that -- you know, post the position; and, two, making sure that we certify that that person met the 11 12 minimum qualifications and send that information 13 back to the department. I would like Tammy to talk about the 14 minimum qualifications, since she's online. Because 15 she actually wrote the minimum qualifications and 16
- So, Tammy, can I get you to come on board with me here?

actually certified that Ms. Potts met those

MS. ROLLINS: Yes, I'm here.

qualifications.

- 22 Right. When we were -- When I was
- 23 writing the minimum qualifications, I mean, the
- 24 intent was to write a broad qualification of a

- 1 managerial nature; but also knowing this
- 2 classification could possibly be used both for a
- 3 civilian position or for a sworn position, writing
- 4 the minimum qualifications where we could get good
- 5 candidates in, whether their experience was within
- 6 the sworn world or within, you know, a private,
- 7 civilian world.
- 8 The minimum qualifications that were
- 9 drafted were based on some of the
- 10 administrator-level jobs that we have here at the
- 11 City. We included a bachelor's degree, seven years
- 12 of managerial experience that included policy
- 13 formulation, adoption of best practices,
- 14 implementation of leadership initiatives and
- 15 direction of a large staff through subordinate
- 16 supervisors.
- 17 This inclusion of some of these critical
- 18 aspects for the managerial experience was based on
- 19 conversations that I had with the Department of
- 20 Public Safety that, you know, was relying on
- 21 managerial experience, "What are some of the key
- 22 components that you're looking for one of your
- 23 managers to have?" and looking at, you know,
- 24 specifically the police division, what are some of

- 1 those critical aspects that we really want to make
- 2 sure candidates coming in to this position will
- 3 possess and have direct experience in these areas.
- 4 So that is where the policy formulation
- 5 and the best practices and the leadership
- 6 initiatives and the supervision component were built
- 7 in.
- 8 The motor vehicle operator's license.
- 9 And then also that some positions,
- 10 especially if they're one that's been identified as
- 11 sworn, that they would have the OPOTA certification
- 12 by completion of the probationary preparation
- 13 period.
- Ms. Potts, during the filing process --
- 15 or during the posting process, she filed an
- 16 application. She supplied us with a bachelor's
- 17 degree, meeting the educational requirement. And we
- 18 have a driver's license from her. Her application
- 19 that she provided clearly indicated that she --
- 20 based on information that she specifically provided
- 21 on the application, that she had seven years and two
- 22 months of experience meeting these -- the
- 23 qualifications, as spelled out on the specification.
- She -- Oh, and the other important thing

- 1 to note in all of this, you know, with this
- 2 classification also, it is also incorporating where
- 3 some of the work could be performed by a civilian,
- 4 is we really wanted the applicant to describe
- 5 specifically the experience that they had in the
- 6 various jobs that they had. And so we weren't
- 7 relying on just title or just rank. It was
- 8 whether -- Within a particular title, within a
- 9 particular rank, tell us the specific work you did
- 10 and how that work met these minimum qualifications.
- 11 And Ms. Potts clearly did that in her
- 12 application. I can -- I mean, I have her
- 13 application. I can call up some of the things that
- 14 she included, if you would like. But it definitely
- 15 hit at all the different levels that we were looking
- 16 for in the qualifications.
- 17 MS. DeLONG: In addition to that -- Thank
- 18 you, Tammy.
- 19 In addition to all of that information on
- 20 the minimum qualifications, the only person who
- 21 wrote the minimum qualifications also reviewed it.
- 22 So I think, more specifically, she knows best, after
- 23 being the person who has talked to the department --
- 24 various departments and writes that level, the

- 1 minimum qualifications across our City at those
- 2 levels of jobs.
- 3 And in addition to that, there was some
- 4 indication that she provided special or secret
- 5 information, which is prohibited under our Rule XX.
- 6 And that special information that she gave her was a
- 7 link to apply for the position, which we do
- 8 regularly when people call us and ask us for that
- 9 information. It's not special or secret. It's on
- 10 our website.
- In addition to that, she told -- she sent
- 12 her an e-mail that asked -- told her if she had any
- 13 questions to also feel free to give her a call,
- 14 which we would do to other applicants who are at
- 15 that level -- or at that level or any level who has
- 16 problems applying for positions.
- 17 We actually have Merrari who does that
- 18 daily, sometimes even helping people put information
- 19 in, especially when English is their second
- 20 language. But that did not happen here.
- 21 But also, she told her that she would
- 22 attach her bachelor's degree to our NEOGOV, which is
- 23 not required. It's beneficial to us to have all of
- 24 that stuff in one place so that we can have it

- 1 additionally. But we keep that in our personnel
- 2 files. So having it was all we needed to have. It
- 3 didn't need to be attached.
- 4 But that was another special treatment
- 5 that they thought that she got that no other
- 6 candidate got. If any other candidate would have
- 7 asked us to assist them in any way like that, if
- 8 they were having problems or they were out of state
- 9 and they can't just drop it off to us, we do that,
- 10 like I said, on a regular basis. They could just --
- 11 So no special or secret activity was being done with
- 12 Tammy assisting her by sending her a link.
- 13 They also thought there was an issue
- 14 with -- Mr. Kuebler thought there was an issue with
- 15 other applicants who did not continue to apply
- 16 because they felt like she was the selected --
- 17 intended selectee. And, again, what we always say
- 18 when we are hiring people at that level in the
- 19 noncompetitive rank, which I did address in the
- 20 letter -- Sorry. I want to find that exact
- 21 language.
- 22 You know, like I said, we go through the
- $23\,$ $\,$ process. Departments ask us to post. We post the
- 24 position. People apply. When we're at that level,

- 1 we're usually only certifying one name. Whereas, if
- 2 it's a competitive classification, we're certifying
- 3 a list of maybe -- sometimes, like in police and
- 4 fire -- hundreds of names. Right? But when we're
- 5 at the noncompetitive, usually they say, "Here is
- 6 the person we want to hire." We certify them if
- 7 they meet the minimum qualifications. And that's
- 8 exactly what we did in our department and what we do
- 9 on a regular basis. Even at the Deputy Chief level,
- 10 they'll send us one name for the Deputy Chief level.
- 11 Which the last two Deputy Chiefs we hired, that's
- 12 exactly what happened. We certified only one name.
- 13 They were concerned that we didn't
- 14 certify all of the names of everybody who qualified.
- 15 And that's just not at this type -- the position is
- 16 not -- number one, that's not required by us and not
- 17 how we have performed past practices here at the
- 18 Civil Service level.
- 19 We also say "The department, as the
- 20 appointing authority, had the discretion to recruit,
- 21 interview, discuss terms and benefits and et cetera
- 22 with specific candidates in hiring potential hires
- 23 at any time during the process. Also, when
- 24 departments are considering candidates from outside

- 1 our geographical area, especially out of state,
- 2 scheduling and processing accommodations are made as
- 3 to minimize travel and expenses associated with the
- 4 selection process."
- 5 There is only one requirement in this
- 6 type of hiring: A public posting that was made and
- 7 the hiree name was certified for appointment before
- 8 the person starts their job. That's all that's
- 9 required.
- 10 So if they want to talk to somebody --
- 11 and, like in this case, Mrs. Potts, prior to all of
- 12 this stuff going on -- and say, "Hey, we need you to
- 13 apply for this position we're going to post next
- 14 week. But we want to know what your time schedule
- 15 is." Especially when we're trying to get her on her
- 16 first day, which was the 25th, last Friday, in the
- 17 academy, that -- I'm sorry. I'm trying to think
- 18 what I'm saying here.
- 19 The OPOTA standards required us to send
- 20 all of her previous work experience, which was 24
- 21 years, if I'm right, of police experience, for them
- 22 to assess her qualifications in terms of how many
- 23 classes that she was going to have to take. And so
- 24 in order for them to even start their process, she

- 1 had to have a medical exam and all of those things
- 2 done. So the department asked us about this
- 3 information in terms of, you know, what could be
- 4 done.
- 5 And we're like, "That's on the
- 6 department. Our job is to have you post the
- 7 position so that it's public, and have us" -- "you
- 8 know, our department to certify her minimum
- 9 qualifications and certify that name back to you."
- 10 And this is not uncommon that when you're
- 11 dealing with someone out-of-state or you're dealing
- 12 with positions at this level, that there are
- 13 discussions with that person prior to all of the
- 14 activities that actually happen here with the City
- in terms of the selection process.
- I hope I answered anything that you
- 17 may -- questions you may have on that.
- 18 PRESIDENT PETTIGREW: Well, the only
- 19 thing that I would add is that this was a
- 20 time-sensitive situation. And also that, for
- 21 reporting on all of the details, you were
- 22 participating -- in anticipation of any possible
- 23 appeal to the Common Pleas Court, that we did not
- 24 want to have anywhere on the record an opening that

- 1 would show some omission in following the processes
- 2 that you've described. So that's the only thing I
- 3 would add to it. So I'm hoping that the
- 4 Commissioners will support approval of that letter.
- 5 If nothing else, then I --
- 6 COMMISSIONER PRICE: Commissioner, if I
- 7 may --
- 8 PRESIDENT PETTIGREW: Yes.
- 9 COMMISSIONER PRICE: -- make just an
- 10 observation.
- 11 Obviously, I've been getting some calls
- 12 about this because it made it to the paper in terms
- 13 of this.
- Obviously, one of the things that they
- 15 said is that -- the community has said that they
- 16 wanted the ability of the new police chief to
- 17 potentially bring in a deputy chief from outside of
- 18 Columbus. I mean, that is the conversation in the
- 19 community.
- 20 So I just wanted to throw that out,
- 21 because that's what's being said.
- 22 And the other piece is -- and you did a
- 23 good job of establishing what the questions were and
- 24 why they're challenging.

23

24

1 I would just add that send me a copy of 2 that. Because some of those same questions are 3 popping up. You know, how did they move so quick? Was she given some kind of special priority in terms 4 5 of her actually being hired? So you've covered most of that, and I'm fine with that, but I would 6 definitely like a copy of that. Because I 7 definitely want to be cognizant of whatever -- I 8 9 want to be cognizant because what is being said in 10 the community is that they wanted a police chief -the next police chief to have the ability to hire 11 someone outside of Columbus Police. So I just 12 wanted to put that on the table. 13 14 Thank you. MS. DeLONG: I just -- The only other 15 thing with all of that -- and I think it's -- I want 16 to make very clear -- is that if we started the 17 process all over today, and we went through posting 18 for the exact five days, waiting until after the 19 20 five days to certify back to them that she met --21 which we were not required to do. We're only

required to certify once she applies. If we follow

the process the way Mr. Kuebler thinks that we

should, the result isn't going to change. It's

- 1 ultimately the decision of our new Police Chief and
- 2 our appointing authority, which would be Director
- 3 Pettus. That's not going to change.
- 4 So to certify all 25 names or all the
- 5 names of everybody who applied, they're still going
- 6 to select the person they believe is going to best
- 7 benefit them in that role, and that is Mrs. Potts --
- 8 or Ms. Potts. That's not -- I don't see -- You
- 9 know, even if the process was changed to the way
- 10 they believe it should have been done, there
- 11 wouldn't be any different outcome.
- MR. PRICE: And if I may, Commissioner.
- 13 Thank you. Because that was my next
- 14 question, was just simply, the bottom line is the
- 15 Safety Director and the Police Chief ultimately
- 16 makes this appointment, so -- at the end of the day.
- 17 So thank you for that. That was going to be my next
- 18 question.
- 19 PRESIDENT PETTIGREW: The other
- 20 consideration here is this wasn't about attempting
- 21 to deal with the Civil Service Commission procedures
- 22 or whatever. It was, first, to reach the news
- 23 media. And the second thing was to attempt to
- 24 impede the process.

- 1 Now, if you have a factual basis or a
- 2 legal basis, that's one thing. But if you'll note,
- 3 neither one of those were present.
- 4 So as I said, at this point, I'm just
- 5 looking for a motion to approve the letter that our
- 6 director has drafted in the response to the appeal
- 7 of Mr. Kuebler.
- 8 MR. PRICE: I move to approve the letter
- 9 that we have drafted to respond to the letter that
- 10 was sent to us.
- 11 MS. LYNCH: I second the motion.
- 12 PRESIDENT PETTIGREW: All in favor, say
- 13 "aye."
- 14 THE COMMISSION MEMBERS: Aye.
- 15 PRESIDENT PETTIGREW: It is approved.
- I guess I --
- MS. RUBECK: Commissioner Pettigrew, you
- 18 skipped the background removals.
- 19 PRESIDENT PETTIGREW: That's what I was
- 20 going to right now.
- 21 The background removals for this month
- 22 are as follows:
- Deon Holder, reinstate;
- 24 Cameron Evans, reinstate;

Elisha Smith, do not reinstate;
Percell Gaskins, Jr., reinstate;
Rita Castro, do not reinstate;
William Allen, do not reinstate;
Niguel Summlin, do not reinstate;
Matthew Bryson, reinstate;
Joseph King, do not reinstate;
William Bethel, do not reinstate;
Matthew Mitchell, reinstate;
Farouk Houssein, reinstate;
Tony Mowery, reinstate;
Melanie Lilly, do not reinstate;
Kyler Durbin, reinstate.
Are there any other items for
conversation?
(No audible response.)
PRESIDENT PETTIGREW: If not, then I
think we have completed the agenda for the June 28,
2021, regular meeting. And we will next meet in
July.
MS. DeLONG: In person.
PRESIDENT PETTIGREW: Yes, in person.
Thank you so much.

1			And,	thereu	pon,	the	meeting	was
