PROCEEDINGS

BE IT REMEMBERED THAT, on the 27th day of

January, 2022, the Municipal Civil Service

- 8 Commission came for a regular meeting, Grady L.
- 9 Pettigrew, President. And, the parties appearing in
- 10 person and/or by counsel, as hereinafter set forth,
- 11 the following proceedings were had:
- 12 - -
- 13 PRESIDENT PETTIGREW: Good morning. I'll
- 14 call to order the City of Columbus, Ohio, Municipal
- 15 Civil Service Commission regular meeting for
- 16 January 2022. We are following the printed agenda.
- 17 The first item is the review and approval
- 18 of the minutes of the November 29, 2021, and
- 19 December 13, 2021, regular meeting.
- 20 MR. PRICE: I move for the approval of
- 21 the minutes from the November 29, 2021, and
- 22 December 13, 2021, regular meeting.
- MS. LYNCH: Second.
- 24 PRESIDENT PETTIGREW: All in favor, say

1	"aye."
2	THE COMMISSION MEMBERS: Aye.
3	PRESIDENT PETTIGREW: They are approved.
4	Next is Item No. 4, request of the Civil
5	Service Commission staff, on behalf of the City of
6	Columbus, to create the specification for the
7	classification HR Data Management Analyst, assign a
8	probationary period of 365 days, and designate the
9	examination type as noncompetitive.
10	MS. LITZY-TAYLOR: Good morning. Charday
11	Litzy-Taylor, Personnel Analyst with the Commission.
12	The school district has determined that the HR
13	section in these classifications is responsible for
14	supporting all phases of HRIS system development and
15	management.
16	The proposed role requires functional and
17	technical knowledge of HR operations, HRIS system
18	parameters and capabilities, time and labor
19	reporting systems, and an understanding of
20	relational databases, which makes it distinct enough
21	to warrant the creation of the new classification.
22	By definition, the proposed HR Data
23	Management Analyst, working under general direction,
24	will be responsible for collaborating with the

- 1 district's human resources leadership, information
- 2 technology, and third-party vendors to support human
- 3 resources information system development,
- 4 management, and functionality.
- 5 The proposed "Examples of Work" and
- 6 "Knowledge, Skills and Abilities" sections were
- 7 developed to include those responsibilities
- 8 identified as important for the classification, as
- 9 well as the knowledge, skills and abilities needed
- 10 for successful performance of those duties.
- 11 Due to the types and levels of duties
- 12 being performed, the minimum qualifications require
- 13 a bachelor's degree and three years of experience in
- 14 a human capital management or human resource
- 15 information systems role using human resource
- 16 information systems.
- Noting the level of education and
- 18 experience required, it is recommended that the
- 19 examination type be designated as noncompetitive.
- 20 This is consistent with other similar
- 21 classifications under the Columbus City Schools
- 22 Class Plan Index.
- 23 It is further recommended that the
- 24 probationary period be defined as 365 days, which is

- 1 consistent with the associated learning time and in
- 2 accordance with the Commission guidelines for
- 3 classifications designated as noncompetitive.
- 4 It is also recommended that the
- 5 classification be assigned to the Administrative
- 6 Professional Job Family within the Human Resources
- 7 Group and be assigned to the "Other Professional
- 8 Staff" EEO job category.
- 9 As proposed, the creation of the
- 10 classification HR Data Management Analyst will
- 11 provide Columbus City Schools with a job
- 12 classification that can support the enhancement of
- 13 the current HR information systems, as well as
- 14 implement new technology and data management
- 15 solutions necessary to meet the goals of the
- 16 district.
- 17 Therefore, it is recommended that the HR
- 18 Data Management Analyst be created as proposed.
- 19 PRESIDENT PETTIGREW: Thank you.
- MR. PRICE: Thank you, Charday.
- I move to create the specification for
- 22 the classification HR Data Management Analyst,
- 23 assign a probation period of 365 days, and designate
- 24 the examination type as noncompetitive.

1	MS. LYNCH: Second.
2	PRESIDENT PETTIGREW: All in favor, say
3	"aye."
4	THE COMMISSION MEMBERS: Aye.
5	PRESIDENT PETTIGREW: It is approved.
6	Item No. 5 is the request of the Civil
7	Service Commission staff to create the specification
8	for the classification Executive Director (Office of
9	the Mayor), and designate it to be part of the
10	unclassified service.
11	MS. ROLLINS: Good morning. This is a
12	request that we received from the Mayor's Office,
13	which was to create a classification that would
14	preside over a division within the Office of the
15	Mayor.
16	Currently, we have three divisions. We
17	have Diversity and Inclusion, CelebrateOne and
18	Education. So we don't have a specific
19	classification to preside over the divisions. So
20	they have used a hodgepodge of unclassified
21	positions that are available to the Mayor's Office,
22	none of which have been a really good fit. So the
23	proposed classification would provide the Mayor's

24 Office a classification that would be over one of

THE CITY OF COLUMBUS

CIVIL SERVICE COMMISSION

- 1 these divisions. The duties that were listed here
- 2 came from the Mayor's Office that basically would be
- 3 those responsibilities that typically somebody over
- 4 a division would be responsible for. We have,
- 5 obviously, Division Administrator classifications
- 6 for all of our other departments that have
- 7 divisions. We just haven't had one specifically in
- 8 the Mayor's Office.
- 9 These positions have all used a working
- 10 title of "Director." And so within the City's
- 11 nomenclature, "Director" implies appointing
- 12 authority, which these positions would not be the
- 13 appointing authority. However, "Executive Director"
- 14 in the City does not have that same significance.
- 15 And they're using this as a working title. So the
- 16 proposed title for the new classification, we're
- 17 suggesting that it be titled "Executive Director,"
- 18 specific to the Mayor's Office, so there is a
- 19 restriction that it can only be used in the Mayor's
- 20 Office. And it is tied to language in the City
- 21 Charter as an executive assistant within the Mayor's
- 22 Office.
- The Guidelines For Class Use, again, kind
- 24 of specify the section of City Charter that this

- 1 classification would be tied to, but also further
- 2 state that this classification would not be an
- 3 appointing authority and that the lone appointing
- 4 authority for the Mayor's Office is the Mayor
- 5 himself.
- 6 PRESIDENT PETTIGREW: How will this
- 7 relate to the Chief of Staff that presently exists
- 8 in the Mayor's Office?
- 9 MS. ROLLINS: So Chief of Staff would --
- 10 I mean, currently, within the Mayor's Office, we
- 11 have 4001, which is the Mayor's Office. And so all
- 12 of the positions within the Mayor's Office would
- 13 remains 4001. But they have parcelled out
- 14 divisions, which are like 4002, 4005. And this is
- 15 the person that would be over, like, the -- this
- 16 would be the Education Director. But it's
- 17 specifically been identified in City Code now as a
- 18 division of the Mayor's Office. It's not a separate
- 19 and apart department.
- 20 PRESIDENT PETTIGREW: Gotcha.
- 21 MR. PRICE: If I may.
- I was aware of the Diversity and
- 23 Inclusion and CelebrateOne and Education. I know
- 24 how all of those were created. So this makes sense.

- 1 Even when I was in the Mayor's Office, we really
- 2 didn't have structure. We were just kind of making
- 3 new departments up. So this is definitely something
- 4 that we needed.
- 5 I move to create the specification for
- 6 the classification Executive Director (Office of the
- 7 Mayor), unclassified, and designate it to be part of
- 8 the unclassified service.
- 9 MS. LYNCH: Second.
- 10 PRESIDENT PETTIGREW: All in favor, say
- 11 "aye."
- 12 THE COMMISSION MEMBERS: Aye.
- 13 PRESIDENT PETTIGREW: It is approved.
- 14 Thank you.
- 15 Item No. 6 is the request of the Civil
- 16 Service Commission staff to create the specification
- 17 for the classification Inspector General
- 18 Investigator, assign a probation period of 365 days,
- 19 designate the examination type as noncompetitive,
- 20 and amend Rule XI accordingly.
- 21 MS. ROLLINS: This is a request that we
- 22 received to create an Inspector General Investigator
- 23 that would be housed within the new Department of
- 24 Inspector General, which operates under the Civilian

- 1 Police Review Board, and will have, as its mission,
- 2 responsibility of investigating allegations of
- 3 misconduct and/or excessive use of force by sworn
- 4 members of the Division of Police.
- 5 City Code recently passed legislation to
- 6 create the department, and authorized strength
- 7 legislation was passed so that this new department
- 8 will have an authorized strength of 10 full-time
- 9 employees. The composition of this department will
- 10 largely consist of the Inspector General, who is
- 11 the -- would be like the department director; the
- 12 investigator. So this is, you know, the people
- 13 actually going out and performing the investigation.
- 14 And then some administrative support staff within
- 15 the department.
- The proposed classification would be
- 17 created to be that investigator within the
- 18 department that would be the one actually performing
- 19 the investigations that are charged to this
- 20 department.
- 21 We have no existing classification in the
- 22 City that does this particular work. I mean, this
- 23 is kind of new to the City.
- 24 For the other classifications, we

- 1 probably have classifications in the administrative
- 2 support that would work fine for them. But we don't
- 3 have anything like the investigator.
- 4 So in writing this specification, other
- 5 civilian police investigator jobs were reviewed from
- 6 other jurisdictions. Additionally, there is a
- 7 national association for civilian oversight of law
- 8 enforcement that had a lot of really good
- 9 information that a lot of the civilian oversight
- 10 boards are members. That was reviewed significantly
- 11 and provided a lot of details for the proposed
- 12 staff.
- 13 Additionally, once a proposed spec was
- 14 drafted, representatives from the City and members
- 15 of the Civilian Police Review Board had the
- 16 opportunity to provide feedback and comment on the
- 17 drafted specifications.
- The "Examples of Work" and "Knowledge,
- 19 Skills and Abilities" largely came from work --
- 20 similar jobs from other jurisdictions. And, of
- 21 course, that NACOLE association had a lot of
- 22 information about core competencies that were
- 23 heavily used.
- The proposed "Minimum Qualifications"

- 1 were largely modeled after similar jobs in Los
- 2 Angeles, California.
- 3 It is recommended that the probationary
- 4 period be 365 days and that the examination type for
- 5 this classification be noncompetitive.
- 6 PRESIDENT PETTIGREW: Thank you.
- 7 MR. PRICE: Thank you, Tammy.
- 8 I move to create the specification for
- 9 the classification Inspector General Investigator,
- 10 assign a probationary period of 365 days, designate
- 11 the examination type as noncompetitive, and amend
- 12 Rule XI accordingly.
- MS. LYNCH: I second the motion.
- 14 PRESIDENT PETTIGREW: All in favor, say
- 15 "aye."
- 16 THE COMMISSION MEMBERS: Aye.
- 17 PRESIDENT PETTIGREW: It is approved.
- 18 Item No. 7 is a request of the Civil
- 19 Service Commission staff to create the specification
- 20 for the classification Equal Employment Opportunity
- 21 Specialist (Public Safety), assign a probationary
- 22 period of 365 days, designate the examination type
- 23 as noncompetitive, and amend Rule XI accordingly.
- MS. ROLLINS: This is a request that we

- 1 received from the Public Safety Department to make
- 2 available to them a classification to perform the
- 3 EEO investigations.
- 4 Recently, it was determined in maybe the
- 5 last couple years that the EEO investigations would
- 6 be performed out of the Director's Office, rather
- 7 than in the Division itself. With that move, the
- 8 number of EEO investigations have risen dramatically
- 9 for the department, and it's been very difficult for
- 10 them to stay on top of all of them. They currently
- 11 have an assistant director who has been doing most
- 12 of these investigations. But it's been, you know,
- 13 really hard for one person or even two people to do
- 14 that.
- We have had on the books an EEO officer
- 16 from years ago that is very much like what they
- 17 wanted. So hearing this new request, we looked back
- 18 historically. And we had on the books an EEO
- 19 Officer (Public Safety) that was a classification
- 20 that was created for the Department of Public
- 21 Safety. It was during a time when they were under a
- 22 court order. And that court order ended, and the
- 23 number of EEO investigations declined, and the
- 24 classification was vacant. It was eventually

- 1 abolished.
- 2 However, we are kind of right back to
- 3 where we were, minus the court order, where we are
- 4 seeing a lot of EEO investigations within the Public
- 5 Safety Department. And having a classification
- 6 dedicated to performing those EEO investigations
- 7 would be extremely helpful to them.
- 8 It is -- From talking to the department,
- 9 you know, right now it's felt that this particular
- 10 job will have a very heavy investigatory focus, just
- 11 because of the number of investigations currently
- 12 within the department. But they are hoping that
- we'll eventually transition to a more proactive
- 14 stance and be more involved on the training side and
- 15 preventing some of the investigations from happening
- 16 in the first place.
- 17 For that reason, you know, it was decided
- 18 to not call this classification an investigator, but
- 19 an Equal Employment Opportunity Specialist where,
- 20 initially, they're going to be doing a lot of
- 21 investigations. But, like I said, eventually it
- 22 will have more of a training focus.
- 23 Must of the specification itself was
- 24 based on the prior classification that we had, with

- 1 some tweaks here and there based on feedback from
- 2 the department and, of course, including a lot more
- 3 of the training which hopefully we transition to
- 4 sooner than later.
- 5 It is recommended that the probationary
- 6 period for the classification be 365 days, and the
- 7 examination type be noncompetitive.
- 8 PRESIDENT PETTIGREW: When you mention
- 9 the issue of training, are you -- is it envisioned
- 10 that the specialist will be providing training in
- 11 the --
- MS. ROLLINS: Division.
- 13 PRESIDENT PETTIGREW: -- Division?
- 14 That won't be creating an issue for the
- 15 people who have filed a complaint or who are
- 16 pursuing some particular issue?
- MS. ROLLINS: Not that I'm aware of. I
- 18 mean, this is -- I mean, right now, you know, it's
- 19 going to be heavily investigatory. But they are
- 20 planning on this person, with their expertise --
- 21 there may be one or two of these -- that their
- 22 expertise will be useful in ensuring training when
- 23 the investigatory piece, you know, starts to
- 24 decline. We're hoping it's nonexistent.

- 1 PRESIDENT PETTIGREW: In your work on 2 this, did you learn, or was it disclosed, that there will be increased training in the academy and in the 3 ongoing, continuing training and education in the 4 5 department on the issues related to equal 6 employment? MS. ROLLINS: We did not talk about it 7 8 tremendously, other than, you know, initially the 9 thought was, for this classification, like the prior 10 classification, when investigations ceased, will 11 this classification also cease. And the thought was 12 that they felt that there was going to be a continual need to have an EEO specialist in the 13 14 department for when there are issues or there are questions or there is particular training, you know, 15 needed; that the expertise of this particular person 16 would be able to provide that. 17 MR. PRICE: If I may? 18
- rik. FRICE. II I may:
- 19 PRESIDENT PETTIGREW: Yes.
- MR. PRICE: To follow up on the question.
- 21 So right now there is a backlog of cases that need
- 22 to be investigated; so, therefore, the priority
- 23 right now in creating this is to investigate.
- 24 Correct?

1 MS. ROLLINS: Yes. 2 MR. PRICE: Once -- The thought or 3 presumption is that, once those cases are investigated, that backlog will decrease, and then 4 5 this person will shift into training. And I want to make sure I'm clear on this question. So once that 6 training starts, not only would those potentially 7 8 going through, the class of recruits, but also those police officers who are presently police officers, 9 10 would that be part of his job? Or, should I say, 11 that's ongoing? MS. ROLLINS: I believe so. I believe 12 13 so. 14 I mean, the focus is that, I mean, that there is -- I mean, I think there is some training 15 being done, but probably not enough training. And 16 as they're working through these cases, especially 17 18 as they're seeing more of these, as more and more employees are comfortable coming forward knowing 19 that these investigations are being performed in the 20 21 Director's Office, they will have a lot more 22 knowledge about where the training is lacking. So they're going to be able to utilize some of the 23

information they're gaining from these

- 1 investigations to know, you know, the training that
- 2 they are currently getting, where -- what is
- 3 missing. And there's going -- and then, you know,
- 4 they will be able to transition to kind of fill
- 5 those holes. And it may be, you know -- I mean, I
- 6 don't know. But I'm just imagining that, I mean, it
- 7 could be, you know, they're contracting out for some
- 8 of this training. But it's like this would be the
- 9 specialist that's kind of overseeing kind of the EEO
- 10 for the department and recognizing where there are
- 11 holes and how to fill those holes. But definitely
- 12 going from, right now, very reactive, to more of a
- 13 proactive place with regards to the EEO.
- MR. PRICE: Mr. Chair, if I may.
- So, again, just for clarity sake, the
- 16 priority will be to deal with the -- to investigate
- 17 the backlog --
- 18 MS. ROLLINS: Yes.
- MR. PRICE: -- and make sure that that
- 20 is, indeed, caught up for those complaints or
- 21 whatever it may be? And then, from there, shifting
- 22 into the training aspect of it?
- MS. ROLLINS: Yes.
- MR. PRICE: Thank you.

1	PRESIDENT PETTIGREW: One of the
2	things and when you're communicating this and our
3	response What we've seen over the years is that
4	equal employment issues have changed. They have
5	included different groups of people who weren't even
6	a part of the court order. They have included
7	different issues as to how people are treated. And
8	one of the things that I would hope is that this
9	would be a person who would be alerting the chain of
10	command as to the issues that are arising, not just
11	what we have seen before, how females were treated.
12	But we now have many other issues. And, certainly,
13	one of the things that I know from the legal
14	profession, are the alerts. "A court in Colorado
15	has done this. You may need to know it." And so I
16	hope that's a part of what they're planning.
17	MR. PRICE: I move to create the
18	specification Thank you, sir.
19	I move to create the specification for
20	the classification Equal Employment Opportunity
21	Specialist (Public Safety), assign a probationary
22	period of 365 days, designate the examination type
23	as noncompetitive, and amend Rule XI accordingly.
24	MS. LYNCH: Second.

1	PRESIDENT PETTIGREW: All in favor, say
2	"aye."
3	THE COMMISSION MEMBERS: Aye.
4	PRESIDENT PETTIGREW: It is approved.
5	Item No. 8 is the request of the Civil
6	Service Commission staff to revise the
7	classification Inspector Supervisor, retitle it to
8	read "Building Inspection Supervisor," and amend
9	Rule XI accordingly.
10	MS. LAGEMANN: Carol Lagemann, Personnel
11	Analyst with the Civil Service Commission.
12	This action arose out of a class request
13	from the Department of Building and Zoning.
14	It is proposed for Inspection Supervisor
15	to be retitled Building Inspection Supervisor and
16	for some clarifying descriptors to be added to the
17	definition to illustrate that this is with regard to
18	inspections that are enforcing Ohio building codes.
19	It is therefore recommended that the
20	classification of Inspection Supervisor be revised
21	and retitled Building Inspection Supervisor, and
22	Rule XI amended accordingly.
23	MR. PRICE: Thank you, Carol.
24	I move to revise the classification

- 1 Inspection Supervisor, retitle it to read "Building Inspection Supervisor," and amend Rule XI 2
- 3 accordingly.
- MS. LYNCH: Second. 4
- 5 PRESIDENT PETTIGREW: All in favor, say
- "aye." 6
- 7 THE COMMISSION MEMBERS: Aye.
- 8 PRESIDENT PETTIGREW: It is approved.
- 9 Thank you.
- 10 We have no residential hearings.
- 11 On the background removals, with the
- consensus of the Commission: 12
- Remel Barbee, reinstate; 13
- 14 Benjamin Cooper, reinstate;
- Quincy Nelms, reinstate; 15
- Paul Saunders III, reinstate; 16
- 17 As to the applicants removed post-exam:
- Bryan Turner, reinstate; 18
- Elijah Wilson, do not reinstate. 19
- The only remaining item on the agenda for 20
- 21 today is the election of the president going
- 22 forward. I have had the honor and privilege of
- 23 serving in that position for 15 years. However, my
- pending retirement will be effective in February, 24

- and we need to select a new president.
- 2 So at this time, I would like to move and
- 3 recommend the appointment of Commissioner Larry
- 4 Price to the Civil Service Commission President
- 5 position, to be effective February 5, 2022.
- 6 Do I have a second?
- 7 MS. LYNCH: Second.
- 8 PRESIDENT PETTIGREW: All in favor, say
- 9 "aye."
- 10 THE COMMISSION MEMBERS: Aye.
- 11 PRESIDENT PETTIGREW: It is approved.
- 12 This is a bit of a joke. In the third
- 13 grade, I lost an election for class president
- 14 because I did not vote for myself. I never did that
- 15 again.
- 16 DIRECTOR DeLONG: Grady, can I have a
- 17 minute before you close, please?
- 18 PRESIDENT PETTIGREW: Absolutely.
- 19 DIRECTOR DeLONG: Thank you.
- 20 Amy DeLong, Director of the Civil Service
- 21 Commission.
- 22 Today is an important day because we want
- 23 to recognize our Commission president, Grady L.
- 24 Pettigrew, on his retirement from the Commission

- 1 after 22 years of exemplary service and leadership.
- 2 Therefore, on behalf of the Mayor, the entire
- 3 Commission staff, and any of the employees of the
- 4 City of Columbus, and myself, we want to take this
- 5 moment to officially recognize you for your service
- 6 and important contribution to the work of the
- 7 Commission over the past 22 years.
- 8 Through your distinguished service and
- 9 leadership overseeing the usual workings of the
- 10 Commission, you have guided its ongoing efforts to
- 11 ensure properly focused, transparent and equitable
- 12 City employment opportunities through many projects
- 13 over the last 22 years.
- 14 Because of these efforts and their
- 15 positive outcomes, the Columbus Civil Service
- 16 Commission continues to be a leader and go-to
- 17 organization for other jurisdictions throughout the
- 18 country regarding our classification and testing
- 19 programs.
- 20 As such, please accept our thanks and
- 21 gratitude for the countless hours you invested over
- 22 the years in the job class reviews, the background
- 23 reviews, the appeals hearings and generally helping
- 24 make this organization the top-tier leader that it

- 1 is. We couldn't have done it without you, Grady.
- 2 And let me tell you, we have all benefited from your
- 3 professional and personal influence that you have
- 4 had on our lives, and we want to wish you the best
- 5 in this next and exciting chapter.
- 6 Thank you.
- 7 PRESIDENT PETTIGREW: Thank you so much.
- 8 MR. PRICE: If I may say a few words.
- 9 I have had the opportunity -- I didn't
- 10 know what I was getting into when the Mayor asked me
- 11 to become part of the Civil Service Commission. I
- 12 wasn't quite sure. But I was pleasantly surprised.
- 13 My history as a former State Rep, a former Special
- 14 Assistant to the Mayor, a former aide to a
- 15 Congressman, I've benefited because I've been in the
- 16 business where I have had to deal with community and
- 17 issues. And I've had to raise issues, even as chair
- 18 of the NAACP, Criminal Justice. And I state it as a
- 19 background to say that I was pleasantly surprised,
- 20 because it's not usual for me to raise questions and
- 21 to challenge. And you were always open.
- I would call you first. And you would
- 23 say, "Price, what do you want to do? You want to
- 24 hold up the background checks? You want to hold up

- 1 the background checks?"
- I would say, "Yeah. I got a question
- 3 about this particular one."
- 4 Your wisdom, your guidance, your
- 5 leadership -- I am humbled to follow you. I hope
- 6 that I can do as good of a job as you have done over
- 7 the last 15 years but, specifically, this last year
- 8 in grooming me. I teasingly tell folks I felt like
- 9 Robin, and he was Batman and I was riding that side
- 10 piece.
- 11 And Commission says, "We're going through
- 12 this door." And I was going through this door.
- 13 Well, unfortunately, now I have to be in
- 14 that seat. But I could not have had a better
- 15 mentor, a better leader, and, most of all, a better
- 16 friend. So I thank you.
- 17 PRESIDENT PETTIGREW: Well, thank you,
- 18 all. I have certainly been very much committed to
- 19 the Civil Service Commission. And I am pleased to
- 20 hear the reports that you've seen that commitment.
- 21 I also know that civil service is used as
- 22 something to compliment under certain circumstances
- 23 and something to criticize when people want to blame
- 24 someone other than themselves. And this team has

- 1 borne that very well. And I know you're looking
- 2 forward to the next challenge and the next
- 3 challenge.
- 4 I'm so pleased with the composition.
- 5 Commission Price has been -- has spent his whole
- 6 life in the community. It happened to be different
- 7 communities, but that gives him awareness and
- 8 contact with issues and people who are going to
- 9 influence what you address going forward.
- 10 And Commissioner Lynch is new, but
- 11 certainly mature in the fact that consensus is
- 12 important, but you've got to do the work. I don't
- 13 care.
- 14 If any of the employees who bring
- 15 discipline matters here don't believe that, that
- 16 you've got to do the work -- but I'm comfortable
- 17 with the fact that this team knows that you've got
- 18 to do the work.
- 19 So it is the next chapter, and I'm
- 20 pleased to have been here. I'm honored to have been
- 21 here. And I appreciate the fact that you have given
- 22 me respect and certainly challenge in that time.
- 23 So thank you. Press on. Stay strong.
- 24 And be blessed.
