WALKSAFE
on Cleveland

Project Information

As part of the Walk Safe on Cleveland initiative for the Cleveland Avenue Corridor, the City of Columbus, in coordination with the Ohio Department of Transportation, is proposing pedestrian improvements at seven intersections along Cleveland Avenue.

Project Locations

Improvements

- Safety improvements at 7 key crossing locations along Cleveland Avenue
- New activated flashing light systems to alert drivers of pedestrians intending to cross the street
- ADA compliant curb ramps
- Bus stop relocations in coordination with COTA

Maintenance of Traffic

- Pedestrian and vehicular traffic will be maintained throughout construction.

Property Impacts

- There will be some permanent property impacts and others where property will be impacted only during construction activities.
- Impacted property owners will be contacted beginning late Summer 2022
