Incident Summary: On May 10, 2022 at approximately 12:47 p.m., Columbus Police Patrol officers were dispatched to intersection of High Street and Broad Street on a report of a gunshot being fired. Upon the officers arrival they were able to locate one (1) shell casing lying in the south bound lanes of High Street just north of Broad Street. There were no victims or witnesses that made themselves known to the responding officers.

After reviewing surveillance videos from the area it appears there was an argument between motorists. Unfortunately the video is not of good enough quality to see if any of the involved individuals fired a gunshot. The victims out of this were later located by investigative detectives. They stated they were driving south on High Street after they finished installing parking signs. They stated the unknown male pulled alongside of them and accused them of cutting him off while driving. An altercation ensued and during that altercation a female who was a passenger in the unknown male's vehicle exited and fired a single gunshot. The victims interviewed did not know if the gunshots were fired at them or into the air/ground.

Anyone with information about this incident is asked to contact Detective Deryl Kowalski of the Columbus Police Felony Assault Unit at 614-645-4189 or Central Ohio Crime Stoppers at 614-461-TIPS(8477).
