

Virtual Public Meeting JUNE 16, 2022 5:30 – 6:30 PM

Welcome & Introductions

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

Hannah Webber, PE Project Manager, City of Columbus, Department of Public Service

Marie Keister, APR, AICP Meeting Facilitator, MurphyEpson

Aaron Grilliot, PE, PTOE Consultant Project Manager, TranSystems

Tanja Kontautaite, PE Project Engineer, TranSystems

Welcome & Introductions

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

Jud Hines, PE Capital Program Manager, City of Columbus, Department of Public Service **Nick Hoffman, AICP** Public Engagement Lead, MurphyEpson

Anthony Dixon

Public Engagement Support, MurphyEpson

Brian Davidson LPA Project Manager ODOT District 6 Amy Turner, Environmental Specialist ODOT District 6 Angela Jacobs, LPA Right of Way Coordinator ODOT District 6 Tammy Boring, Real Estate Administrator ODOT District 6

THE CITY OF COLUMBUS ANDREW J. GINTHER, MAYOR

Meeting Purpose/Agenda

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

- Provide an update on E. Broad St. improvements
- ➤ Walk through the improvements (at 90% Design)
- Provide schedule and funding updates
- Interactive discussion throughout

Discussion Guidelines

- We will walk through several slides
- **>** We will pause for questions and comments throughout
- Raise hands to indicate you have a question or comment (^{III})
- **7** Be brief so we can get to as many people as possible
- Please be respectful and polite

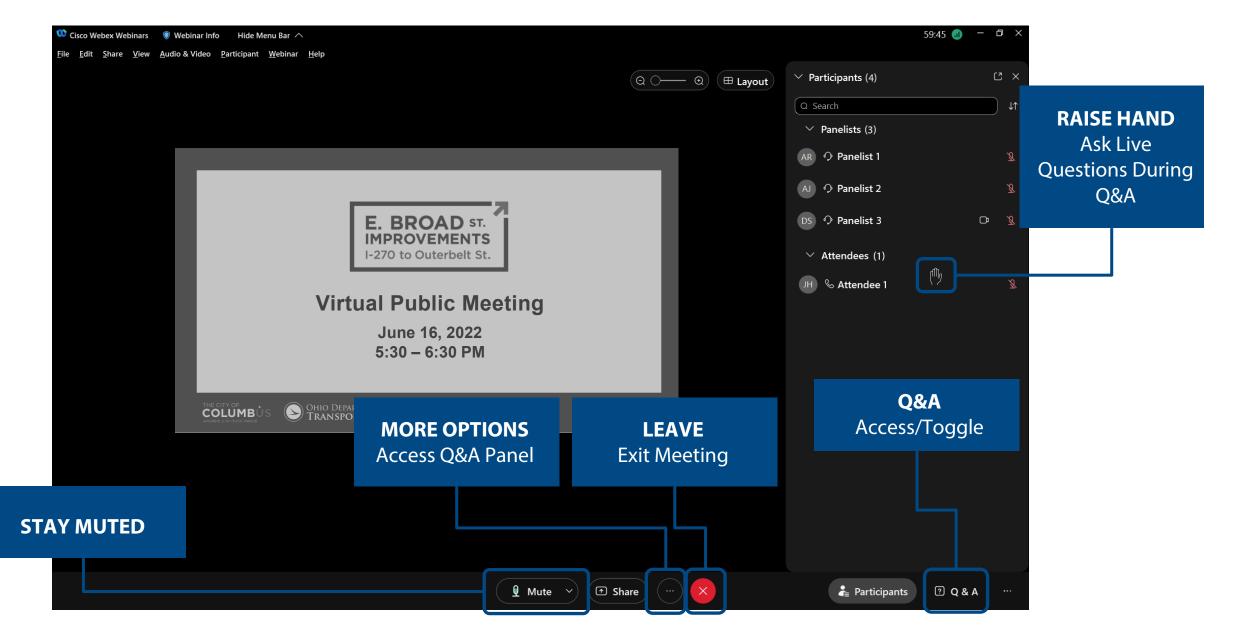

How to Ask & Submit Questions

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

- **Type your question in the Q&A box**
- Use the raise hand command to ask a live question and we will unmute you
- Dial *3 to ask a live question if using a telephone
- Please keep questions/comments brief
- Any questions we can't get to will be addressed in the meeting summary and posted online

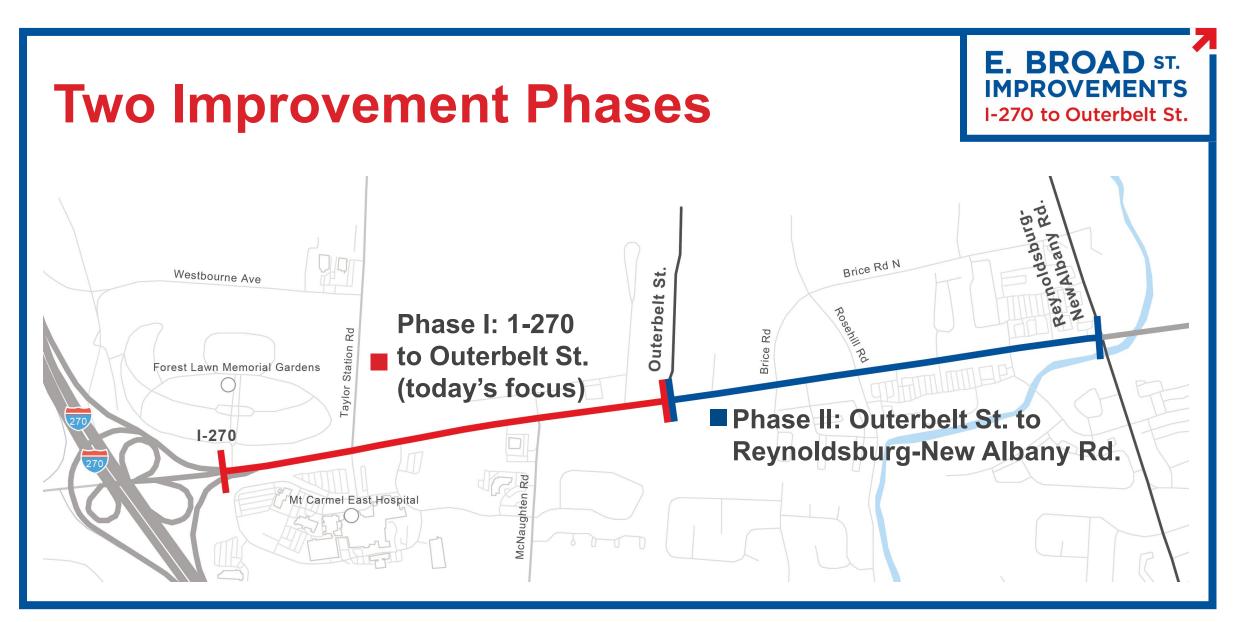

E. BROAD ST. PHASES I & II

Phase II Update

- Public meeting held January 2022
- Currently in preliminary design phase
- Detailed design phase estimated to wrap up in 2026
- Right-of-way (acquisition starts in 2024)
- Utility coordination ongoing
- Construction expected to start mid-2026, subject to funding approval by City Council and weather conditions

I-270 to Outerbelt St.

E. BROAD ST. PHASE | REVIEW

FRA-SR16-8.24, PID: 105734

Project Goals

Improve corridor design and traffic flow

- Why: E. Broad St. corridor is operating at capacity now, which causes back-ups, delays and crashes
- How: Adding new "through" and turn lanes, updating traffic signals, adding medians and implementing corridor-wide drainage improvements will relieve current congestion as well as plan for increased future traffic

Project Goals

Reduce crashes (Vision Zero goal)

- Why: E. Broad St./McNaughten and E. Broad St./Taylor Station Rd. rank #27 and #80, respectively, on the Mid-Ohio Regional Planning Commission's (MORPC) Top 100 High-Crash locations list (2014–2016)
- How: Reducing congestion, improving roadway conditions and adding a new concrete median to reduce conflict points will increase safety

Project Goals

Increase safety, mobility for pedestrians and bicyclists

- Why: There are currently limited places to safely walk or bike, so people avoid it or walk/bike in unsafe conditions
- How: Adding new sidewalks, streetlights, curb ramps, clearly marked crossings with pedestrian signals and a shared use path improves safety for all

PROJECT UPDATE

FRA-SR16-8.24, PID: 105734

Recommended Alternative

Build Alternative

Adds new pedestrian and bicycle facilities, center median, through and turn-lanes

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

Streetscape Features

Shared-use path for walking and bicycling (north side) Concrete sidewalk (south side)

Curb ramps

Streetscape Features

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

Crosswalks

Reconstructed drive aprons

Raised concrete median

Streetscape Features

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

Dry detention basin

New trees

PAUSE FOR QUESTIONS

FRA-SR16-8.24, PID: 105734

Right-of-Way & Utilities

- Temporary and/or permanent right-of-way acquisition will be required to construct proposed improvements
- Overhead and underground utilities may need to be relocated
- Not every property/parcel will be affected
- Representatives from the City of Columbus Real Estate Division will contact affected property owners

Tentative Schedule*

*Subject to funding approval by City Council and weather conditions

E. BROAD ST.

IMPROVEMENTS I-270 to Outerbelt St.

Estimated Phase I Corridor Investments

TOTAL	\$20.7M
Construction	\$16.0M*
Utility relocation	\$400K*
Right-of-way acquisition	\$2.2M*
Design	\$1.7M
Study	\$400K

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

* Includes MORPC funding for right-of-way acquisition, utility relocation, and construction (\$1.32M, \$240k, and \$8.3M, respectively)

E. BROAD ST. IMPROVEMENTS I-270 to Outerbelt St.

NEXT STEPS

FRA-SR16-8.24, PID: 105734

Next Steps

- Post the presentation, roll plot, fact sheet, comment form/link and meeting recording online following the public meeting
- ➤ Comments will be collected through Monday, July 18, 2022
- Respond to public comments
- Begin right-of-way acquisition summer 2022
- Begin utility relocation late 2022
