Incident Summary: On 3/6/2023 between 4:21 PM and 4:39 PM at a condominium building in the 100 block of North High Street a male white suspect, estimated to be 14-20 years of age, with red hair, wearing a green t-shirt, black pants, black Nike shoes, and a chest mounted GoPro camera, gained unauthorized access to the building.

The suspect accessed the rooftop patio where proceeded to push a large speaker off the roof which landed on a patio several floors below. Had someone been struck by the speaker it would have caused serious physical harm. The suspect then fled the building pulling the fire alarm on his way out which required multiple fire apparatuses to be dispatched to the location.

Anyone with information on the identity of the suspect is asked to contact the investigating detective at zrosen@columbuspolice.org or 614-645-1435.
