Incident Summary: On 05/07/2023 at approximately 2:25 a.m. a gray Lincoln Navigator was traveling southbound on Summit Street approaching the E. 13th Avenue intersection. At this same time, a pedestrian (C.B) was crossing Summit Street eastbound on the southside of the same intersection. The Navigator struck the pedestrian who was subsequently transported to the OSU Wexner Medical Center by responding EMS. The Lincoln Navigator continued southbound without stopping but was later located and the driver identified. The involved pedestrian suffered significant injury but was expected to be released from the hospital following treatment.

The Accident Investigation Unit responded to the scene and initiated an investigation which is ongoing.
