Re: After Hours Inspection Scheduling
Date: August 1, 2009

Background: The Department of Building and Zoning Services (BZS) conducts after hours inspections between 5:00 pm and 5:00 am on business days. Inspections performed on non-business days (i.e. holidays and weekends) are also considered after hours.

Memorandum: BZS will make every effort to accommodate after hours inspection requests; however, not all after hours inspections can be scheduled as requested due to available resources. The BZS Inspection Scheduling section is available to verify resource levels before an afterhours request is made. After hours inspection requests must be received by 2:30 pm on the business of or before the day of the requested inspection. Inspection fees paid prior to scheduling will not be refunded under any circumstances.

For additional information, please contact the Inspection Scheduling section at 614-645- 5698 or via e-mail at BZS-InspectionRequests@columbus.gov.
