

SEWER AGREEMENT

This agreement is made and entered into by and between the CITY OF COLUMBUS, OHIO, "City" a municipal corporation, and \_\_\_\_\_, "Owner", \_\_\_\_\_:

WHEREAS, the Owner has made application to the City for permission to construct, at Owner's sole cost and expense, a *private* sanitary sewer line, as defined in Columbus City Code §1141.01.; and,

WHEREAS, Columbus City Code, §1141.01 thru §1141.99 inclusive, authorizes this agreement and establishes the conditions under which *private* sanitary sewers may be constructed;

NOW THEREFORE:

City hereby grants Owner permission to construct a *private* sanitary sewer discharging into the City Sewerage System, in accordance with City Standard Specifications currently in effect for construction of sanitary sewers and in accordance with plans designated as File No. CC-\_\_\_\_\_, dated \_\_\_\_\_. As consideration for the City's grant of permission to construct said sewer, Owner agrees that the sanitary sewer shall be constructed at Owner's sole cost and expense, and Owner further agrees as follows:

- (a) That the design, construction, operation, maintenance, eventual dedication and all other matters arising as a result of the design and construction of said sewer shall be carried out in full accordance with the provisions of Columbus City Code §1141.01 thru §1141.12, which sections are by reference hereby made a part of this agreement to the same extent as if rewritten in their entirety herein.
- (b) That the permission granted herein does not include the right to construct any portion of the sanitary sewer under any part of a public street, alley, right-of-way, easement or other public place or property.
- (c) That the Owner, prior to commencing construction of the sewer, shall deposit with the City, sums of money to pay the cost of work to be done by the City, and to insure submission of cost statement(s) as follows:

- \$ \_\_\_\_\_ for maintenance of temporary surfaces.
- \$ \_\_\_\_\_ for replacing permanent pavement.
- \$ \_\_\_\_\_ for inspection of sewer.
- \$ \_\_\_\_\_ Maintenance Deposit(s)
- \$ \_\_\_\_\_ TOTAL

- (d) That in the event the actual cost of any of the work to be performed by the City exceeds the sum deposited, the Owner shall, upon demand, immediately pay the City the difference between the sums so deposited and the actual cost of the work.

(e) That in the event the cost of the work performed by the City is less than the sum deposited, the City shall refund to the Owner the difference between the sums so deposited and the actual cost of the work.

(f) That the Owner thereof shall deposit with the City "Maintenance Deposit(s) to cover the cost of maintenance/repairs performed by the City maintenance personnel while the sewer remains under private ownership.

(g) That the Owner of a privately constructed sewer shall make no assignment of any or all of the Owner's rights or obligations without the prior written consent of a City official authorized to give such consent.

(h) That the Owner shall save harmless and indemnify the City, and all of its agents, employees, and representatives from and against any and all claims, damages, losses, suits, and actions of whatever nature, including attorney's fees, arising or resulting from the design, installation, construction, reconstruction, operation, maintenance, repair, replacement or removal of the sanitary sewer, or use of the sewer easement therefore. It is not the intent of this paragraph that the Owner save harmless and indemnify for culpable intentional or negligent acts of the City or its agents, employees, or representatives.
