

DETECTOR INSTALLATION LIABILITY RELEASE FORM

I hereby authorize the Columbus Division of Fire to install smoke detector(s) and/or CO detector(s) in the residence listed below. I understand and agree that the Columbus Division of Fire is providing smoke detectors and/or CO detector(s), and installing the detectors as a public service in the interest of encouraging fire and life safety and to help prevent needless injury and/or loss of life and property. I understand that the Columbus Division of Fire does not guarantee nor endorse any brand of smoke detector, CO detector, or brand of battery. I also understand that the Columbus Division of Fire is not a seller, manufacturer or dealer in smoke detectors, CO detectors or batteries and that it makes no warranties with regard to these products.

In exchange for accepting either the free smoke detector(s) and/or CO detector and installation of detector(s), I agree not make any claim or demand or to file any lawsuit against the Columbus Division of Fire, the City of Columbus or any individual employee, officer or individual serving the City of Columbus or the Columbus Division of Fire Smoke Detector Program, for any injuries, deaths, damages, costs or expenses claimed to have resulted from the smoke detector(s), CO detector(s) or battery(ies), from their installation or from the instructions for maintenance and safety given at the time of installation.

I hereby waive any cause of action that I may have now or in the future or that anyone else may have by or through me, arising out of the malfunctioning of the smoke detector(s), CO detector(s), or the battery(ies), whether or not used in accordance with the manufacturer's instructions. I further agree to indemnify and hold harmless the Columbus Division of Fire, the City of Columbus, its officers, agents or employees and its successors and assigned as to any such claim that may be brought by other parties. This release of liability is binding to the signer, and their family, heirs, successors and assigns.

I further understand that for the smoke detector(s), CO detector(s) to be effective, the alarm will need to be checked monthly.
