Attached is a listing of all City of Columbus job titles. To see a description of the job duties and the minimum qualifications, you may use the resources available in our intake area. Also, a complete listing of all titles and descriptions are available on our website at columbus.gov/civilservice—just click on the blue *Job Class Info* link found under the *Employment Center* option.

The pay range rates shown below reflect the lowest and highest hourly pay rates identified under the various City salary agreements currently in effect. These figures should be used **ONLY TO APPROXIMATE** the pay for the classifications shown on the attached Job Class Listing. Exact pay range rates are determined by classification and bargaining unit and should be discussed with a departmental human resources representative should you be interviewed for a position.

To express interest in any of the classifications listed, please visit our website at columbus.gov/civilservice to complete a job interest submission. After completing your online job interest, you will be notified by email whenever the City is giving a Civil Service test or is accepting applications from the general public for one of the positions you may have an interest.
