Consolidated Plan Executive Summary

ES-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The 2015-2019 City of Columbus, Ohio Consolidated Plan is the result of a collaborative process to identify housing and community development needs and to establish goals, priorities, and strategies to address those needs, especially for low and moderate income households. The process serves as the framework for a community-wide dialogue to better focus funding received from HUD formula block grant programs to meet local needs.

The City of Columbus is an entitlement jurisdiction that receives federal funds from HUD to support local community development and affordable housing activities. The federal block grant programs that provide these resources include the Community Development Block Grant (CDBG), the HOME Investment Partnerships Program (HOME), the Emergency Solutions Grant (ESG), and the Housing Opportunities for Persons with AIDS Grant (HOPWA). As a condition of receiving these funds, the City of Columbus is required to submit the 5-Year Consolidated Plan, which outlines the city's housing and community development needs and priorities. The annual action plan, identifying that years plan to allocate the city's HUD funding and address those priority needs, is submitted for each of the program years in the 5-year Consolidated Plan. This 2016 Action Plan is the second year of the five year plan.

Additional information on each of these programs is provided following the summary of the Consolidated Plan's sections. As a second document, the Consolidated Plan is available on the City of Columbus web site.

The Consolidated Plan is organized into four primary sections:

- 1. The Process (PR)**
- 2. Needs Assessment (NA)**
- 3. Housing Market Analysis (MA)**
- 4. Strategic Plan (SP)**

The Process section describes the development of the Consolidated Plan; it discusses how citizens were involved in the process and how the city consulted with public and private service providers and other stakeholders to facilitate the development of the Plan. The section also shares key findings from the citizen survey and stakeholder focus group interviews.

The Needs Assessment provides data, analysis, and other relevant information on the city's needs as they relate to affordable housing, special needs housing, community development, and homelessness. Throughout the Needs Assessment section, special attention is paid to the needs of Low and Moderate Income (LMI) households, racial and ethnic minorities, homeless persons, and non-homeless special needs populations (e.g. persons with HIV/AIDS, disabilities, the elderly, refugees, etc.).

The Housing Market Analysis section provides information and detailed data about the local housing market conditions in the City of Columbus. The Housing Market Analysis is meant to

supplement the information gleaned from the Needs Assessment to facilitate the creation of goals that are better tailored to the local context. In this way, the purpose of the Housing Market Analysis is to ensure that the priority goals developed through the Strategic Plan process will effectively work in the local market.

The final section of the Consolidated Plan is the Strategic Plan. The Strategic Plan section is based on the findings from the Needs Assessment, Housing Market Analysis, stakeholder and resident input, and review of existing local/regional planning documents. The primary purpose of the Strategic Plan is to prioritize the needs identified through the Consolidated Planning process in order to develop associated goals that direct the allocation of federal funds in a manner that maximizes community impact.

The Consolidated Plan process culminated with the development of the city's First Year Annual Action Plan. The findings from the Consolidated Plan were used to determine the types of programs the city would fund in the Action Plan. The Second Year Annual Action Plan provides a summary of the actions, activities, and programs the City of Columbus will implement during the second year (2016) of the Consolidated Plan period to address the priority needs and goals identified by the Strategic Plan. Overall, the Action Plan functions as an annual guide and budget to explain how federal resources will be used to improve conditions for LMI households, racial and ethnic minorities, homeless persons, and other non-homeless special needs populations in the City of Columbus. The Second Year Action Plan can be found on the city website at: <http://columbus.gov/Templates/Detail.aspx?id=544>

The following program summaries provide additional information about the purpose and priorities of each of the federal block grant programs guided by the Consolidated Plan:

CDBG

The Community Development Block Grant (CDBG) program works to ensure decent affordable housing, to provide services to the most vulnerable residents in the community, and to create jobs through the expansion and retention of businesses. CDBG is a tool that local governments can use to tackle serious challenges facing their communities. HUD determines the amount of each grant by using a formula comprised of several measures of community need, including the extent of poverty, population, housing overcrowding, age of housing, and population growth lag in relationship to other metropolitan areas.

HOME

The HOME Investment Partnerships Program (HOME) provides formula grants that communities can use - often in partnership with local nonprofit groups - to fund a wide range of activities including building, buying, and/or rehabilitating affordable housing for rent or homeownership and providing direct rental assistance to low-income people.

The program was designed to reinforce several important values and principles of community development:

- HOME's flexibility empowers people and communities to design and implement strategies tailored to their own needs and priorities.

- HOME's emphasis on consolidated planning expands and strengthens partnerships among all levels of government and the private sector in the development of affordable housing.
- HOME's technical assistance activities and set-aside for qualified community-based nonprofit housing groups builds the capacity of these partners.
- HOME's requirement that participating jurisdictions match 25 cents of every dollar in program funds mobilizes community resources in support of affordable housing.

ESG

The Emergency Solutions Grant (ESG) program provides funding to engage homeless individuals and families living on the street; improve the number and quality of emergency shelters for homeless individuals and families; help operate these shelters; provide essential services to shelter residents; rapidly re-house homeless individuals and families; and prevent families and individuals from becoming homeless.

ESG funds may be used for street outreach, emergency shelter, homelessness prevention, rapid re-housing assistance, and HMIS; as well as administrative activities.

HOPWA

The Housing Opportunities for Persons with AIDS (HOPWA) program is the only Federal program dedicated to the housing needs of people living with HIV/AIDS. Under the HOPWA Program, HUD makes grants to local communities for projects that benefit low-income persons living with HIV/AIDS and their families.

The HOPWA program provides resources and incentives to devise long-term comprehensive strategies for meeting the housing needs of persons with HIV/AIDS and their families. HOPWA funds may be used for a wide range of housing, social services, program planning, and development costs. An essential component in providing housing assistance for this targeted special needs population is the coordination and delivery of support services. Consequently, HOPWA funds also may be used for services including (but not limited to) assessment and case management, chemical dependency treatment, mental health treatment, nutritional services, job training and placement assistance, and assistance with daily living.

HUD's New Consolidated Plan Template:

In May 2012, the U.S. Department of Housing and Urban Development's (HUD) Office of Community Planning and Development (CPD) introduced the eCon Planning Suite, a collection of new online tools to assist grantees in creating market driven, leveraged housing and community development plans. One of these tools, the Consolidated Plan Template, allows grantees to develop and submit their Five Year Consolidated Plans and Annual Action Plans online. The 2015 plan represented the first time the City of Columbus utilized the online template to prepare a Consolidated Plan. The Consolidated Plan document is an exported version of the Consolidated Plan from HUD's Integrated Disbursement and Information System (IDIS). Grantees are required to develop their Consolidated Plan in accordance with the format specified in the Consolidated Plan Template and submit the Plan electronically through IDIS.

Additional sections may be present in the publicly available document to ensure the public has access to the range of information considered in preparing the Consolidated Plan. The contents of this document will be retained in the version submitted to HUD electronically, but formatting is subject to change.

2. Summary of the objectives and outcomes identified in the Plan Needs Assessment

Overview

As noted in the introduction, the primary purpose of the Consolidated Plan is to determine how HUD block grant funds should be spent to best meet the city's most pressing needs. To achieve this goal, the city utilized the following methods to develop a comprehensive account of current housing and community development needs: a resident survey, stakeholder focus groups, and a needs assessment and market analysis based on federal, state, and local data.

Once the comprehensive account of the city's current housing and community development needs was determined, using the above methods, the city proceeded to the Strategic Plan portion of the Consolidated Plan process. The primary purpose of the Strategic Plan is to identify which needs represent the city's highest priorities, so that funding can be allocated to address these needs first. In this way, the Strategic Plan acts as a guide to direct the allocation of HUD funds in a manner that maximizes community impact by prioritizing funding to the city's most pressing housing and community development needs.

The city's priority needs were identified through a Strategic Planning session, which brought together representatives from multiple city departments/divisions (e.g. Development including housing, economic development, code enforcement, land redevelopment and planning; Recreation and Parks; Public Health; and Finance and Management). During this session, all relevant findings from the resident survey, stakeholder focus groups, needs assessment, and market analysis were shared with the group (note: these findings are detailed in the Process, Needs Assessment, and Market Analysis sections of this Consolidated Plan). The findings were the focus of discussion and were used to determine the city's most pressing housing and community development needs. Through this process, the city identified the following priority needs:

1. Affordable Housing Preservation and Development
2. Safe and Sanitary Housing
3. Supportive Service Housing for Special Needs Population
4. Housing Options for Elderly Residents
5. Equal Access to Housing
6. Economic and Community Development
7. Self-sufficiency of Low Income Residents
8. Youth Recreation and Education Opportunities
9. Supportive Housing for Persons with HIV/AIDS
10. Homeless Facilities and Services
11. Public Improvements and Infrastructure

Based on these eleven priority needs, the City of Columbus developed a total of twenty Strategic Plan Goals to track the city's progress towards addressing these needs over the 5-year Consolidated Planning period, 2015-2019. The Strategic Plan Goals were developed with the findings of the Housing Market Analysis in mind, to ensure that they were tailored to work within local market conditions. The goals created through the Strategic Plan process include:

1. Assist low to moderate income owner-occupied homes
2. Preserve and expand affordable housing
3. Ensure safe and sanitary property conditions
4. Provide housing for special needs populations
5. Provide housing assistance to elderly residents
6. Provide homebuyer education and assistance
7. Ensure equal access to housing
8. Housing for groups ineligible for public housing
9. Foster business expansions in areas of need
10. Identify locations for economic reinvestment
11. Foster development of skills for residents in need
12. Provide clean lots for redevelopment/green space
13. Provide educational/recreational youth programs
14. Decrease the incidence of STIs
15. Reduce the infant mortality rate
16. Provide housing access for persons with HIV/AIDS
17. Increase access to housing and emergency shelter
18. Improve access to healthy food
19. Improve pedestrian accessibility
20. Collaborate with CMHA on public housing activities

The goals developed through the Strategic Plan process guide the allocation of HUD funds (i.e. CDBG, HOME, ESG, and HOPWA) and direct the city's actions, activities, and programs, as they relate to housing and community development, over the next five years. These goals will also serve as a management tool to help the City of Columbus track and monitor performance throughout the term of the Consolidated Plan.

The findings from the Consolidated Plan (Public Input, Needs Assessment, Market Analysis, and Strategic Plan) were then used by the city to develop the First Year Annual Action Plan, which outlines the actions, activities, and programs the city implemented in 2015 to address the city's priority needs and Strategic Plan goals. Following the close of the first program year, the City of Columbus will create an updated Annual Action Plan for each subsequent year (i.e. years 2, 3, 4, and 5) that builds on the outcomes and achievements to date. In this way, each Annual Action Plan allows the city the opportunity to assess progress made towards meeting priority housing and community development needs, and to realign strategies to address priority needs that have yet to be met. For a full set of Year 2 programs and activities, see the Second Year Action Plan at <http://columbus.gov/Templates/Detail.aspx?id=544>.

3. Evaluation of past performance

The Consolidated Annual Performance Evaluation Report (CAPER) for the last four years of available data show the city has been successful in achieving the Strategic Plan Goals that were established in the 2010-2014 Consolidated Plan. Programs using CPD funding have exceeded the established goals in all priority areas.

Efforts to increase the number of low- moderate-income homeowners have been successful with programs that provide homeowner rehabilitation and repair, downpayment assistance to first time homebuyers, financing to developers to complete and sell affordable housing to income eligible homebuyers and tax incentives for housing development within designated Neighborhood Investment Districts. The use of HOME funds, as gap financing to developers for the production and rehabilitation of rental apartments for very-low, low and moderate income households, has achieved established goals. Results from the last four years of activities to assist the homeless, which include both assisting families and individuals in maintaining or obtaining permanent housing through a homeless prevention and rapid rehousing system and provision of emergency shelter have been successful; as have housing and supportive services to persons with AIDs.

Efforts to strengthen neighborhoods, assist citizens, and improve the physical environment through programs that fund community organizations and planning, health care services, code enforcement, the elimination of debris and trash, recreational activities for children and youth and after school tutoring have been largely successful. Though achievement was made, established goals were not met in the area of code enforcement and environmental nuisance.

Successful economic development activities included: fostering business expansions or relocations; a program that provides exterior commercial design services for businesses in targeted Low and Moderate Income areas (LMI); the achievement of established job creation goals for LMI individuals; and the provision of technical assistance to small businesses, resulting in new jobs. The goal to acquire and sell commercial property for redevelopment was not met during this period in large part because the primary emphasis of the land bank during the last 6 years has been the acquisition of vacant and abandoned residential properties.

Due to this success, going forward the CDBG, HOME, ESG, and HOPWA funds will, for the most part, continue to support the same programs as in 2015. Priority Needs established in the 2015-2019 Consolidated Plan Strategic Plan show that even more attention must be given to areas such as Affordable Housing Preservation and Development, Safe and Sanitary Housing, and Supportive Services for Special Needs Populations. To this end, the city will use available Neighborhood Stabilization Program income to address vacant properties in the city; city bond funds will be used for homeowner repairs and city capital funds will be provided for vacant property redevelopment activities including rental rehabilitation, rental development, and homeownership development.

4. Summary of citizen participation process and consultation process

Public participation is an essential part of the consolidated planning process because it helps ensure that decisions are made with careful attention to community needs and preferences. Moreover, the input of stakeholder and community members generates additional public awareness about the consolidated planning process. Involvement allows more perspectives to

be featured during the decision-making process, which gives the City of Columbus more information to consider in the development of the Consolidated Plan's priorities and goals. Receiving input and buy-in from planning officials, stakeholders, and residents of the City of Columbus plays a significant role in helping the plan take shape.

For the 2016 Action Plan, a 30 day public comment period began on October 3, 2015 and ran through November 1, 2015. A public hearing was held by the City Council on October 27, 2015. At this hearing the 2016 proposed Action Plan was reviewed and public comments received.

5. Summary of public comments – The city received no public comments on the 2016 Action Plan, either during the public hearing, on-line, or in written form.

PR-05 – Lead and Responsible Agencies - 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
Lead Agency	COLUMBUS	
CDBG Administrator	Columbus	Department of Finance and Management
HOPWA Administrator	Columbus	Columbus Public Health
HOME Administrator	Columbus	Department of Development
ESG Administrator	Columbus	Department of Development

Narrative

The Columbus Department of Development is the lead agency for the development of the Consolidated Plan. The Department of Development administers the city's housing, neighborhood revitalization, economic development, and homeless and human services programs. The primary function of the department includes planning and policy-making, program administration, management of grants and loans, and monitoring and inspection.

The Department of Development, in coordination with the Department of Finance and Management, administers the Community Development Block Grant (CDBG), HOME Investment Partnership, and Emergency Solutions Grant (ESG) programs, as well as investment partnerships and several smaller programs. Columbus Public Health (CPH) administers the Housing Opportunities for Persons with AIDS (HOPWA) program. In addition to these city departments, Columbus Recreation and Parks are also involved in community development efforts.

AP-10 – Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Columbus is committed to addressing the community's priority needs in the most efficient and effective way possible. In order to do this, the Department of Development, as the lead agency in the development of the Consolidated Plan, coordinates with other city departments, Columbus Metropolitan Housing Authority (CMHA), Community Shelter Board (CSB, the lead Continuum of Care agency), and other key stakeholders and organizations in central Ohio. By partnering with many different departments, agencies, and organizations the Department of Development is able to utilize the collective knowledge of local subject matter experts to help develop strategies and goals to solve the city's priority needs.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City of Columbus has enhanced coordination with public and assisted housing providers and private and governmental health, mental health, and service agencies in the following ways:

- The Columbus Area Affordable Housing Task Force consists of federal, state, and local government organizations, housing funders, Columbus Metropolitan Housing Authority, housing and homeless service providers, and community representatives. The task force meets bi-monthly to monitor and address issues regarding expiring HUD Section 8 contracts in Franklin County and to discuss current and future affordable housing projects.
- The Columbus and Franklin County Housing Advisory Board (HAB) is the official board that reviews and approves affordable housing projects applying for county bond financing. In addition, the HAB reviews and comments on proposed city housing bonds as required by the Ohio Revised Code. The city's Housing Bond strategy has been presented to the HAB.
- The City of Columbus is a member of The Community Development (CD) Collaborative of Greater Columbus, which is a non-profit organization that pools resources to provide operating grants and technical assistance to build the capacity of community based non-profit housing developers. The CD Collaborative Board is comprised of various lending institutions, the United Way of Central Ohio, Columbus Foundation, Enterprise Community Partners, the City of Columbus and Franklin County. Staff for the Collaborative is provided through a contractual relationship with the Affordable Housing Trust for Columbus and Franklin County. Currently five nonprofit community development corporations are funded by the Collaborative.

The Greater Columbus Infant Mortality Task Force developed a community plan in 2014 to reduce infant mortality by 40 percent and cut the racial disparity gap in half. Key stakeholders in implementing the plan include the Franklin County Community Health Coordination Infant Mortality Committee, home health care providers, educators, social service agencies, black faith leaders, neighborhood leaders from high-risk areas, expectant and new mothers, Columbus Public Health, and the Columbus Housing Division. Recommended housing-related actions include adopting smoke-free policies in multi-unit housing facilities and other housing

settings for high-risk women and families; targeting activities in shelters and low-income housing in high-risk neighborhoods, and expanding to other settings.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The city has representatives on the Continuum of Care (CoC) for Columbus and Franklin County. The local CoC is known as the Rebuilding Lives Funder Collaborative (RLFC) which is staffed by the Community Shelter Board (CSB). Funding, monitoring and system changes are discussed and determined by the RLFC (CoC). The city provides local general fund and Capital Improvement Bond funds, in addition to federal ESG and HOME dollars, to CSB as an intermediary agency to fund local nonprofit providers working to prevent homelessness and providing emergency shelter. Efforts also include and encourage initiatives of rapid re-housing and stabilization for individuals and families experiencing homelessness. Additionally, funds can also be used to support the community's Homeless Management Information System to guarantee that the community's plan to end homelessness is based on the most applicable and current homeless data available.

The city also provides local Capital Improvement Bond funds and federal HOME funds to assist in the development of permanent supportive housing for chronically homeless individuals and families.

CSB, along with its partner agencies, is designing and implementing a transformational new system designed to move single adults more quickly into stable housing, stop repeat homelessness, and add more capacity when overflow demands are high to make sure everyone who needs shelter is able to get it. There are three key components: First, a new emergency shelter will address the growing numbers of men, women and families who are experiencing homelessness so no one has to sleep on the streets in Columbus. Second, case managers called Navigators will link with a person when they enter the homeless system and work with them throughout their stay. Third, relationships with key partner agencies will be strengthened and enhanced.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

In Columbus and Franklin County the Continuum of Care (CoC) role and responsibilities is fulfilled by a committee called the Rebuilding Lives Funder Collaborative (RLFC). The RLFC provides stewardship for all the strategies developed under the Rebuilding Lives (RL) Plan; provides funding for the capital, services and operations of supportive housing in Columbus and Franklin County; coordinates activities for the new plan; promotes collaboration to achieve goals and strategies; and secures resources for programs and projects. The City of Columbus has ongoing membership, representation and participation in the RLFC.

RLFC (CoC) Planning:

- Receive community and public policy updates relevant to homelessness issues
- Receive updates on the Rebuilding Lives Plan, the local plan to end homelessness

- Plan and conduct a sheltered and unsheltered point-in-time count of homeless persons (delegated to CSB)
- Conduct an annual gaps analysis of the homeless needs and services (delegated to CSB)
- Provide required information to complete the local Consolidated Plan(s) (delegated to CSB)
- Review and act on the annual funding allocations, inclusive of ESG and CoC funds, and establish funding priorities
- Review and act on the HUD CoC Application including all relevant charts and tables
- Review and act on any programs that should be removed from HUD funding and any proposed funding reallocations
- Review and make final determination on provider appeals
- Review and act annually on the proposed new supportive housing bonus project
- Designate a Collaborative Applicant

HMIS Operations:

- Designate a single HMIS for the CoC
- Designate an HMIS Lead
- Ensure consistent participation in HMIS (delegated to CSB)
- Ensure the HMIS compliance with HUD requirements (delegated to CSB)

Review and approve the HMIS policies and procedures, privacy plan, security plan and data quality plan (delegated to CSB).

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities.

Identify any Agency Types not consulted and provide rationale for not consulting

Efforts were made to consult with as broad of a range of agencies as possible; no agency types were specifically excluded from the consultation process.

AP-12 – Participation – 91.105, 91.200(c)

Please see the Executive Summary, comment number 4: Summary of citizen participation process and consultation process.

Annual Action Plan, Program Year 2

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City of Columbus receives annual entitlement funding from the Community Development Block Grant (CDBG), HOME, Emergency Solutions Grant (ESG), and HOPWA Grant. The CDBG budget is a combination of this entitlement amount, program income, anticipated prior year carryover funds and encumbrance cancellations. The CDBG program income is received from housing loan repayments, economic development loan repayments (including loan repayments from the city's economic development sub recipients), as well as the revenue from several CDBG-funded city programs. These resources are expected to be available to fund city projects that address the priority needs and objectives identified in the Strategic Plan.

The HOME program budget combines the entitlement award with the program income amounts received from housing loan repayments.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 2				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	6,501,384	1,344,982	1,463,978	9,310,344	23,539,098	CDBG funds are used to benefit low and moderate income families and to eliminate blighted conditions.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 2				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	3,190,542	300,000	0	3,490,542	10,471,626	HOME funds are used primarily to increase homeownership opportunities and the preservation and production of affordable rental housing. A required 15% will fund Community Housing Development Organizations (CHDOs), while an optional 5% will provide operating support for CHDO's.
HOPWA	public - federal	Permanent housing in facilities Permanent housing placement Short term or transitional housing facilities STRMU Supportive services TBRA	859,524	0	0	859,524	2,578,572	The HOPWA grant is used to address the housing needs of low-income persons infected with HIV/AIDS and their families.

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 2				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
ESG	public - federal	Conversion and rehab for transitional housing Financial Assistance Overnight shelter Rapid re-housing (rental assistance) Rental Assistance Services Transitional housing	580,931	0	0	580,931	1,742,793	ESG funds are used for street outreach, emergency shelter, HMIS, Homeless Prevention and Rapid Re-Housing

Table 1 – Expected Resources Priority Table

Expected Resources

Revolving Loan Fund Program Income

The city has four economic development subrecipient contracts, with each agency having a CDBG funded revolving loan fund (RLF). These funds are economic development loan repayments that are collected and retained by the agency and are then reused for new CDBG eligible loans. The city does receipt the subrecipient's RLF program income into HUD's Integrated Disbursement and Information System and these funds are reported in the annual report to HUD. For 2016, the city anticipates that these four RLFs will receive \$724,982 of program income; these funds are included in the CDBG Table 1 – Expected Resources Priority Table under the column: Program Income. These dollars are not included in the 2016 AP-35 Project totals.

Budget Contingency Provisions

Anticipated resources to support the 2016 Consolidated Plan activities include the following: entitlement award allocations from HUD; program income funds in the form of housing loan repayments, economic development loan repayments and miscellaneous program income; carryover of unused prior year funds; and reserve funds held for contingencies.

The 2016 Annual Action Plan, subject to citizen participation review and comments, contains revenue estimates based upon historical trends and current economic considerations. In accordance with HUD guidance for 2016, the final document must be revised and submitted to HUD after actual 2016 award allocations are released. Each year, the city's actual HUD entitlement awards are often not known until well into the following year. This contingency

provision for the four entitlement grant budgets allows the city to finalize HUD's grant application requirements in a timely manner.

For the CDBG program, the City of Columbus anticipates program income, carryover funds, and funds held in reserve will be sufficient to offset any shortfall in the difference between the estimated entitlement award and the actual allocation, such that specific CDBG project budgets will not be affected. In the extreme scenario where program income, carryover funds, and reserve funds are insufficient to absorb an entitlement award reduction, proportional reductions will be made across the board to activity budgets. Should entitlement awards be 20% higher than estimated, the city will revise the budget and go through citizen participation requirements as found in the 2015-2019 Citizen Participation Plan. The city will also be transferring revolving loan funds, as needed, in order to provide adequate funding of 2016 CDBG programs.

For HOME, HOPWA and ESG programs, activity budgets will be revised proportionately to reflect the actual entitlement awards.

At any time during the year, the city can always revise these budgets, as needed, through a budget process that conforms to the citizen participation process.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The creation and maintenance of affordable housing requires the use of both government and private financing and the encouragement of cooperation between the private non-profit, for-profit and the public sector. To the greatest extent practicable, available federal, state and local public and private sector resources are leveraged to generate the maximum benefit from housing activities.

In 2015, the city issued \$5.1 million in city bond funds for housing activities. For 2016, the city has issued \$2 million in city bond funds for housing preservation activities and \$500,000 for the Home Again housing program. In 2015, the city was awarded 3.9 million in Lead Hazard Reduction Demonstration Program funds. With this grant the Department of Development is partnering with Columbus Public Health by including Healthy Homes work in addition to the lead abatement activities.

CDBG funds are often utilized to provide assistance for business growth and development. There are many allowable uses of the funds including payroll assistance, working capital, purchase of equipment and machinery and renovation of an existing business. Federal funds, provided through a loan or grant, are used to leverage other financial sources and fully fund the project. This additional funding may be provided by the business owner or other public and private partners that may include other city funding sources, Franklin County, the State of Ohio or other financial institutions.

In 2015 Housing Opportunities for Persons with AIDs (HOPWA) Project Sponsors leveraged more than \$3.0 million from numerous resources. This included dollars from FEMA, United Way, Ryan White Parts A, B, and C, and other grants. All medical case management services are leveraged to ensure all clients are able to access medical care and other supportive services.

Each year, the city is required to provide a 25% match for all HOME grant expenditures. Any excess match can be carried over to the next federal fiscal year. Annually, the city generates

match contributions from a variety of sources including HOME match generated from multiple Affordable Housing Trust funded projects. At the end the federal fiscal year 2014, the city had an excess HOME match balance of \$53,990,672 that will carry over for use in future years. The HOME match is documented each year in the City of Columbus annual performance evaluation report (CAPER).

The Emergency Solutions Grant program requires a 100% match from the City of Columbus. In 2016, the city will use \$350,000 in capital funds to assist in funding repairs to emergency shelters in the city and anticipates using \$2,872,304 of general fund “safety net” monies to assist emergency shelters.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Columbus maintains a land bank which acquires parcels and structures through tax foreclosure and Neighborhood Stabilization Program (NSP) funded acquisitions. The land bank has also received demolition funds through NSP, the Ohio Attorney General and the Hardest Hit funds. These cleared sites can then be put to more productive use through low cost acquisition and redevelopment.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives

Goals Summary Information

Sort Order	Goal Name	Start and End Year	Category	Needs Addressed	Goal Outcome Indicator
1	Assist low to moderate income owner-occupied homes	2016	Affordable Housing	Affordable Housing Preservation and Development	Homeowner Housing Rehabilitated: 700 Household Housing Units
2	Preserve and expand affordable housing	2016	Affordable Housing	Affordable Housing Preservation and Development Housing Options for Elderly Residents	Rental units constructed: 127 Household Housing Units Rental units rehabilitated: 202 Household Housing Units Homeowner Housing Added: 19 Household Housing Units Homeowner Housing Rehabilitated: 705 Household Housing Units Direct Financial Assistance to Homebuyers: 55 Households Assisted
3	Ensure safe and sanitary property conditions	2016	Non-Housing Community Development	Safe and Sanitary Housing	Rental units constructed: 127 Household Housing Units Rental units rehabilitated: 202 Household Housing Units Homeowner Housing Added: 19 Household Housing Units Homeowner Housing Rehabilitated: 705 Household Housing Units Direct Financial Assistance to Homebuyers: 55 Households Assisted Housing Code Enforcement/Foreclosed Property Care: 3320 Household Housing Units

Sort Order	Goal Name	Start and End Year	Category	Needs Addressed	Goal Outcome Indicator
4	Provide housing for special needs populations	2016	Affordable Housing Non-Homeless Special Needs	Supportive Service Housing for Special Needs Housing Options for Elderly Residents Supportive Housing for Persons with HIV/AIDS Homeless Facilities and Services	Tenant-based rental assistance / Rapid Rehousing: 274 Households Assisted Homelessness Prevention: 20 Persons Assisted Housing for Homeless added: 100 Household Housing Unit
5	Provide housing assistance to elderly residents	2016	Affordable Housing Non-Homeless Special Needs	Housing Options for Elderly Residents	Rental units constructed: 90 Household Housing Unit Homeowner Housing Rehabilitated: 300 Household Housing Unit
6	Provide homebuyer education and assistance	2016	Affordable Housing	Affordable Housing Preservation and Development	Public service activities other than Low/Moderate Income Housing Benefit: 500 Persons Assisted
7	Ensure equal access to housing	2016	Affordable Housing Public Housing Fair Housing	Equal Access to Housing	Public service activities other than Low/Moderate Income Housing Benefit: 500 Persons Assisted
8	Housing for groups ineligible for public housing	2016	Affordable Housing Non-Homeless Special Needs	Affordable Housing Preservation and Development	No funding provided for this goal in 2016

Sort Order	Goal Name	Start and End Year	Category	Needs Addressed	Goal Outcome Indicator
9	Foster business expansions in areas of need	2016	Non-Housing Community Development	Economic and Community Development Self-sufficiency of Low Income Residents	Facade treatment/business building rehabilitation: 11 Business Jobs created/retained: 13 Jobs Businesses assisted: 15 Businesses Assisted
10	Identify locations for economic reinvestment	2016	Non-Housing Community Development	Economic and Community Development	Businesses assisted: 22 Businesses Assisted
11	Foster development of skills for residents in need	2016	Non-Housing Community Development	Self-sufficiency of Low Income Residents	No funding provided for this goal in 2016
12	Provide clean lots for redevelopment/green space	2016	Non-Housing Community Development	Self-sufficiency of Low Income Residents	Other: Land Reutilization staffing
13	Provide educational/recreational youth programs	2016	Non-Housing Community Development	Youth Recreation and Education Opportunities	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit: 300 Persons Assisted Public service activities other than Low/Moderate Income Housing Benefit: 440 Persons Assisted
14	Decrease the incidence of STIs	2016	Non-Homeless Special Needs Public Health	Economic and Community Development	Public service activities other than Low/Moderate Income Housing Benefit: 1300 Persons Assisted
15	Reduce the infant mortality rate	2016	Non-Homeless Special Needs Public Health	Economic and Community Development	Public service activities other than Low/Moderate Income Housing Benefit: 80 Persons Assisted Public service activities for Low/Moderate Income Housing Benefit: 50 Households Assisted

Sort Order	Goal Name	Start and End Year	Category	Needs Addressed	Goal Outcome Indicator
16	Provide housing access for persons with HIV/AIDS	2016	Affordable Housing Non-Homeless Special Needs	Supportive Housing for Persons with HIV/AIDS	Tenant-based rental assistance / Rapid Rehousing: 99 Households Assisted Homelessness Prevention: 20 Persons Assisted HIV/AIDS Housing Operations: 119 Household Housing Unit
17	Increase access to housing and emergency shelter	2016	Affordable Housing Homeless	Homeless Facilities and Services	Overnight/Emergency Shelter/Transitional Housing Beds added: 4000 Beds Rapid Rehousing: 2000
18	Improve access to healthy food	2016	Non-Housing Community Development	Economic and Community Development	No funding provided for this goal in 2016
19	Improve pedestrian accessibility	2016	Non-Housing Community Development	Public Improvement and Infrastructure	No funding provided for this goal in 2016
20	Collaborate with CMHA on public housing activities	2016	Public Housing	Affordable Housing Preservation and Development	No funding provided for this goal in 2016

Table 2 – Consolidated Plan Goals Summary

Goal Descriptions

1	Goal Name	Assist low to moderate income owner-occupied homes
	Goal Description	Funds will be used to allow low and moderate income owner-occupied households to remain in their homes in a safe and sound environment.
2	Goal Name	Preserve and expand affordable housing
	Goal Description	Funds will be used for programs and activities that are dedicated to the preservation and expansion of healthy and affordable housing.
3	Goal Name	Ensure safe and sanitary property conditions
	Goal Description	Funds will be used to clean up blighted structures and properties to ensure that vacant, abandoned, or neglected properties do not pose health, safety, or financial threats to residents and communities.
4	Goal Name	Provide housing for special needs populations
	Goal Description	Funds will be used to provide housing with supportive services that meet the needs of special needs populations. Special Needs populations, such as persons with mental, physical and/developmental disabilities, veterans, persons addicted to alcohol or other drugs, and persons released from prison often have housing and supportive service needs that are unique to their circumstance. Connecting these individuals to the appropriate supportive services often increases the likelihood that they will remain in safe and stable housing.
5	Goal Name	Provide housing assistance to the elderly residents
	Goal Description	Funding will be used for programs that provide housing assistance to elderly, such as minor home repairs, modifications that enable accessibility, and other activities that provide the elderly safe and suitable living conditions, more housing options, and the opportunity to age in place.
6	Goal Name	Provide homebuyer education and assistance
	Goal Description	Funds will be used on programs and activities that equip homebuyers with skills and knowledge for successful homeownership.

7	Goal Name	Ensure equal access to housing
	Goal Description	Funds will be used for programs that work to ensure that all residents have equal opportunities to access safe, sanitary, and affordable housing and that no population should experience disproportionately greater needs for, or barriers to, housing. Funds will be used to support and further fair housing laws and standards.
8	Goal Name	Housing for groups ineligible for public housing
	Goal Description	The purpose of this goal is to increase housing options for groups ineligible for public housing. Certain populations, such as undocumented immigrants, persons released from jail/prison, and registered sex offenders may not be eligible for public housing and may experience additional barriers to securing affordable housing.
9	Goal Name	Foster business expansions in areas of need
	Goal Description	Funds will be used to provide support to ongoing efforts to revitalize business districts in neighborhoods of economic need. The revitalization of business districts grows the local economy, increases tax revenues, and can provide employment opportunities for residents living in low to moderate income areas.
10	Goal Name	Identify locations for economic reinvestment
	Goal Description	Funds will be used to identify low to moderate income neighborhoods that lack access to places of employment, grocery stores, and other necessary business services. Funds support the revitalization of business districts in these neighborhoods to provide essential business services to these areas.
11	Goal Name	Foster development of skills for residents in need
	Goal Description	Funds will be used for programs that foster workforce development opportunities that close the skills gap for low to moderate income residents. This includes programs that have a long-range goal of helping low and moderate income families begin to move out of poverty.
12	Goal Name	Provide clean lots for redevelopment/green space
	Goal Description	The City of Columbus is dedicated to ensuring that its communities provide residents a high quality of life. Funds will be used for city programs that are designed to restore city-owned vacant land and properties to productive use to ensure that they do not negatively affect the communities in which they are found.

13	Goal Name	Provide educational/recreational youth programs
	Goal Description	The purpose of this goal is to provide educational and recreational opportunities to youth through after-school and summer activities and other programs.
14	Goal Name	Decrease the incidence of STIs
	Goal Description	The purpose of this goal is to support programs that decrease the incidence of STI's by increasing the health management skills of the most vulnerable populations through a continuum of sexual health education, diagnostic and treatment services targeting low income uninsured/underinsured persons and households.
15	Goal Name	Reduce the infant mortality rate
	Goal Description	The purpose of this goal is support of programs and activities that reduce the infant mortality rate and improve birth outcomes, preventing low birth weight and premature births.
16	Goal Name	Provide housing access for persons with HIV/AIDS
	Goal Description	Funds will be used to provide supportive housing services that meet the needs of persons living with HIV/AIDS (PLWHA). The goal within HIV Prevention and Care is to diagnose all PLWHA, so that they know their status. Then, link these individuals to consistent, high-quality medical care, so that they can achieve viral suppression. Once an individual is virally suppressed, the chance of them spreading the infection is substantially reduced, leading to fewer new infections.
17	Goal Name	Increase access to housing and emergency shelter
	Goal Description	Funds will be used to support ongoing efforts to provide homelessness prevention and homeless services. The Community Shelter Board along with its partner agencies are designing and implementing a transformational new system designed to move single adults more quickly into stable housing, stop repeat homelessness, and add more capacity when overflow demands are high to make sure everyone who needs shelter is able to get it.
18	Goal Name	Improve access to healthy food
	Goal Description	Funds will be used to ensure that low to moderate income households have adequate access to healthy food options.

19	Goal Name	Improve pedestrian accessibility
	Goal Description	Funds will be used to maintain and improve infrastructure that provides greater pedestrian accessibility and movement.
20	Goal Name	Collaborate with CMHA on public housing activities
	Goal Description	The purpose of this goal is to ensure collaboration and cooperation between the City of Columbus and CMHA on the redevelopment of public housing sites and units.

Table 3 – Goal Descriptions

Projects

AP-35 Projects – 91.220(d)

Introduction

Given the limited nature of resources, the city prioritizes the needs identified through the Consolidated Planning process to direct the allocation of funds in a manner that maximizes community impact. Needs were prioritized in a Strategic Planning session during which the results of the Needs Assessment and Market Analysis were shared. This information was used to determine priority needs and develop the Strategic Plan Goals. Through the city's budgeting process the following projects were funded to implement the Strategic Plan Goals.

Projects

#	Project Name
1	2016 CDBG Affordable Housing Opportunity Fund - 923222
2	2016 Housing Administration - 923221
3	2016 Housing Development and Finance Staff -923232
4	2016 Homeowner Assistance Staff - 923228
5	2016 Homeowner Counseling & Housing Development - 923223
6	2016 Community Development Collaborative - 923227
7	2016 Fiscal Office Rehabilitation -923211
8	2016 Loan Servicing - Housing - 923266
9	2016 Land Redevelopment -923209
10	2016 Environmental Nuisance -923220
11	2016 Code Enforcement -923219
12	2016 Relocation Services - 923231
13	2016 Neighborhood and Agency Program - 923214
14	2016 Rebuilding Lives - 923226
15	2016 AIDS Housing Program - 501534
16	2016 Fair Housing Contract - 923224
17	2016 Continuum of Care - 923225
18	2016 Fiscal Office - 923210
19	2016 Economic Development Loan Fund - 923244

36	2016 HOPWA - Administration
37	2016 HOPWA - Lancaster/Fairfield CAA
38	2016 HOPWA - AIDs Resource Center

Table 4 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Generally speaking, the CDBG, HOME, ESG and HOPWA funds will continue to fund the same programs as in 2015. In 2016, 67% of the city CPD funding will be used to support 17 housing and homeless programs. CDBG funds will also be used to support economic development and public service programs. There is a great need for the rehabilitation of both owner and renter-occupied housing in the City of Columbus. The city has a large and growing inventory of vacant and abandoned housing units that could be returned to the market if they were rehabilitated. Along with the need for large-scale intensive rehabilitation, there is a large demand for repair assistance. Currently the demand for housing rehabilitation and repair services far outpaces available funding.

AP-38 Project Summary

Project Summary Information

1	Project Name	2016 CDBG Affordable Housing Opportunity Fund - 923222	CDBG: \$1,620,000
	Goals Supported	Assist low to moderate income owner-occupied homes Ensure safe and sanitary property conditions Provide housing for special needs populations Provide housing assistance to elderly residents	
	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing Supportive Service Housing for Special Needs Population Housing Options for Elderly Residents	
	Description	There are four programs funded under the CDBG Affordable Housing Opportunity Fund. The Home Owner Assistance Program provides home repair loans and grants to low and moderate income homeowners not to exceed \$40,000. The Home Modification Program provides up to \$25,000 in grants to low and moderate income homeowners and rental properties to make accessibility modifications. The Chores Program provides up to \$1,000 in minor home maintenance grants to income eligible homeowners. The Emergency Repair Program provides up to \$7,500 in grants to very low income homeowners for critical repairs.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	It is estimated that 700 people, with income levels at very low, low and moderate, will be served. Some special needs populations, including seniors and households with a disabled member, are included in this estimate.	
	Location Description	City of Columbus	
	Planned Activities	Home repair and rehabilitation activities to address code violations, including accessibility modifications, emergency repairs, and the prevention of vacant property.	
2	Project Name	2016 Housing Administration - 923221	CDBG: \$145,752
	Goals Supported	Preserve and expand affordable housing Ensure safe and sanitary Housing	

	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing Supportive Service Housing for Special Needs Housing Options for Elderly Residents Equal Access to Housing	
	Description	Funding for the Housing Administrative Staff. Staff are responsible for the administration of all housing programs including the Residential Tax Incentive Program.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	This funding is for administrative functions.	
	Location Description	City of Columbus	
	Planned Activities	Staffing costs for program implementation.	
3	Project Name	2016 Housing Development and Finance Staff - 923232	CDBG: \$149,726
	Goals Supported	Preserve and expand affordable housing Ensure safe and sanitary property conditions	
	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing	
	Description	Staff and expenses to implement the Homeownership Development Program, the Residential Tax Incentive Program and to manage loan assets.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Staffing Costs	
	Location Description	City of Columbus	
	Planned Activities	Staffing expenses for program implementation.	
4	Project Name	2016 Homeowner Assistance Staff - 923228	CDBG: \$1,011,116

	Goals Supported	Assist low to moderate income owner-occupied homes Ensure Safe and sanitary property conditions Provide housing for special needs populations Provide housing assistance for elderly residents	
	Needs Addressed	Affordable Housing Preservation and Development	
	Description	Staff implements the Homeownership Assistance Program, Home Modification Program, Emergency Repair and Chores Programs. Staff also perform construction draw inspections for Homeownership Development and Rental Housing Production and Rental Rehabilitation Programs.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	This is a staffing activity.	
	Location Description	City of Columbus	
	Planned Activities	Implementation costs for Homeownership Rehabilitation Programs, Home Modification Program, Chores (home maintenance for seniors), Deaf Services and city funded Home Safe and Sound and Roof Replacement Programs.	
5	Project Name	2016 Homeowner Counseling & Housing Development - 923223	CDBG: \$72,604
	Goals Supported	Provide homebuyer education and assistance	
	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing Equal Access to Housing	
	Description	Funding for contracts with HUD approved Housing Counseling Agencies for the provision of homebuyer and homeowner counseling.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	50 households at very low, low and moderate income levels will be provided with instruction on the acquisition of a home and/or the ability to prevent foreclosure.	
	Location Description	City of Columbus	
	Planned Activities	Homeowner counseling, financial fitness and foreclosure prevention services.	

6	Project Name	2016 Community Development Collaborative - 923227	CDBG: \$45,000
	Goals Supported	Preserve and expand affordable housing Ensure safe and sanitary property conditions	
	Needs Addressed	Affordable Housing Preservation and Development	
	Description	The Community Development Collaborative is a non-profit organization that provides leadership, financial support, training and direct technical assistance to Columbus's neighborhood based community development corporations. The City of Columbus, Franklin County and private organizations join together to contract with the Collaborative to provide operating support and technical assistance.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	This is a capacity building project.	
	Location Description	City of Columbus	
	Planned Activities	Administrative costs associated with CHDO operating fund.	
7	Project Name	2016 Fiscal Office Rehabilitation - 923211	CDBG: \$222,527
	Goals Supported	Assist low to moderate income owner-occupied homes	
	Needs Addressed	Affordable Housing Preservation and Development	
	Description	The Fiscal Rehabilitation unit is responsible for budget preparation, quarterly reviews, contract payments and accounts payable for the housing rehabilitation program.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Funding is for staffing costs.	
	Location Description	City of Columbus	
	Planned Activities	Budget preparation, quarterly reviews, contract payments and accounts payable.	

8	Project Name	2016 Loan Servicing - Housing - 923266	CDBG: \$80,000
	Goals Supported	Preserve and expand affordable housing	
	Needs Addressed	Affordable Housing Preservation and Development	
	Description	Costs associated with this project are eligible under § 570.206, Program administrative costs. Funds provide for a loan servicing contract that will assist in the administration of the city's housing loan portfolio.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	This is an administrative activity.	
	Location Description	City of Columbus	
	Planned Activities	Contract with loan servicing provider.	
9	Project Name	2016 Land Redevelopment - 923209	CDBG: \$431,780
	Goals Supported	Provide clean lots for redevelopment/green space	
	Needs Addressed	Affordable Housing Preservation and Development	
	Description	The Land Redevelopment Program allows the city to designate and acquire vacant, abandoned and foreclosed properties for redevelopment or reuse. Structures and land are sold for rehabilitation, demolition or new infill development. The goal of the program is the return of non-productive property into productive neighborhood assets while mitigating blight in neighborhoods.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Funding is for staffing costs.	
	Location Description	City of Columbus	
	Planned Activities	Staffing expenses.	
10	Project Name	2016 Environmental Nuisance - 923220	CDBG: \$280,043
	Goals Supported	Ensure safe and sanitary property conditions	
	Needs Addressed	Safe and Sanitary Housing	

	Description	Staff secures, mows, and cleans lots for the city Land Bank, as well as secure vacant properties for Code Enforcement. Environmental Specialists clean and mow private parcels when owners have not complied with violation notices.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	820 parcels will be attended to in low and moderate income areas.	
	Location Description	City of Columbus identified low and moderate income areas.	
	Planned Activities	Lawn cutting, solid waste pick up and disposal.	
11	Project Name	2016 Code Enforcement - 923219	CDBG: \$827,676
	Goals Supported	Ensure safe and sanitary property conditions	
	Needs Addressed	Safe and Sanitary Housing	
	Description	In addition to educating landlords and tenants on code enforcement policy, the Code Enforcement section performs inspections and issues violation notices where owners or tenants are in violation of City of Columbus housing, zoning, nuisance or health sanitation and safety codes. The intended outcome is safe and sanitary housing.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	2,500 inspections will be completed in low and moderate income areas.	
	Location Description	City of Columbus designated Planning Areas 2, 5, 8 and 12. These low and moderate income areas are designated by the city for this project.	
	Planned Activities	Conduct code enforcement inspections and issue violation notices to owners and landlords. Intent is to improve housing and environmental issues.	
12	Project Name	2016 Relocation - 923231	CDBG: \$102,721
	Goals Supported	Ensure safe and sanitary property conditions	
	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing	

	Description	Staff reviews all CDBG and HOME activities for compliance with the Federal Uniform Acquisition and Relocation Act. They are responsible for the development and/or reviews of relocation plans, the monitoring of those plans and the provision of technical assistance and training to users of CDBG and HOME funds. Optional relocation assistance is provided to low and moderate income individuals required to vacate units due to code enforcement orders.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	This funding is for staffing costs. 200 low and moderate income families will be provided with relocation services. 375 project reviews will be completed in order to create affordable housing opportunities.	
	Location Description	City of Columbus	
	Planned Activities	Staff will provide project reviews and optional relocation services.	
13	Project Name	2016 Neighborhood and Agency Program - 923214	CDBG: \$349,376
	Goals Supported	Foster business expansions in areas of need	
	Needs Addressed	Economic and Community Development	
	Description	The Neighborhood Liaison positions were created to improve communication with the neighborhoods. Staff works closely with neighborhood leaders to address and resolve community issues. They provide communication between city government and the community to resolve community concerns and to provide access to city information and services.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Funding is for staffing costs	
	Location Description	City of Columbus	
	Planned Activities	Neighborhood liaisons meet with thousands of residents over the course of the year. They attend area commissions, civic association, neighborhood coalition, block watch and other community meetings. Their goal is to help the citizen or neighborhood access city information and services.	
14	Project Name	2016 Rebuilding Lives - 923226	CDBG: \$71,029

	Goals Supported	Preserve and expand affordable housing Provide housing for special needs populations Increase access to housing and emergency shelter	
	Needs Addressed	Safe and Sanitary Housing Supportive Service Housing for Special Needs Homeless facilities and services	
	Description	The Rebuilding Lives Plan outlines part of the city's approach to ending homelessness. Funding is used to address the long term needs of homeless individuals through the development and operation of permanent supportive housing. CDBG funds are combined with City General funds to assist in the provision of supportive services to residents.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	1,015 low and very low income special needs persons will be served.	
	Location Description	City of Columbus	
	Planned Activities	Contract with the Community Shelter Board for administrative costs. Staff works to provide supportive services to permanent supportive housing units.	
15	Project Name	2016 AIDS Housing Program - 501534	CDBG: \$18,179
	Goals Supported	Provide housing access for persons with HIV/AIDS	
	Needs Addressed	Supportive Housing for Persons with HIV/AIDS	
	Description	The AIDS Housing Program coordinates the federal Housing Opportunities for Persons with AIDS (HOPWA) grant with other HIV related community resources and local homeless and housing services. The HOPWA program provides long term, comprehensive strategies for meeting the housing needs of low-income individuals living with HIV/AIDS; increases access to HIV related medical care and decreases the risk of homelessness.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Funding will provide continued tenant based rental assistance (TBRA) to 99 households, housing case management support services for 99 TBRA clients, short term rent mortgage and utilities (STRMU) for 20 clients, and permanent housing placement services for 20 clients. These services are for income eligible households with at least one household member living with HIV.	
	Location Description	Columbus Metropolitan Statistical Area: Franklin, Fairfield, Licking, Pickaway, Madison, Union, Morrow and Delaware counties.	
	Planned Activities	Coordination and implementation of the HOPWA Grant.	

16	Project Name	2016 Fair Housing Contract - 923224	CDBG: \$105,456
	Goals Supported	Provide homebuyer education and assistance Ensure equal access to housing	
	Needs Addressed	Affordable Housing Preservation and Development Equal Access to Housing	
	Description	Through a contract with the Columbus Urban League (CUL), this project provides support for the provision of fair housing services in the City of Columbus. These services include increasing the awareness of fair housing issues, fair housing barrier elimination, housing discrimination redress and the preparation and implementation of the Fair Housing Action Plan.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	500 low and moderate income households will be served.	
	Location Description	City of Columbus	
	Planned Activities	The contract with the CUL will provide fair housing education and training, the investigation of all alleged housing discrimination complaints, coordinate and conduct housing discrimination testing and affirmative marketing monitoring on HOME projects and conduct homebuyer/homeownership education classes.	
17	Project Name	2016 Continuum of Care - 923225	CDBG: \$10,000
	Goals Supported	Provide housing for special needs populations Increase access to housing and emergency shelter	
	Needs Addressed	Homeless Facilities and Services	
	Description	Through a contract with the Community Shelter Board (CSB), the city provides funding for the preparation and submission of the Continuum of Care funding application. This supports the city's efforts to provide housing units to homeless individuals.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Contract for professional services. This project provides administrative funding for the preparation of the Continuum of Care Application.	
	Location Description	City of Columbus	

	Planned Activities	Professional services for the preparation and submission of the annual Continuum of Care funding application.	
18	Project Name	2016 Fiscal Office - 923210	CDBG: \$137,214
	Goals Supported	Assist low to moderate income owner-occupied homes	
	Needs Addressed	Affordable Housing Preservation and Development Economic and Community Development	
	Description	The Fiscal and Legislation unit is responsible for all financial record-keeping functions, including budget preparation, quarterly financial reviews, contract payments, legislation processing and accounts payable.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Funding for fiscal staffing costs.	
	Location Description	City of Columbus	
	Planned Activities	See above description	
19	Project Name	2016 Economic Development Loan Fund - 923244	CDBG: \$376,736
	Goals Supported	Foster business expansions in areas of need	
	Needs Addressed	Economic and Community Development	
	Description	The Economic Development Loan Program provides loans to emerging and small businesses for the purpose of business development and job creation. The city contracts with four subrecipients: the Economic and Community Development Institute, providing micro-loans to startup businesses; and Community Capital Development Corporation , Finance Fund and Increase CDC that provide loans to companies that have been in business for at least three years. Loans are provided for working capital and business development.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Thirteen low or moderate income level families will benefit as a result of business development and expansion through the loan program.	
	Location Description	City of Columbus	

	Planned Activities	13 jobs will be created as a result of loans made through the city's Economic Development Loan Program.	
20	Project Name	2016 Business Development Office - 923215	CDBG: \$227,107
	Goals Supported	Foster business expansions in areas of need Identify locations for economic reinvestment	
	Needs Addressed	Economic and Community Development	
	Description	The Business Development Office serves the business community. It seeks to encourage growth of existing businesses and attract new businesses to the Columbus community. This is accomplished through the use of a number of incentive tools including real property incentives, jobs growth incentives, jobs tax credits, capital improvements, employment assistance and financial assistance that will create/retain an estimated 1,300 jobs and assist an estimated 165 businesses.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Funding is for staffing costs.	
	Location Description	City of Columbus	
	Planned Activities	This project funds staff positions that will help create/retain 1,300 jobs through the tax incentive program, and assist 165 businesses through outreach.	
21	Project Name	2016 Development Financing Office - 923216	CDBG: \$231,531
	Goals Supported	Foster business expansions in areas of need	
	Needs Addressed	Economic and Community Development	
	Description	The Business Finance Office staff manages the three subrecipient contracts that provide loans to emerging and small businesses in order to create jobs. The office also services all economic development loans closed prior to 2004.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Staffing costs for economic development activities.	
	Location Description	City of Columbus	

	Planned Activities	This project funds the staff of the Development Finance Office. Staff contracts with, monitors and provides technical assistance to the four subrecipients that carry out the job creation activities of the Economic Development Loan Program. In addition, staff services economic development loans closed prior to 2004. Activities include payoffs, loan subordinations, forbearance agreements, delinquencies and legal action.	
22	Project Name	2016 Neighborhood Commercial Development - 923217	CDBG: \$229,915
	Goals Supported	Foster business expansions in areas of need Identify locations for economic reinvestment	
	Needs Addressed	Economic and Community Development	
	Description	Staff members of the Neighborhood Commercial Development Program implement the city's initiatives in 6 targeted Neighborhood Commercial Revitalization (NCR) areas. The NCR areas are declining or potentially declining areas surrounding the downtown area. These initiatives include the implementation of commercial grants, the provision of training and technical assistance to NCR business associations, oversight of requested design services from the Neighborhood Design Center (NDC) and the identification of additional resources to augment the NCR Program. Accomplishments are reported under the Neighborhood Support Fund.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	This is a staffing activity for the Neighborhood Support Fund.	
	Location Description	City of Columbus designated blight areas.	
	Planned Activities	This is a staffing activity for the Neighborhood Support Fund.	
23	Project Name	2016 Neighborhood Support Fund - 923218	CDBG: \$243,914
	Goals Supported	Foster business expansions in areas of need Identify locations for economic reinvestment	
	Needs Addressed	Economic and Community Development	

	Description	The Neighborhood Support Fund provides funding for administrative support to neighborhood based organizations within the Neighborhood Commercial Revitalization (NCR) areas. These organizations develop and implement economic development projects, initiatives and services. Funding supports the Columbus Neighborhood Design Assistance Center, the Greater Linden Development Corporation and the Neighborhood Economic Development Fund. These organizations develop and implement economic development projects, initiatives and services which will assist an estimated 26 businesses.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	15 businesses will be assisted in the NCR areas and 11 businesses will receive façade design services.	
	Location Description	The services are specific to the six NCR areas which include parts of Main Street, Mt. Vernon Avenue, Long Street, Parsons Avenue, Broad Street and the Hilltop.	
	Planned Activities	Design services are provided to enhance the image and viability of each business corridor. Funding for the Neighborhood Economic Development Fund provides technical assistance, website development, publication of online newsletters, commercial inventory and other forms of assistance to small business organizations in the NCR areas.	
24	Project Name	2016 Loan Servicing - Economic Development - 923267	CDBG: \$15,000
	Goals Supported	Identify locations for economic reinvestment	
	Needs Addressed	Economic and Community Development	
	Description	Costs associated with this project are eligible under § 570.206. Program Administrative costs. Funds provide for a loan servicing contract that assists in the administration of the city's economic development loan portfolio.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	This is an administrative activity.	
	Location Description	City of Columbus	
	Planned Activities	Contract with loan servicing provider.	
25	Project Name	2016 Pregnancy Support - 501532	CDBG: \$51,632

	Goals Supported	Reduce the infant mortality rate	
	Needs Addressed	Economic and Community Development	
	Description	This program will provide monthly face to face home visits to high risk pregnant women residing in the City of Columbus. These women will be followed during their pregnancy and through the baby's first year to assure positive pregnancy and infant health outcomes.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	80 pregnancy tests will be conducted and ongoing services provided to 50 pregnant women that are at or below 200% of the poverty level.	
	Location Description	City of Columbus	
	Planned Activities	Activities include but are not limited to: Identifying and reinforcing risk reduction behaviors, facilitating entry into prenatal care, coordination of services with other service organizations, providing reinforcement of education (i.e. safe sleep, birth spacing, smoking cessation), providing appropriate referrals and follow-up for social service needs such as housing, material resources, linkages to health care and social service agencies; appointment verification and documentation of compliance with appointments (e.g., Prenatal, WIC and Medicaid).	
26	Project Name	2016 Sexual Health Awareness - 501533	CDBG: \$130,585
	Goals Supported	Decrease the incidence of STIs	
	Needs Addressed	Economic and Community Development	
	Description	Funding will support the Sexual Health Awareness Program, which seeks to prevent sexually transmitted infections (including HIV) and unplanned pregnancies.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	1,300 persons will be screened for HIV, syphilis, chlamydia and gonorrhea. 100 pregnancy tests will be conducted. Screening efforts will focus on low-income persons less than 25 years of age.	
	Location Description	City of Columbus	
	Planned Activities	These activities include education, as well as screening, treatment and referral services. Special focus is given to low-income youth in rendering these services.	
27	Project Name	2016 Capital Kids -923270	CDBG: \$316,267

	Goals Supported	Provide educational/recreational youth programs	
	Needs Addressed	Youth Recreation and Education Opportunities	
	Description	The Capital Kids program incorporates trained staff, state of the art technology, high expectations and high performance standards to gauge student's academic achievement while providing participants a safe place to learn and play when school is out. Strong family involvement is required in order to reach 140 households offered in four community recreation centers.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	140 low income students will benefit from this program	
	Location Description	City of Columbus	
	Planned Activities	After school programs to provide a safe place to learn and play	
28	Project Name	2016 City Recreation Facilities Program Staffing - 923272	CDBG: \$280,677
	Goals Supported	Provide educational/recreational youth programs	
	Needs Addressed	Youth Recreation and Education Opportunities	
	Description	The community center programs provide participants with a safe and fun place to learn and play. Children and adults are provided with a variety of affordable programs designed to enhance their leisure time, increase their social skills and improve their fitness level.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	300 individuals will benefit from this project.	
	Location Description	City of Columbus	
	Planned Activities	Recreational programs to provide a safe place to learn and play	
29	Project Name	2016 School's Out Program -923269	CDBG: \$185,027
	Goals Supported	Provide educational/recreational youth programs	
	Needs Addressed	Youth Recreation and Education Opportunities	

	Description	School's Out provides a camp for children ages 6 to 14 years that operates during the summer and winter when school is not in session. The program is designed to benefit the children of working parents offering a day long, well supervised program that allows children to take part in a variety of recreational, cultural and physical fitness activities.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	300 low income children will benefit from this program.	
	Location Description	City of Columbus	
	Planned Activities	Program will provide after school programs to provide a safe place for children to learn and play.	
30	Project Name	2016 Grants Management - 923265	CDBG: \$471,678
	Goals Supported	Preserve and expand affordable housing	
	Needs Addressed	Affordable Housing Preservation and Development Economic and Community Development	
	Description	Costs associated with this project are eligible under § 570.206, Program administrative costs. The staff of the Grants Management Office administers the Community Development Block Grant, Emergency Solutions Grant, HOME, and Housing Opportunities for Persons with AIDS federal grant programs.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	This is an administrative activity.	
	Location Description	City of Columbus	
	Planned Activities	Activities include budget development, financial resource management, program monitoring, technical assistance, regulatory compliance, completion of environmental reviews, loan servicing, prevailing wage compliance, eligibility issues and preparation of required federal reports.	
	Project Name	2016 HOME Affordable Housing Opportunity Fund – 923234	HOME: \$2,503,379

31	Goals Supported	Preserve and expand affordable housing Ensure safe and sanitary property conditions Provide housing for special needs populations Provide housing for elderly residents Ensure equal access to housing	
	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing Supportive Service Housing for Special Needs Housing Options for Elderly Residents Equal Access to Housing	
	Description	HOME funds are provided for the Rental Housing Production and Preservation Program to provide gap financing to developers and owner/investors to acquire and/or construct new or rehabilitate existing rental housing; Homeownership Development to provide gap financing for the development of new infill housing or acquisition/rehabilitation of existing single family homes for sale; Downpayment Assistance to provide forgivable loans to allow first time homebuyers to acquire a home; Rebuilding Lives tenant based rental assistance for the homeless.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Creation or preservation of 200 affordable rental units; 35 homes acquired from development organizations; 55 units acquired by first time homebuyers. All households are low, very low or moderate income. 175 very low income households served with tenant based rental assistance.	
	Location Description	City of Columbus	
	Planned Activities	Rental development and preservation, homeownership development downpayment assistance for first time homebuyers, tenant based rental assistance.	
32	Project Name	2016 HOME CHDO Operating Support - 923240	HOME: \$159,527
	Goals Supported	Preserve and expand affordable housing Ensure safe and sanitary property conditions Provide housing for special needs populations Provide housing assistance to elderly residents	
	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing Supportive Service Housing for Special Needs Housing Options for Elderly Residents	
	Description	5% of the city's HOME allocation is provided in the form of operating funds for city qualified community housing development organizations (CHDOs). The city and Franklin County leverage their operating funds by working with private funders, through the Community Development Collaborative, to provide operating funds as well as capacity building opportunities.	

	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Funding is for operating costs.	
	Location Description	City of Columbus	
	Planned Activities	Contracts for operating costs with city qualified CHDOs.	
33	Project Name	2016 CHDO Set Aside - 923238	HOME: \$478,851
	Goals Supported	Preserve and expand affordable housing Ensure safe and sanitary property conditions Provide housing for special needs populations Provide housing assistance to elderly residents	
	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing Supportive Service Housing for Special Needs Housing Options for Elderly Residents	
	Description	15% of the city's HOME funds are provided to city certified Community Housing Development Organizations for eligible activities including homeownership and rental development.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	6 very low, low or moderate income families will be served with rental and homeownership housing.	
	Location Description	City of Columbus	
	Planned Activities	Homeownership and rental development	
34	Project Name	2016 HOME Administrative - 923233	HOME: \$349,054
	Goals Supported	Preserve and expand affordable housing Ensure safe and sanitary property conditions Provide housing for special needs populations Provide housing assistance to elderly residents	
	Needs Addressed	Affordable Housing Preservation and Development Safe and Sanitary Housing Supportive Service Housing for Special Needs Housing Options for Elderly Residents	

	Description	This project funds administrative expenses to implement the HOME Program. Staff manages and administers all HOME funded programs.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	Funding is for staffing costs	
	Location Description	City of Columbus	
	Planned Activities	These are program implementation costs. Activities include homeownership development, downpayment assistance, rental preservation and development, tenant-based rental assistance, CHDO set aside projects and CHDO operating funding.	
35	Project Name	2016 Emergency Solutions Grant	ESG: \$580,931
	Goals Supported	Increase access to housing and emergency shelter	
	Needs Addressed	Homeless Facilities and Services	
	Description	Emergency Solutions Grant (ESG) funding is used for essential emergency shelter programs that serve single men and women (i.e. maintenance and operation) as well as Direct Housing programs that provide rapid re-housing services and financial assistance for families experiencing homelessness.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	An estimated 4,000 very-low and low-income homeless single adults will be served through emergency shelter. An estimated 2,000 very-low and low-income homeless persons in 400 families will be served through the direct housing activities.	
	Location Description	City of Columbus	
	Planned Activities	Emergency shelters provide access to beds for men and women in Columbus and Franklin County. Beyond providing a secure and clean place to sleep, shelter programs provide access to basic services such as showers, meals, healthcare and material assistance, along with supportive services, referrals to additional supportive services as needed, and crisis assistance. Shelter programs have resource centers that provide internet access, telephones, employment leads, job training resources and other community resources. ESG-funded Direct Housing programs provide services and financial assistance to families exiting emergency shelter programs into their own homes, with the goal of long-term stabilization.	

36	Project Name	2016 HOPWA Grant -	HOPWA: \$859,524
	Goals Supported	Provide housing access for persons with HIV/AIDS	
	Needs Addressed	Supportive Housing for Persons with HIV/AIDS	
	Description	The Housing Opportunities for Persons with AIDS (HOPWA) program coordinates the federal HOPWA formula grant program for eight counties in the Columbus Metropolitan Statistical Area (MSA). HOPWA funds will be used to ensure housing assistance resources are maintained and/or expanded and are accessible for income-eligible persons within the MSA who are infected with HIV/AIDS.	
	Target Date	12/31/2016	
	Estimate the number and type of families that will benefit from the proposed activities	2016 HOPWA funding will provide continued TBRA to 99 households, housing case management support services for 99 TBRA clients, STRMU for 20 clients, and permanent housing placement services for 20 clients. These HOPWA services are for low and moderate income eligible households with at least one household member living with HIV.	
	Location Description	Columbus Metropolitan Statistical Area: Delaware, Fairfield, Franklin, Licking, Madison, Morrow, Pickaway and Union counties.	
	Planned Activities	Tenant based rental assistance, short term rent, mortgage and utility payments, case management support services, permanent housing placement services.	

Table 5 – Project Summaries

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Geographic Distribution

Most of the CDBG, HOME, HOPWA and ESG programs operate citywide and are geared to benefit primarily low- to moderate-income families. The following CDBG programs do operate in specific and defined areas that have been determined to be either low/moderate income or blighted: Code Enforcement, Environmental Nuisance, Land Redevelopment, City Recreation Facilities Program Staffing, Neighborhood Commercial Development and the Neighborhood Support Fund. Funds will be strategically allocated to ensure that investments achieve the strategic goals of this plan and meet CDBG national objectives and other programmatic requirements. Accordingly, the city will take a community-driven approach to funding, one that prioritizes investments that provide the greatest increase in quality of life for LMI residents. In this way, investments will be tailored to supplement the specific assets and opportunities of the communities receiving funding.

Rationale for the priorities for allocating investments geographically

See above.

Discussion

HUD CPD resources are provided to programs that operate city-wide as well as in specific geographic areas. The city has identified specific areas of need and targets resources to those areas. The Rental Housing Production and Preservation, Home Modification, Emergency Repair, Economic Development Loan Fund, Lead Safe and Chores (for elderly homeowners) programs operate throughout the city. Code Enforcement, Environmental Nuisance, Neighborhood Commercial Development, Neighborhood Support Fund and Land Management all operate in the CD Service Area. The Downpayment Assistance program operates within the City of Columbus, Columbus City School District boundaries.

The Housing Development Program (HDP) operates primarily in the Neighborhood Investments Districts (NIDs). The NIDs consist of seven (7) specific areas located in inner city neighborhoods that suffer from disinvestment and low homeownership. The HDP program directs gap financing for housing production to projects in the NIDs. The Home Safe and Sound Program operates in the city-designated Neighborhood Pride areas. These areas consist of 4-6 defined neighborhoods selected annually on a competitive basis. Generally, these areas have a mixture of owner occupied and rental housing with a strong neighborhood organization interested in improving the defined area.

The Neighborhood Commercial Development Program and the Neighborhood Support Fund operate in the city designated Neighborhood Commercial Revitalization (NCR) areas, located within the CD Service Area. The NCR areas are declining or potentially declining areas surrounding the downtown. These programs offer technical assistance, loans and matching grants, capital improvements and planning services in conjunction with established business associations in the NCR areas.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The City of Columbus invests federal funds in the development of rental and for sale units, the rehabilitation and repair of existing homeowner units and the provision of supportive services and emergency shelter benefiting low and moderate income households. This section shows specific goals for the number of homeless, non-homeless, and special needs households that will be provided affordable housing during the 2016 program year. Also shown is the number of affordable housing units that will be provided with CDBG and HOME funds. Programs that will provide these units are the CDBG and HOME Affordable Housing Funds and the Rebuilding Lives Program.

One Year Goals for the Number of Households to be Supported:	
Homeless	6,000
Non-Homeless	0
Special-Needs	784
Total	6,784

Table 6 – One Year Goals for Affordable Housing by Support Requirement

One Year Goals for the Number of Households Supported Through:	
Rental Assistance	375
The Production of New Units	146
Rehab of Existing Units	902
Acquisition of Existing Units	0
Total	1,423

Table 7 – One Year Goals for Affordable Housing by Support Type

Discussion

The Community Shelter Board (CSB) oversees the implementation of the Rebuilding Lives Program. This two part program consists of meeting both the short-term and long-term needs of homeless men and women through emergency shelter and the development and operation of permanent supportive housing. The city uses CDBG funding to provide these supportive services to 1,015 persons.

HOME tenant based rental assistance is provided to 175 persons; and 200 households are provided relocation funding to assist with rent, security deposits, and/or moving expenses if they must vacate rental units due to code violations.

Working with local for-profit and non-profit development organizations, the city will produce 146 new units and rehabilitate 202 units.

CDBG funding will be used to work with 700 existing homeowners to address emergency, minor and critical home repairs and to modify homes to serve individuals with disabilities.

AP-60 Public Housing – 91.220(h)

Introduction

The Columbus Metropolitan Housing Authority (CMHA), a separate governmental entity, administers public housing new construction, rehabilitation and modernization activities, home ownership opportunity programs and the Housing Choice Voucher Program for its tenant population. CMHA is the primary provider of affordable housing for extremely low-income families, elderly and the disabled in Columbus. CMHA's affordable housing objectives are achieved through development and management of public housing units and Housing Choice Vouchers (HCV). Through a contract with HUD, CMHA has 3,425 public housing units and 11,150 HCVs.

Actions planned during the next year to address the needs to public housing

CMHA coordinated with the City of Columbus and Franklin County to create a Five-Year Demolition/Disposition plan. CMHA conducted an analysis of its public housing portfolio and determined which projects were physically sound, financially solvent and met current HUD standards for site selection and development. The analysis concluded that eight of the largest and oldest properties were obsolete and should be demolished. In 2015 CMHA began redevelopment of Poindexter Village, Riverside-Bradley, Sunshine Annex and Sunshine Terrace. These are planned as mixed-income, mixed-use redevelopments.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The staff of the city Department of Development and the Community Relations Commission organizes meetings with tenants of public housing projects to discuss issues of concern and devise constructive solutions. The city involves the Tenant Outreach Coordinator from the Coalition on Homelessness and Housing in Ohio to assist in these endeavors. The Housing Division promotes homeownership opportunities and links with CMHA's Section 8 Homeownership and Family Self Sufficiency programs to coordinate dollars and assistance.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

CHMA is not designated as a "troubled" PHA.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The lead agency for the homeless service system in Columbus is the Community Shelter Board (CSB), an independent nonprofit agency founded in 1986 by a group of civic leaders, business associations, local government leaders and representatives from a variety of foundations. CSB does not provide any direct services within the community. Its main responsibilities are resource development and investment, service delivery coordination and planning, fostering collaboration, program accountability and public policy reform. The CSB allocates funding annually to partner agencies for programs serving homeless individuals and families in Columbus. The CSB receives funding from many and varied sources such the City of Columbus, Franklin County, Federal funds, Ohio Department of Development, United Way, Together Rebuilding Lives and private and corporate donations.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The city, in partnership with the Community Shelter Board, has created a unified system to better respond to homeless persons who are not accessing shelter, including a coordinated call and dispatch system, common documentation and shared outcomes for the street and camp outreach program. The Maryhaven Collaborative Outreach Team is improving access to resources for adults living on the street; reducing the number of adults experiencing long-term street homelessness; reducing frustration for the community trying to help homeless people; and is more efficiently deploying resources in order to reduce duplication of efforts in Columbus and Franklin County.

Addressing the emergency shelter and transitional housing needs of homeless persons

The Consolidated Plan Homeless Strategy revolves around two target groups: 1) homeless households (individuals and families with children) who have a disabled member and have experienced long-term homelessness and 2) homeless households without a disabled member who have experienced short-term homelessness, or are households at-risk of homelessness. Strategies for both of these groups involve the prevention of homelessness and, if homelessness occurs, the provision of shelter, transitional housing, permanent housing and supportive services for those in need. The lead agency for the homeless service system in Columbus is the Community Shelter Board (CSB). The CSB provides access to shelter beds for men, women and families in Columbus and Franklin County. Beyond providing a secure and clean place to sleep, all programs provide access to basic services such as showers, meals, healthcare and material assistance as well as referrals, supportive services and crisis assistance. Most shelters have resource centers that provide internet access, telephones, employment leads, job training resources and other community resources as well as support staff to assist individuals in obtaining jobs and housing.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

In partnership with the Community Shelter Board the city has created a unified system for permanent supportive housing. The Unified Supportive Housing System (USHS) includes a centralized eligibility determination and placement, periodic review of tenant needs and "move up" incentives to encourage tenants to be more independent. Fewer adults and families will experience long-term homelessness. Additionally, there are more housing units available, easier access to supportive housing for prospective tenants, one application process and improved targeting of scarce housing resources. People with the greatest needs receive priority for housing.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The Community Shelter Board coordinates prevention and shelter diversion programs to assist families and individuals who are homeless or precariously housed to locate and maintain stable housing. Families and individuals are provided with relocation services, referrals, tenant education and linkage to short-term financial rental assistance in order to quickly resolve the family or individual housing crisis.

AP-70 HOPWA Goals - 91.220 (I)(3)

One year goals for the number of households to be provided housing through the use of HOPWA for:	
Short-term rent, mortgage, and utility assistance to prevent homelessness of the individual or family	20
Tenant-based rental assistance	99
Units provided in permanent housing facilities developed, leased, or operated with HOPWA funds	0
Units provided in transitional short-term housing facilities developed, leased, or operated with HOPWA funds	0
Total	119

Table – 8 One Year Goals for HOPWA

AP-75 Barriers to Affordable Housing – 91.220(j)

Introduction:

The City of Columbus does not have enough affordable housing to meet current needs and the private market is not producing a high volume of affordable rental housing. As discussed in the Consolidated Plan, there are many barriers to providing affordable housing. A number of market characteristics impact the production of new units, including: the large growth of population in Columbus; increased demand for rental housing units; rising rental and homeownership costs; the recovery of the housing market; current housing affordability; demolition of public housing units; a high number of people on the Section 8 waiting list; and the cost of land and development. Neighborhoods continue to seek the highest possible quality and amenities for housing developed in their communities and this tends to increase costs and make housing units less affordable to those seeking to live in these areas. The process of obtaining plan approval and building permits requires the use of paid professionals such as architects, engineers and spec writers to address building issues. Additionally, city code and newly developed pro-active code enforcement raises the bar for property maintenance requirements which can be a challenge for the elderly and disabled.

As mentioned above, the Columbus Metropolitan Housing Authority has reduced the number of public housing units in the community. Between 2015 and 2019, approximately 35% of the privately owned Section 8 contracts are set to expire, which could decrease the number of affordable housing units available.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The city has made significant improvements in facilitating development. The Columbus Development Guide was created in 2003. Digital Submission Standards, introduced in 2006, clarify what is required on applications and saves city staff time by using electronic submissions. The city now operates the One Stop Shop for development review. Many of the Mayor's Housing Task Force recommendations have been implemented. The Development Department continues to implement recommendations from the Columbus Housing Task Force to provide property tax incentives, increase housing code enforcement and expansion of the city Land Bank. The Land Bank Program of the Land Redevelopment Office will partner with Code Enforcement to identify, and if possible acquire, vacant tax delinquent properties in order to expedite their return to productive use. In 2016, the Code Enforcement Section anticipates issuing 2,500 zoning, housing and environmental code orders. The Development Department, Housing Division provides programs including Vacant Property Prevention, Home Modification and Chores minor home repair to assist these populations with maintaining code compliance.

AP-85 Other Actions – 91.220(k)

Introduction:

Described below are the city's planned actions to carry out the following strategies outlined in the Consolidated Plan.

Actions planned to address obstacles to meeting underserved needs

All rental programs require tenants to be at or below 80% AMI. City homebuyer programs continue outreach with lenders including on-site training and outreach at homebuyer education classes.

An obstacle within the HOPWA program is the lack of long-term planning for housing and medical needs of clients receiving tenant based rental assistance (TBRA). This can be an issue for moving clients to self-sufficiency and off TBRA, thus limiting the ability to assist new clients in need of TBRA. The funding of supportive services to provide ongoing housing case management services for every HIV-positive client receiving TBRA will help to eliminate this obstacle. These services will include the development of updated, comprehensive housing plans implemented in a timely and consistent manner to ensure each TBRA client is accessing medical care, Ryan White case management services and other needs.

Actions planned to foster and maintain affordable housing

The Rental Housing Preservation and Production Program prioritizes the redevelopment of existing affordable housing rental units. New units are added to the inventory through this program. The city bond funded Rental Rehabilitation Program, which focuses on smaller rental units also adds units to the total inventory. HUD approved homeowner counseling agencies assist with foreclosure prevention and pre-purchase counseling.

Actions planned to reduce lead-based paint hazards

The city was awarded \$3.9 million in Lead Hazard Reduction Demonstration Program funds and received those funds in 2015. All contractors used in the housing programs are licensed Lead Abatement Contractors and are able to recognize and deal with lead hazards in construction projects.

Actions planned to reduce the number of poverty-level families

Programs funded with CDBG and HOME funds provide homeowner and rental rehabilitation and repairs, new construction of rental and homeowner units and downpayment assistance for income-eligible, first-time homebuyers. These activities, that produce and preserve affordable housing, are important in reducing the number of poverty-level families in the city. Using CDBG funding, city programs also support activities that provide child care and recreational activities, health care programs that provide education and training for low income individuals, and economic development programs that require the creation of jobs. Using general fund dollars, the city provides funding for poverty prevention activities such as literacy and job training.

The city implements the federally required Section 3 program which is intended to ensure that when employment or contracting opportunities are generated by HUD funded Section 3 covered projects, preference is given to qualified low and very low income persons or business concerns.

Actions planned to develop institutional structure

The Department of Development administers the city's housing, neighborhood revitalization, economic development, homeless prevention and supportive housing programs. Functions of the department include planning and policy-making, program administration, management of grants and loans and monitoring. The Department of Finance and Management co-ordinates the overall administration of the four CPD grants that fund programs in the Departments of Development, Finance and Management, Health and Recreation and Parks.

There is an extensive structure of government agencies, non-profit and for profit developers, educational institutions, neighborhood and community organizations, non-profit funders, affordable housing builders, developers and managers, business, economic development and workforce development organizations, lenders, private funders and healthcare providers that work towards implementing the goals of the Consolidated Plan.

Housing Division Delivery Structure

The Housing Division utilizes private organizations to assist in implementing its efforts. In the homeowner repair programs, private contractors are utilized to remodel homes. If a homeowner applicant is not current on their mortgage or taxes, they are referred to a homeowner counseling agency to determine if a modification of the mortgage is in order. Homeowners can work with the County Auditor's office to set up a payment plan to get current on taxes. In the housing programs, the city relies on development organizations to own the properties being redeveloped, secure private contractors to do the construction work and, for homeownership development, utilize private realtors to market property for sale. Homebuyers are required to complete 8 hours of face to face homebuyer counseling through an approved agency prior to home purchase. In the rental housing development program, private developers apply for funding from various sources, create a single purpose entity to own the property, secure a contractor, complete construction and hire a professional management company to do property management, including income qualification, over the compliance period. For efforts around ending Homelessness, the city and Franklin County work with CSB to marshal resources and direct funding decisions. The city contracts with the Columbus Urban League to conduct its Fair Housing compliance program.

The City of Columbus has many partners that provide services to the business community. These services range from business education to a financial product for business development. The City of Columbus, Economic Development Division has four partners that provide financial services to the business community. These organizations are: Finance Fund, Community Capital Development Corporation, Increase CDC and the Economic and Community Development Institute.

Many of the loans provided by the city's partners are supplemented with funding from other sources. The sources may be a private bank, Franklin County, and/or the State of Ohio. The State of Ohio and Franklin County also provide financing that may serve as a supplement to

complete the loan package for a business. Other economic development partners are focused on providing education that leads to business development and/or focus on specific industry development.

The services provided by the city's economic development partners are inclusive of the needs of all business. Educational services are focused on specific needs such as cash flow projections. The partners are equipped to handle the various needs of the business depending on their stage of growth. The strength of the services is the wide array of educational services available to the business.

Columbus Public Health Delivery Structure

CPH partners with two HOPWA sub-grantees: AIDS Resource Center Ohio and Lancaster-Fairfield Community Action Agency to administer the HOPWA grant.

Additional housing services are available through the federal Ryan White HIV Care grant for PLWHA through Southeast Inc.

Through a competitive RFP process, CPH will fund non-profit community-based organizations to implement HOPWA funded activities. Based upon submitted proposals, annual contracts are written. Monthly narrative reports and annual CAPER data are reviewed by CPH to assure accountability, and annual site visit monitoring occurs to review programmatic and fiscal compliance.

Actions planned to enhance coordination between public and private housing and social service agencies

There are a number of ongoing collaborative efforts in the community. Guided by the Community Shelter Board, the city, county and other entities participate in efforts to address and end homelessness through the Rebuilding Lives initiative. The Community Development Collaborative is funded by the city, county and other private organizations to provide operating support and technical assistance to Community Development Corporations. The Columbus Affordable Housing Task Force which consists of HUD, state and local government staff and development organizations meets every other month to discuss affordable rental projects and preservation opportunities. There is an ongoing collaboration with the Columbus Metropolitan Housing Authority regarding development opportunities, use of project based vouchers and other related issues. A recently formed Housing Dialogue group brings practitioners and academics from the Ohio State University, Knowlton School of Architecture to look at housing issues from different perspectives. Additionally, a group of local non-profit organizations have formed the Housing Alliance to make the case for affordable housing and need for resources in the community.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction:

The following are the program specific requirements for the Annual Action Plan.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. The years covered that include this Annual Action Plan are 2014, 2015, and 2016.	86.%

2016 CDBG Funding Limits

The CDBG program has regulated funding limits (commonly called "caps"). Planning and administration activities are limited to 20% of the program year's entitlement grant and prior year program income. The cap limits for 2016 are calculated as follows:

2016 CDBG Cap Calculations	Admin & Planning	Public Service
Development:		
Business Development Office	\$227,107	
Community Development Collaborative	\$45,000	
CSB - Continuum of Care	\$10,000	
Fair Housing	\$105,456	
Fiscal & Legislation	\$137,214	
Homeowner Counseling & Housing Development		\$72,604
Neighborhood & Agency Programs	\$349,376	
Rebuilding Lives Supportive Services		\$71,029
Finance:		
Grants Management	\$471,678	
Health:		
Aids Housing Staff	\$18,179	
Pregnancy Support		\$51,632
Sexual Health Awareness		\$130,585
Recreations & Parks:		
Capital Kids		\$316,267
Recreation Centers		\$280,677
School's Out		\$185,027
Total 2016 Budgeted Activities Subject to Caps:	\$1,364,010	\$1,107,821
Cap Calculation:		
Projected 2016 Entitlement Grant	\$6,501,384	\$6,501,384
Projected 2016 Program Income/2015 Program Income	\$1,344,982	\$1,495,000
Total	\$7,846,366	\$7,996,384
Planning/Administration and Public Service Caps (20% & 15%)	\$1,569,273	\$1,199,458
Cap %'s with Proposed Activities	17.38%	13.85%
Unused Cap (Cap exceeded if negative number)	\$205,263	\$91,637

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(I)(2)

1. *A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:*

Tenant Based Rental Assistance is provided to address issues of possible homelessness.

2. *A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:*

The City of Columbus and its Housing Division provide HOME Investment Partnerships Program funds (CHDO set aside) to create affordable housing units and assist income-eligible families with the purchase of a home. The Recapture Policy ensures that the city recoups all or a portion of the HOME assistance paid to the homebuyers in the event that the assisted housing does not continue to be the principal residence of the family through the duration of the affordability period.

These affordability periods are outlined at 24 CFR Part 92.254(a)(4), as follows:

HOME Amount per Unit	Affordability Period
Under \$15,000	5 years
\$15,000-\$40,000	10 years
Over\$ 40,000	15 years

Table 10 – HOME Affordability Periods

The HOME investment that is subject to recapture is based on the amount of HOME assistance that enabled the homebuyer to purchase the dwelling unit. This includes any HOME assistance that reduced the purchase price from the fair market value to an affordable price, but excludes the amount between the cost of producing the unit and the market value of the property (the development subsidy).

The HOME amount per unit (see above) will be used to determine the appropriate affordability period. The City of Columbus will use the recapture provisions to recoup HOME investment when the affordability period is not met, as follows:

- Any voluntary or involuntary sale or transfer of ownership of the property triggers the recapture requirements;
- The city will recapture from the net proceeds the entire amount of the HOME investment from the homeowner.

In the event that the net proceeds of the sale of the home are insufficient to repay 100% of the HOME investment due, the City of Columbus will recoup the remaining net proceeds of sale and accept this amount as satisfaction of the loan agreement, promissory note and restrictive covenant.

3. *A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:*

See above description.

4. *Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:*

On a case by case basis, the city may use HOME funds to refinance existing debt in connection with the rehabilitation of multifamily housing. Eligible properties may be located anywhere in the city. Under no circumstances will HOME funds be used to refinance multifamily loans made or insured by any Federal program, including CDBG. In addition, the guidelines established by the city require that 1) the multifamily housing undergoing rehabilitation and refinancing is necessary to continue to provide affordable housing to low income families, 2) rehabilitation must be the primary eligible activity for which at least 60 percent of the HOME funds are used, 3) eligible projects must require a minimum level of rehabilitation of \$10,000 per unit, 4) a maximum of 40 percent of HOME funds may be used for the refinancing of existing debt, 5) the use of HOME funds must be conditioned upon a low income affordability period of a minimum of 15 years, and 6) the city must review the management practices of the property owner to insure that disinvestment has not occurred, that the long term needs of the project can be met and that the feasibility of serving the targeted population over at least a 15 year affordability period can be demonstrated.

Emergency Solutions Grant (ESG) Reference 91.220(l)(4)

1. *Include written standards for providing ESG assistance (may include as attachment)*

In March 2012, the Community Shelter Board (CSB) consolidated all program policies and procedures into one in accordance with 24 CFR Section 576.400. The combined document, CSB HEARTH Operating Policy and Procedures, is inclusive of all federal regulations. Contracts between CSB and grantees require the agency to follow the CSB HEARTH Operating Policy and Procedures. In addition, grantees are monitored annually through a Program Review and Certification process. The review ensures programmatic/service provisions, facility, data, fiscal and governance standards are followed in accordance with all HUD regulations.

2. *If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.*

Community Shelter Board implemented the Coordinated Point of Access (CPoA) for single adults and families attempting to obtain shelter. CPoA has specialists available 24 hours a day, 7 days a week to conduct a preliminary triage and assessment and to explore diversion

possibilities via a prescribed set of diversion questions. Both families and single adults determined to meet shelter eligibility criteria are then referred to the most appropriate shelter bed. Family and single adult shelters must coordinate services through the CPoA with the exception of the shelter serving inebriated single adults who are receiving access directly through community services. Once in shelter, the individual's single audit's need is assessed using the community's Vulnerability Assessment, within the first five days of shelter stay.

For the Family Shelter System, staff conducts diversion and triage in order to determine the best avenue for the family. If the family has to be admitted into one of the family shelters, after a need assessment is completed, they will then be referred to the best rapid re-housing (RRH) program to address their needs. All families need to meet certain eligibility criteria for participation in RRH programs but housing first principles are followed at all times.

This centralized system participates in the local HMIS and all intake information is collected into our open system, facilitating service provision.

3. *Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).*

The City of Columbus makes a sub-award to the Community Shelter Board. The Community Shelter Board was created in 1986 to respond to the growing problem of homelessness in Franklin County. The founders include: the City of Columbus, the Franklin County Board of Commissioners, the United Way of Central Ohio, The Columbus Foundation, the Columbus Chamber and many other organizations concerned about the quality of life in Franklin County. The CSB in turn sub-awards ESG funds to nonprofit providers of homeless services.

4. *If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.*

The City of Columbus meets the homeless participation requirement in 24 CFR 576.405a.

5. *Describe performance standards for evaluating ESG.*

Program performance standards are established by Community Shelter Board (CSB) and recommended to the CoC Board for approval and incorporate HUD requirements and local standards. Program performance standards are reviewed annually by the CoC Board. CSB incorporates these standards into annual program agreements with each sub-recipient. An annual Program Outcome Plan (POP) is part of the agreement. The POP establishes individual program performance goals for all homeless programs, by type. If CSB and the

sub-recipient disagree on the annual POP, the sub-recipient may appeal. CSB monitors program performance and provides monthly, quarterly, semi-annual and annual community data reports. Each POP performance goal is assessed versus actual performance as achieved or not achieved. Achieved Goal is defined as 90% or better of a numerical goal or within 5 percentage points of a percentage goal, except where a lesser or greater value than this variance also indicates an achieved goal, or if the metric is fixed.
