3. **APPLICATION:** Z15-052
   **Location:** 1660 HARRISBURG PIKE (43223), being 2.7± acres located on the east side of Harrisburg Pike, just south of Chambers Avenue (425-270757 and 425-273194; Southwest Area Commission).
   **Existing Zoning:** CPD, Commercial Planned Development and L-AR-O, Limited Apartment Office Districts.
   **Request:** L-AR-O, Limited Apartment Office District.
   **Proposed Use:** Multi-unit residential development.
   **Applicant(s):** Community Housing Network, Inc.; c/o Dave Perry, Agent; David Perry Company, Inc.; 145 East Rich Street, 3rd Floor; Columbus, OH 43215; and Donald Plank, Atty.; Plank Law Firm; 145 East Rich Street, 3rd Floor; Columbus, OH 43215.
   **Property Owner(s):** The Applicant.
   **Planner:** Shannon Pine; 645-2208; spine@columbus.gov

**BACKGROUND:**

- The 2.7± acre site consists of a single-unit dwelling in the CPD, Commercial Planned Development District, and a 35-unit supportive-housing apartment building in the L-AR-O, Limited Apartment Office District, each on separate parcels. The applicant proposes the L-AR-O, Limited Apartment Office District to construct a new 40-unit supportive-housing apartment building that will be attached to the existing apartment building, with reconfigured parcels to create two subareas.

- To the north and south are single-unit dwellings in Franklin Township. To the east is a single-unit subdivision in the R-2, Residential District. To the west across Harrisburg Pike are single-unit dwellings and a church in Franklin Township.

- The site is within the planning area of the Southwest Area Plan (2009), which recommends medium density residential uses (up to 12 units/acre) for this location. Staff recognizes that aspects of this use differ from conventional apartment residential development, and supports the increased density.

- The site is located within the boundaries of the Southwest Area Commission, whose recommendation is for approval of the requested district, but the written recommendation had not been received at the time this report was finalized.

- The limitation text includes maximum number of units, setbacks, street trees, screening, and lighting controls, and commits to a site plan. Companion CV15-070 has been filed to vary parking lot landscaping, maneuvering over a property line, a parking space reduction, and reductions to setbacks and yard standards. That
request will be heard by City Council and will not be considered at this Development Commission meeting.

- The *Columbus Thoroughfare Plan* identifies Harrisburg Pike as a 4-2D arterial requiring a minimum of 60 feet of right-of-way from centerline.

**CITY DEPARTMENTS RECOMMENDATION:** Approval.

The requested L-AR-O, Limited Apartment Office District will permit a 75-unit supportive-housing apartment development with a commitment to a site plan and development standards in consideration of the abutting residential lots. The text also includes provisions for setbacks, street trees, screening in the form of a privacy fence along the site boundaries, and lighting controls. The proposed use is comparable with the land use recommendation of *Southwest Area Plan* for medium density residential development.
