## II. Approval of Minutes from Last Meeting

DISCUSSION: N/A

MOTION: To approve the minutes of December 17, 2025

MOTION BY: Crawley/Sweeney (3-1-0) **APPROVED**. (Schmidt Abstained)

## III. Conceptual Applications

### 1) **COA2600660**

610 W. Town St.

Grateful Development

**Demolition, Change in Use, Exterior Building Modification**

DISCUSSION:

**Sweeney:**

- Filling in the parking lot to the southwest is great as the development celebrates Town and Grubb streets.

**Crawley:**

- The project seems “bare bones” due to the targeting of low-income residents.
- The choice of not having retail space negatively affects the walkability/connectivity of the area.

- The project should include more active amenity space for the residents to encourage walkability.

**Schmidt:**

- Town street is a feeder into the neighborhood. The applicant is encouraged to activate the space along Town street with mixed-use opportunities.
- If the space is not utilized as mixed-use, better activation of the front façade is preferred. More delineated entrances from the street is preferred.
- Opportunities for murals/public art is encouraged.
- A barrier between the sidewalk and street with street trees is encouraged to create a more friendly walkable environment.

**Fergus:**

- Would encourage some sort of coffee shop or retail opportunity.
