

## Historic Preservation Office Approved Wood Window List

Below is a list of all-wood (interior/exterior) windows that have been reviewed by the Brewery District, German Village, Historic Resources, Italian Village, and Victorian Village Commissions. These wood windows may be administratively approved by Historic Preservation Office staff. The appropriateness of any particular window model or sash muntin pattern will be determined by H.P.O. staff, based on any photographic or existing evidence of the original windows and/or its compatibility with the style and age of the building. Any wood window that is not on this list requires the submission of a window sample and review by the appropriate commission at a regular monthly hearing. **All window repair or replacement projects require a Certificate of Appropriateness from the Historic Preservation Office and a Permit with the Building and Zoning Services Division (645-6090) before work begins.**
