RFQ030954 - CA/CI Services 2026-2028

1.1 Scope: The City of Columbus, Department of Public Utilities is receiving proposals until August 29, 2025, at 1:00 PM local time for professional engineering services for the Department of Public Utilities' Construction Administration/Construction Inspection Services 2026-2028, C.I.P. No. 690549-100016, 650800-100040, and 670869-100003. The Department of Public Utilities wishes to enter into Construction Administration/Inspection Services contracts for projects with the Division of Water (DOW), the Division of Water Reclamation (DWR), and the Division of Power (DOP). CWP may select up to seven (7) firms to provide these services. The selected consultant will furnish construction administration services on specific projects as identified by each division. Each division will furnish construction documents to the consultant for review and determination of costs to provide the services. An initial Construction Administration/Inspection Services contract will be developed for each selected consultant. Each contract will be modified as needed during the three (3) year period for additional projects. The purpose of this contract is to provide general engineering services for Construction Administration/Inspection Services to the Division of Water (DOW), the Division of Water Reclamation (DWR), and the Division of Power (DOP) on an "as-needed" basis for work. The City intends to assign construction phase services to this contract based on the timing of the construction bid advertisement date using a three-year "assignment window" that starts when the CA/CI contract is initiated. Based on an anticipated CA/CI contract starting date of January 2026, the three-year assignment window for this contract is anticipated to run from January 2026 through December 2028. All RFP documents shall be downloaded from Bonfire at [www.bonfire.com](http://www.bonfire.com). Hard copies will not be provided.
