Columbus South Side Area Commission Zoning Policy

The following are the steps to follow in order to complete the process for variances within the Columbus South Side Area Commission (CSSAC) boundaries.

Council Variances or BZA Applications:

1. File application for demolition or variance with the City Buildings Department.
2. Contact the CSSAC Zoning Chair, by email at (zoning chair email) to alert them that an application has been filed.
3. Receipt of application from the City is necessary for the process to continue. No requests for variance will be considered until the application has been received by the CSSAC Zoning Chair from the city buildings department.
4. Once the application has been received, an email or phone call will be sent to the applicant and area civic association representative informing them of the application and explanation of the request. Zoning Chair will forward application to each of the committee members and presidents of affected civic associations. Further, if the application is located on a border of an adjacent area commission, the Zoning Chair shall notify said area commission. The civic association will have 45 days to return a recommendation to CSSAC.
5. If the Zoning Chair determines a project is of significant magnitude to warrant additional notice and discussion, the Zoning Chair may issue appropriate 7-day public notice of a special, informational meeting to discuss the application, which the applicant is required to attend. The affected civic associations may request a public meeting via the Zoning Chair, which will be approved at the sole discretion of the Zoning Chair. Special meetings shall be conducted at a public location and open to the general public.
6. Following special meetings as outlined in step 5 or in the event special meetings are not warranted, the applicant must attend the next scheduled civic association meeting to present the reasons for the request. Applicants are required to appear before the civic association no more than one time per application.

7. Upon considering the request, the civic association will issue a recommendation and send notice via email to the CSSAC Zoning Chair (zoning chair email) within 3 business days containing the completed City of Columbus approved zoning form including the outcome of the vote and additional reasons or concerns of the Civic Association regarding the application. In the event a civic association fails to respond within 45 days to the CSSAC Zoning Chair or request additional time from the CSSAC Zoning Chair, the Commission will proceed as if the civic association has no objections to the request. If additional time is requested, it should not unreasonably delay the ability of the zoning committee and/or the commission from processing a zoning application in a timely manner.
8. Considering the request, the civic association will issue a recommendation and send notice via email to the CSSAC Zoning Chair (zoning chair email) within 3 business days containing the completed City of Columbus approved zoning form including the outcome of the vote and additional reasons or concerns of the Civic Association regarding the application. In the event a civic association fails to respond within 45 days or request additional time, the Commission will proceed as if the civic association has no objections to the request.
9. If any variance is determined to represent an existing condition that predates the establishment of the city zoning code, the variance will be automatically deemed as approved by the Zoning Committee and by the CSSAC full commission. If all variance requests for an application are existing conditions, the applicant will not be required to attend Site or full commission hearings and the CSSAC Zoning Chair will notify the city of the approval
10. The CSSAC Zoning Chair will schedule the application for the next regularly scheduled Zoning Site Hearing. At that time the Zoning Committee will meet and determine a recommendation of the request to be presented at the upcoming CSSAC meeting, with consideration of the civic association's recommendation. After two site hearings where the applicant is a no-show, no site hearing will be scheduled until the applicant reaches out to the CSSAC zoning chair(s) indicating readiness and availability to attend a site hearing.
11. The applicant must attend the next regularly scheduled CSSAC meeting. Failure to attend the meeting will delay the application or result in a non-approval vote by the CSSAC. CSSAC offers the opportunity for members of the public to offer testimony regarding all zoning applications. The Commission will accept three speakers in favor and three opposed in addition to the representative of civic associations affected by the request. The civic association representative may have up to 5 minutes to speak. All comments will be limited to three minutes. The applicant will receive up to 10 minutes to present the project and respond to questions from commissioners and those raised by speakers.
12. Final decision will be made at the meeting unless the CSSAC asks for additional information regarding the request. The Commission will then table the request and bring it up for consideration at the next regularly scheduled commission meeting.

CSSAC Chair Jey CSSAC Vice Chair KG CSSAC By-Laws Rep TML

13. Following the Commission vote, all forms will be signed and sent to the appropriate City official for final submission of CSSAC recommendation on the request within three business days. Applicant shall provide Zoning Chair with completed forms excepting the fields of vote, comments, and signature.

Demolition Permits are handled as follows:

1. Submit application and payment to City Buildings Department.
2. Once received, the Zoning Chair will notify all Zoning Committee members and appropriate civic association presidents of said demolition request.
3. If the demolition request is part of a previously approved Council or BZA variance application, the CSSAC will immediately send the demolition approval to city staff. Otherwise, any party has 10 business days to request additional information or to ask for a site hearing in the matter.
4. After the 10 days the Zoning Chair will visit the site to confirm the site address and give signature to party applying for the permit.
5. The Zoning Chair shall visually inspect the site 30 days later to ensure said demolition is complete.

All Zoning Committee members shall be sworn members and shall follow all South Side Area Commission Bylaws and Columbus City Code.

Although your request may be of an urgent nature to you, the CSSAC has put this process into place to protect the development and demolition of buildings in the area. Please understand that all commissioners are volunteers and want to work with you to get things accomplished, while maintaining the integrity of the South Side of Columbus. It is important that you plan for this process in your timeline. The CSSAC highly recommends applicants engage the appropriate civic association early in the process, possibly before a formal application is submitted to the City, to ensure the process runs smoothly and as quickly as possible.

City of Columbus Civilian Police Review Board

Hybrid or Virtual Meeting Policy

Effective Date: 12/2/2025

BACKGROUND

The 135th General Assembly, through House Bill 257, amended the Ohio Open Meetings Laws to enact Revised Code (“R.C.”) Section 121.221. This section allows public bodies to hold and attend meetings virtually, subject to the provisions in R.C. 121.221(B)(3). This policy outlines the requirements and procedures for the Civilian Police Review Board and its committees (“CPRB”) to conduct virtual and hybrid meetings.

PURPOSE

To provide guidance for virtual and hybrid meetings of the CPRB in compliance with R.C. 121.221.

POLICY

It is the policy of the CPRB to conduct virtual and hybrid meetings to efficiently facilitate the business of the Board and its committees in compliance with R.C. 121.221.

SECTION 1: DEFINITIONS

“Hybrid Meeting” means a meeting where some members attend in person and others attend via electronic means (video conference or similar technology).

“Virtual Meeting” means a meeting of the CPRB in which all members participate by Teleconference Technology as authorized by Section 121.221 of the Ohio Revised Code.

“Teleconference Technology” means video conference or any other similar electronic technology that allows CPRB members to be seen and heard at all times during a meeting.

“Primary Meeting Location” means the publicly accessible physical location where the CPRB typically holds meetings.

SECTION 2: AUTHORIZATION

The CPRB may hold hybrid or fully virtual meetings provided the procedures outlined in this policy are followed and are in accordance with applicable law.

SECTION 3: NOTICE OF HYBRID OR VIRTUAL MEETINGS

At least seventy-two (72) hours in advance of the Hybrid or Virtual Meeting, the CPRB shall use reasonable methods to notify the public, the media that have requested notification of a meeting, and all Board members, of the specifics of the meeting, to include the Primary Meeting Location and/or Teleconference Technology as applicable, date and time of the meeting, instructions/login credentials for public access, and agenda for the meeting.

City of Columbus Civilian Police Review Board
Hybrid and Virtual Meeting Policy
Effective Date: 12/2/2025

SECTION 4: PUBLIC ACCESS TO HYBRID OR VIRTUAL MEETINGS

The CPRB shall provide the public access to all Hybrid and Virtual Meetings commensurate with the method in which the meeting is being conducted, including for example, livestreaming by means of the internet, television, cable, or public access channels, or by means of any other similar electronic technology; and if Hybrid, the Primary Meeting Location where the in-person meeting will be conducted. For virtual meetings, the CPRB shall ensure the public can observe and hear the discussions and deliberations of all the members of the CPRB. The CPRB shall provide a means, through the use of electronic technology that is widely available to the general public, to permit public comment, if applicable, at Virtual Meetings.

SECTION 5: MEMBER PARTICIPATION

Members of the CPRB who intend to attend a Virtual Meeting by means of Teleconference Technology shall so notify the CPRB Chairperson or his or her designee not less than forty-eight (48) hours before the meeting unless circumstances render it impossible or impracticable to do so.

SECTION 6: VOTING PROCEDURE

All votes taken in a Virtual or Hybrid Meeting shall be taken by roll call vote unless there is a motion for unanimous consent, and the motion is not objected to by a member of the CPRB. If a vote is taken unanimously, the CPRB shall provide the public with information on how the members of the public body voted, including any members who abstained from voting.

SECTION 7: TECHNICAL REQUIREMENTS

The CPRB shall maintain or have access to technology sufficient to conduct, record, and maintain Hybrid or Virtual Meetings with clear video and audio.

In case of technical failure, the meeting shall be paused until the issue is resolved or rescheduled if necessary.

SECTION 8: LIMITATIONS ON VIRTUAL MEETINGS

The CPRB may not hold, and no Board member may attend or conduct, a Hybrid or Virtual Meeting if any of the following apply:

- The meeting involves a vote to approve a “major nonroutine expenditure;” a “major nonroutine expenditure” means any expenditure of significant costs or expense that the Chairperson and Vice Chairperson jointly determine should be addressed only at an in-person meeting;
- The meeting involves a vote to approve a “significant hiring decision;” a “significant hiring decision” means voting to engage by contract a qualified individual to serve as Inspector General, or any other hiring decision the Chairperson and Vice Chairperson jointly determine should be addressed at an in-person meeting; or
- The meeting involves a purpose to propose, approve, or vote on a tax issue or tax increase.

City of Columbus Civilian Police Review Board

Hybrid and Virtual Meeting Policy

Effective Date: 12/2/2025

A majority of seated members of any committee may require a committee meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance. A majority of seated members of the Board may require a regular Board meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance.

SECTION 9: HEARINGS

This Policy shall not apply to any hearing to be conducted before the CPRB. All hearings before the CPRB shall be conducted fully in-person at the location, date and time to be noticed by the CPRB.

SECTION 10: RECORDING AND DOCUMENTATION

All Hybrid and Virtual Meetings may be recorded and such recordings retained in accordance with the CPRB's records retention policy. Recordings of Hybrid and Virtual Meetings may serve as the minutes for those meetings. In the absence of a recording, written minutes must be taken and maintained in accordance with the CPRB's records retention policy.

SECTION 11: BASIC PRINCIPLES OF HYBRID AND VIRTUAL MEETINGS

Formal action of any kind taken during a Hybrid or Virtual Meeting has the same effect as if it occurred during an in-person open meeting of the CPRB.

Members of the CPRB who attend a Hybrid or Virtual Meeting by means of Teleconference Technology shall be considered present as if in person at the meeting, shall be permitted to vote, and shall be counted for purposes of determining whether a quorum is present at the meeting. In order to be considered in attendance at a Hybrid or Virtual Meeting, members of the CPRB must have a sufficient internet or other electronic connection to allow the member to be seen and heard clearly and must be visible at all times during the meeting.

SECTION 12: APPLICATION OF LAW

Notwithstanding the existence of this policy, the CPRB hereby informs the public that it shall comply with the requirements of R.C. 121.221 and any amendments thereto, that supersede and take precedence over this policy. The Board retains the right to amend this policy at any time in accordance with the Revised Code or as may be provided for in the Columbus City Codes.

SECTION 13: EXECUTIVE SESSION

Nothing in this policy shall limit the right of the CPRB to meet in executive session in accordance with R.C. 121.22(G). CPRB members participating in executive session by means of Teleconference Technology shall ensure that no one other than the CPRB members and those invited by the CPRB to attend the session are able to hear the discussion in executive session and shall take such other steps as may be necessary to preserve the confidentiality of the executive session.

BACKGROUND

The 135th General Assembly, through House Bill 257, amended the Ohio Open Meetings Laws to enact Revised Code (“R.C.”) Section 121.221. This section allows public bodies to hold and attend meetings virtually, subject to the provisions in R.C. 121.221(B)(3). This policy outlines the requirements and procedures for the Civilian Police Review Board and its committees (“CPRB”) to conduct virtual and hybrid meetings.

PURPOSE

To provide guidance for virtual and hybrid meetings of the CPRB in compliance with R.C. 121.221.

POLICY

It is the policy of the CPRB to conduct virtual and hybrid meetings to efficiently facilitate the business of the Board and its committees in compliance with R.C. 121.221.

SECTION 1: DEFINITIONS

“Hybrid Meeting” means a meeting where some members attend in person and others attend via electronic means (video conference or similar technology).

“Virtual Meeting” means a meeting of the CPRB in which all members participate by Teleconference Technology as authorized by Section 121.221 of the Ohio Revised Code.

“Teleconference Technology” means video conference or any other similar electronic technology that allows CPRB members to be seen and heard at all times during a meeting.

“Primary Meeting Location” means the publicly accessible physical location where the CPRB typically holds meetings.

SECTION 2: AUTHORIZATION

The CPRB may hold hybrid or fully virtual meetings provided the procedures outlined in this policy are followed and are in accordance with applicable law.

SECTION 3: NOTICE OF HYBRID OR VIRTUAL MEETINGS

At least seventy-two (72) hours in advance of the Hybrid or Virtual Meeting, the CPRB shall use reasonable methods to notify the public, the media that have requested notification of a meeting, and all Board members, of the specifics of the meeting, to include the Primary Meeting Location and/or Teleconference Technology as applicable, date and time of the meeting, instructions/login credentials for public access, and agenda for the meeting.

SECTION 4: PUBLIC ACCESS TO HYBRID OR VIRTUAL MEETINGS

The CPRB shall provide the public access to all Hybrid and Virtual Meetings commensurate with the method in which the meeting is being conducted, including for example, livestreaming by means of the internet, television, cable, or public access channels, or by means of any other similar electronic technology; and if Hybrid, the Primary Meeting Location where the in-person meeting will be conducted. For virtual meetings, the CPRB shall ensure the public can observe and hear the discussions and deliberations of all the members of the CPRB. The CPRB shall provide a means, through the use of electronic technology that is widely available to the general public, to permit public comment, if applicable, at Virtual Meetings.

SECTION 5: MEMBER PARTICIPATION

Members of the CPRB who intend to attend a Virtual Meeting by means of Teleconference Technology shall so notify the CPRB Chairperson or his or her designee not less than forty-eight (48) hours before the meeting unless circumstances render it impossible or impracticable to do so.

SECTION 6: VOTING PROCEDURE

All votes taken in a Virtual or Hybrid Meeting shall be taken by roll call vote unless there is a motion for unanimous consent, and the motion is not objected to by a member of the CPRB. If a vote is taken unanimously, the CPRB shall provide the public with information on how the members of the public body voted, including any members who abstained from voting.

SECTION 7: TECHNICAL REQUIREMENTS

The CPRB shall maintain or have access to technology sufficient to conduct, record, and maintain Hybrid or Virtual Meetings with clear video and audio.

In case of technical failure, the meeting shall be paused until the issue is resolved or rescheduled if necessary.

SECTION 8: LIMITATIONS ON VIRTUAL MEETINGS

The CPRB may not hold, and no Board member may attend or conduct, a Hybrid or Virtual Meeting if any of the following apply:

- The meeting involves a vote to approve a “major nonroutine expenditure;” a “major nonroutine expenditure” means any expenditure of significant costs or expense that the Chairperson and Vice Chairperson jointly determine should be addressed only at an in-person meeting;
- The meeting involves a vote to approve a “significant hiring decision;” a “significant hiring decision” means voting to engage by contract a qualified individual to serve as Inspector General, or any other hiring decision the Chairperson and Vice Chairperson jointly determine should be addressed at an in-person meeting; or
- The meeting involves a purpose to propose, approve, or vote on a tax issue or tax increase.

A majority of seated members of any committee may require a committee meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance. A majority of seated members of the Board may require a regular Board meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance.

SECTION 9: HEARINGS

This Policy shall not apply to any hearing to be conducted before the CPRB. All hearings before the CPRB shall be conducted fully in-person at the location, date and time to be noticed by the CPRB.

SECTION 10: RECORDING AND DOCUMENTATION

All Hybrid and Virtual Meetings may be recorded and such recordings retained in accordance with the CPRB’s records retention policy. Recordings of Hybrid and Virtual Meetings may serve as the minutes for those meetings. In the absence of a recording, written minutes must be taken and maintained in accordance with the CPRB’s records retention policy.

SECTION 11: BASIC PRINCIPLES OF HYBRID AND VIRTUAL MEETINGS

Formal action of any kind taken during a Hybrid or Virtual Meeting has the same effect as if it occurred during an in-person open meeting of the CPRB.

Members of the CPRB who attend a Hybrid or Virtual Meeting by means of Teleconference Technology shall be considered present as if in person at the meeting, shall be permitted to vote, and shall be counted for purposes of determining whether a quorum is present at the meeting. In order to be considered in attendance at a Hybrid or Virtual Meeting, members of the CPRB must have a sufficient internet or other electronic connection to allow the member to be seen and heard clearly and must be visible at all times during the meeting.

SECTION 12: APPLICATION OF LAW

Notwithstanding the existence of this policy, the CPRB hereby informs the public that it shall comply with the requirements of R.C. 121.221 and any amendments thereto, that supersede and take precedence over this policy. The Board retains the right to amend this policy at any time in accordance with the Revised Code or as may be provided for in the Columbus City Codes.

SECTION 13: EXECUTIVE SESSION

Nothing in this policy shall limit the right of the CPRB to meet in executive session in accordance with R.C. 121.22(G). CPRB members participating in executive session by means of Teleconference Technology shall ensure that no one other than the CPRB members and those invited by the CPRB to attend the session are able to hear the discussion in executive session and shall take such other steps as may be necessary to preserve the confidentiality of the executive session.

SECTION 14: POLICY REVIEW

This policy shall be reviewed as often as necessary and may be amended by a majority vote of the CPRB at any time.
