Legislation Number: 2954-2026

Drafting Date: 10/16/2026

Current Status: Passed

Version: 2

Matter Type: Ordinance

To amend Chapter 362 of the Columbus City Codes on the use of the Income Tax Set Aside subfund. ($0.00)

WHEREAS, the long-standing practices of setting aside 25% of the city's income tax proceeds for debt service and the limiting use of a coverage ratio are hallmarks of sound financial management; and

WHEREAS, however, since the code revision that ~~created~~ amended the Income Tax Set Aside fund (ITSA) was enacted in ~~2019~~ 2023, the city has seen an increasing reliance on the use of ~~these funds~~ this fund for ongoing operating expenses; and

WHEREAS, this practice is inconsistent with financial best practices in that it utilizes reserve funds for annual expenses and limits the city's capital capacity; **now, therefore,**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That Section 362.013 of the Columbus City Codes is hereby amended as follows:

362.013 ALLOCATION OF FUNDS
The funds collected under the provisions of this chapter shall be allocated for the following purposes and in the following order:

(A) Such part thereof as shall be necessary to defray all costs of collecting the taxes levied by Chapter 362, Columbus City Codes, and enforcing the provisions thereof;

(B) Such part thereof as council may appropriate to the general fund for the purpose of paying the cost of general municipal operations;

(C) Such part thereof as council may appropriate for the purpose of paying the cost of maintenance of, and the purchase of new equipment, motorized or other;

(D) Such part thereof as council may appropriate for the purpose of paying the cost of the repair and maintenance of streets;

(E) In any event, for each fiscal year, at least twenty-five (25) percent of all monies collected under Chapter 362 shall be deposited into a subfund of the general fund to be distributed for the following purposes and in the following order:

(1) For transfer to the city's debt retirement fund, amount(s) sufficient, taking into account the current balance in the debt retirement fund, to provide for the payment of principal and interest due during the current fiscal year on bonds and notes issued by the city and other debt obligations of the city which are to be paid from the debt retirement fund and not from another source of funds, and to provide for the payment of costs of debt issuance. Interest and principal due on bonds and notes issued in excess of the one (1) percent ~~limitations~~ limitation as authorized by Article XII, Section 2, of the Constitution of the state of Ohio, shall be first paid from said debt retirement fund before any payment may be made on interest or principal due on other notes or bonds. Notwithstanding anything in this division 362.013(E) to the contrary and pursuant to authority specifically conferred upon the City Auditor by council through approved debt ordinances, the City Auditor may pay any city arbitrage rebate obligations to the United States Department of the Treasury from the subfund at any time.

(2) Following the continuing satisfaction of (E)(1), at the request of the Director of the Department of Finance and Management, and by council appropriation, for current fiscal year expenditures and advances, excluding personnel costs. Qualifying expenses include the following:

(a) Costs associated with arbitrage remittances, including any legal or consultancy costs;

(b) **Costs associated with debt management, including any legal or consultancy costs as approved by the City Auditor;**

~~(b)~~ **(c)** Lease payments;

(d) Light duty automobiles and any corresponding costs necessary to deploy them;

(~~c~~) (**e**) The portion of income tax rebate associated with any economic development incentive or agreement;

(~~d~~**f**) Income tax payments to school districts as a function of compensation agreements;

(~~e~~**g**) Retirement of or additional payments against outstanding debt;

(h) Costs associated with cash financing capital improvements that have a useful life of five years or more, as approved by the City Auditor;

(i) Temporary advances as approved by the City Auditor in the ordinary course of financial administration; and

(~~f~~ **j**) Any other non-personnel expense.

~~(3) It shall be the responsibility of the City Auditor to determine the classification of expenses defined in subsection (2) of this section. The City Auditor shall categorize expenses incurred within the subfund since January 1, 2026.~~

~~(3) After January 1, 2027, those expenses categorized under 362.013(2)(f) cannot exceed ninety (90) percent of the total expenses similarly categorized in the prior fiscal year during the current fiscal year.~~

~~(3)~~ ~~(4)~~ **(3)** At the end of each fiscal year, for transfer to the city's debt retirement fund, such unencumbered cash as shall remain in the subfund following transfers or advances, encumbrances, and expenditures made pursuant to divisions (E)(1) and (2) of this section.

~~(F) The balance of funds deposited into the special fund authorized by former section 362.013(E) prior to January 1, 2024 shall be used solely for the payment of interest and principal on bonds and notes issued by the city until such funds are exhausted. Interest and principal due on bonds and notes issued in excess of the one (1)~~

~~percent limitations as authorized by Article XII, Section 2, of the Constitution of the state of Ohio, shall be first paid from said special fund before any payment may be made on interest or principal due on other notes or bonds.~~

(F) It shall be the responsibility of the Department of Finance and Management, in consultation with the City Auditor, to determine the classification of expenses defined in division (E)(2) of this section and categorize expenses incurred within the subfund since January 1, 2026. For the purposes of this classification, "expenses" shall mean anything that City Council has legislatively authorized during fiscal year 2026. The City Auditor shall audit all such classifications and make reclassifications based on the results of such audit.

(G) Beginning January 1, 2027, those expenses categorized under division (E)(2)(j) cannot exceed ninety (90) percent of the sum total of expenses and encumbrances similarly categorized in the prior fiscal year during the current fiscal year. In each year thereafter, the maximum allowable total expenses shall decrease an additional ten (10) percent from the total determined by the City Auditor under division (F).

(H) Notwithstanding the provisions in division (G), the City Auditor may, upon a determination of financial necessity, approve non-personnel expenditures not otherwise authorized under division (E)(2). Such expenses shall not be categorized as "any other non-personnel expenses" pursuant to division (E)(2)(j).

~~(F)~~ **(I)** The balance of funds deposited into the special fund authorized by former section 362.013(E) prior to January 1, 2024 shall be used solely for the payment of interest and principal on bonds and notes issued by the city until such funds are exhausted. Interest and principal due on bonds and notes issued in excess of the one (1) percent ~~limitations~~ limitation as authorized by Article XII, Section 2, of the Constitution of the state of Ohio, shall be first paid from said special fund before any payment may be made on interest or principal due on other notes or bonds.

SECTION 2. That current Section 362.013 is hereby repealed in its entirety.

SECTION 3. That this ordinance shall take effect at the earliest date allowable by law.

City RFPs, RFQs, and Bids

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

CITY OF COLUMBUS FORMAL BID OPPORTUNITIES ARE UPDATED DAILY AT :

Each proposal shall contain the full name and address of every person, firm or corporation intrested in the same, and if corporation, the name and address of President or Secretary.

EQUAL OPPORTUNITY CLAUSE: Each responsive bidder shall submit, with its bid, a contract compliance cretification number or a completed application for certification. Compliance with a provision of Article I, Title 39, is the condition of the contract. Failure to comply with this Article may result in cancellation of the contract.

WITHHOLDING OF INCOME TAX: All bidders are advised that in order for a contract to bind the city, each contract must contain the provisions found in Section 361.34 C.C.C. with regard to income taxes due or payable to the City of Columbus for wages, salaries and commissions paid to the contractor's employees as well as requiring those contractors to ensure that subcontractors withhold in a like manner.

LOCAL CREDIT: In determining the lowest bid for a contract the local bidder credit will not be applied.

BID OPENING DATE - 5/8/2026 10:00:00 AM

RFQ032577 - Vision Zero - Vulnerable Road User Plan (VRU)

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until May 8, 2026 at 10:00 A.M. local time, for professional services for the Vision Zero –Vulnerable Road User Plan (VRU) RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at https://columbus.bonfirehub.com/login. This project consists of developing a comprehensive vulnerable road user safety plan that serves as both a supplement to our existing action plan (2023-2028) and informs necessary strategies for our next safety action plan, a pedestrian priority network, and a new 5-year Safe Routes to School travel plan. The project will focus on vulnerable road users defined by their mode of transportation (pedestrians, bicyclists and motorcycle riders) as well as demographic subgroups with traffic safety vulnerabilities. The planning process will require an equitable, inclusive, data-informed approach. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at https://columbus.bonfirehub.com/login as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on Bonfire at https://columbus.bonfirehub.com/login. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at https://columbus.bonfirehub.com/login after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/login in order to sign up.

BID OPENING DATE - 5/13/2026 3:00:00 PM

RFQ032441 - SWRP Switching Station Replacement (CMAR contractor)

This is an announcement of a Request for Proposals. All proposals should be entered on to bidexpress.com and not on this service. This contract is for a Construction Manager at Risk (CMAR). The CMAR will involved with the design and construction process. The CMAR will help with value engineering, management of plant operations, construction sequencing, schedule management, and cost management. Once preconstruction services are complete, or at several milestone points, the CMAR will bid out packages for the City to choose from. This will begin the construction of the project. From that point, the CMAR will act as the prime contractor and will schedule and perform construction services necessary to complete the project.

RFQ032572 - Watershed Roadway Pt 6 Home Road Marina

1.1 Scope: The City of Columbus, Department of Public Utilities is receiving bids until May 13, 2026, at 3:00 P.M. Eastern time for construction of the Division of Water's Watershed Roadway Improvement Part 6 & Home Road Marina Maintenance, C.I.P. Numbers. 690384-100006 & 691502-100001, the work for which consists of the resurfacing and limited full depth replacement of pavement around Griggs Reservoir and resurfacing of Home Road Marina and other work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, special provisions, and City of Columbus Construction and Material specifications set forth in this Invitation For Bid (IFB). Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. The last day to submit Questions pertaining to this invitation for bid must be submitted by May 6, 2026, 5:00 PM Eastern Time via email to DPUConstructionBids@columbus.gov. The email should reference the project number and the project name. No phone calls will be accepted. Questions will be answered via an addendum issued for the bid. Typically, questions are held and answered via an addendum posted approximately one week before the bid due date. The department may choose to issue multiple addendums and answer questions more frequently .. A pre-bid meeting will not be held. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. 1.4 City of Columbus SRBE Program: This project is NOT subject to the requirements of the City's SRBE Program. The SRBE goal assigned to this project is 0.0%.

BID OPENING DATE - 5/14/2026 11:00:00 AM

BID OPENING DATE - 5/19/2026 2:00:00 PM

RFQ032725 - Dry Run Streambank Restoration

The City of Columbus (hereinafter “City”) is accepting bids for Dry Run Streambank Restoration, the work for which consists of repair and restoration of approximately 500 meter of natural streambanks located southeast of Westmoor Park, 3015 Valleyview Dr, Columbus, OH 43204, and other such work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, plans and City of Columbus Construction and Material specifications set forth in this Invitation For Bid (IFB). WHERE & WHEN TO SUBMIT BID Bids will be received by the City of Columbus, Department of Recreation & Parks, Design & Construction, at www.bidexpress.com until May 19th, 2026 at 2:00 P.M. Eastern Time. DRAWINGS AND TECHNICAL SPECIFICATIONS Drawings and technical specifications are available as separate documents at www.bidexpress.com. Drawings and technical specifications are contract documents. PRE-BID CONFERENCE A mandatory pre-bid conference will be held for this project starting at Westmoor Park at 9:00 AM on Tuesday, May 5, 2026. Attendees will be expected to walk the length of the access route and construction area and identify constraints to efficient completion of this project under the required timeline stated below. Subsequent clarification to contract documents will be issued via addendum. NOTICE TO PROCEED/CONTRACT COMPLETION The City anticipates issuing a notice to proceed on or about July 10, 2026. Heavy earthwork is expected to be substantially complete, with natural stream flow reestablished, no later than September 30, 2026. Final completion including all restoration, tree planting and seeding is to be complete by November 30, 2026. QUESTIONS CONCERNING THE BID DOCUMENTS OR PROJECT Questions pertaining to the drawings, plans, specifications, IFB, and/or other contract documents must be submitted in writing to the Department of Recreation & Parks, by email to cmscannell@columbus.gov on or before May 13, 2026 at 5PM. No phone calls will be accepted.

RFQ032726 - Busch Ball Diamond Park Turf Installation-REBID 1

The City of Columbus (hereinafter “City”) is accepting bids for Busch Ball Diamond Park Turf Installation - REBID 1, the work for which consists of installation of new artificial turf infields and the associated site work including earthwork, stormwater, concrete, and fencing installation, and other such work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, plans and City of Columbus Construction and Material specifications set forth in this Invitation For Bid (IFB). WHERE & WHEN TO SUBMIT BID Bids will be received by the City of Columbus, Department of Recreation & Parks, Design & Construction, at www.bidexpress.com until May 19th, 2026, at 2:00 P.M. Eastern Time. There will not be a public bid opening for this project. The opening of bids for the Busch Ball Diamond Park Turf Installation - REBID 1 project will proceed according to City Code Chapter 329 and will be opened online and the results made available to the public via Bid Express. DRAWINGS AND TECHNICAL SPECIFICATIONS Drawings and technical specifications are available as separate documents at www.bidexpress.com. Drawings and technical specifications are contract documents. NOTICE TO PROCEED/CONTRACT COMPLETION The City anticipates issuing a notice to proceed on or about mid-October 2026. All work is to be completed by June 30th, 2027. QUESTIONS CONCERNING THE BID DOCUMENTS OR PROJECT Questions pertaining to the drawings, plans, specifications, IFB, and/or other contract documents must be submitted in writing to the Department of Recreation & Parks, by email to aaazar@columbus.gov on or before 5/12/26. No phone calls will be accepted.

BID OPENING DATE - 5/20/2026 10:00:00 AM

RFQ032672 - Intersection - Cassady Avenue and Airport Drive

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until May 20, 2026 at 10:00 A.M. local time, for professional services for the Intersection - Cassady Avenue and Airport Drive RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at https://columbus.bonfirehub.com/login. This project consists of installing turn lanes in the southbound and westbound directions at the intersection of Cassady Ave at Airport Drive. The intersection of Cassady Ave at Austin Manor Boulevard/Plaza Properties Boulevard will be converted from signal controlled to a single lane roundabout. A shared use path will be constructed on the west side of Cassady Ave from Demonye Road to Austin Manor Blvd/Plaza Properties Blvd. Improvements also include sidewalk on the east side of Cassady Ave as needed, lighting improvements, pavement resurfacing, and access management. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at https://columbus.bonfirehub.com/login as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on Bonfire at https://columbus.bonfirehub.com/login. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at https://columbus.bonfirehub.com/login after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/login in order to sign up.

BID OPENING DATE - 5/20/2026 1:00:00 PM

RFQ032637 - Facilities - Marion Road Refuse Warehouse Renovation Ph 1

1.1 Scope: The City of Columbus, Department of Public Service is receiving bids until May 20, 2026, at 1:00 PM local time, for construction services for the Facilities – Marion Road Refuse Warehouse Renovation Ph 1 project. Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. This project involves the demolition of roof mounted HVAC equipment, installation of a new roofing system, and installation of new ground mounted HVAC equipment. Work also includes demolition of old office space, construction of new office space and locker rooms, and reconfiguration of storage areas. The building will be continuously occupied during construction. This project contains several alternates related to asphalt and parking lot work, as well as window installation, and other such work as may be necessary to complete the contract, as set forth in this Invitation For Bid (IFB). All questions concerning this project are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the IFB; phone calls will not be accepted. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. A pre-bid meeting will be held prior to bid opening Tuesday, April 21st, 2026 at 8:30 A.M. at 1265 Marion Road, Columbus, OH 43207. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on www.bidexpress.com. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. BID OPENING DATE - 5/20/2026 3:00:00 PM

RFQ032616 - Blueprint Miller Kelton Newton Bedford (Rain Garden)

1.1 Scope: The City of Columbus, Department of Public Utilities, is receiving bids until May 13, 2026, at 3:00 PM Eastern Time for construction services for the CIP #650870-101201 Blueprint Miller Kelton Newton Bedford Rain Garden project. Bids are to be submitted only through Bid Express at www.bidexpress.com. Hard copies or emails will not be accepted. This project consists of construction of three bioretention basins at following locations: 601-603 S. Champion Avenue, 717-723 Miller Avenue, and 663 Miller Avenue on City owned property. The project also includes modifications to existing stormwater collection and conveyance system, relocation of water lines, removal/replacement of sidewalk, stone and concrete curbs and asphalt pavement within Public Right-of-Way and acquired temporary easements plus other such work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, special provisions, and City of Columbus Construction and Material Specifications set forth in this Invitation For Bid (IBF). All questions concerning this bid are to reference the project number and the project name and be sent to DPUConstructionBids@columbus.gov. No phone calls concerning questions about the bid will be accepted. The last day to submit questions will be specified in the IFB. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. A pre-bid meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services website and the addenda will be posted on Bid Express at www.bidexpress.com.

RFQ032617 - SCADA Radio Improvements

1.1 Scope: The City of Columbus, Department of Public Utilities is receiving bids until May 13, 2026, at 3:00 P.M. Eastern time for construction of the Division of Water's Watershed Roadway Improvement Part 6 & Home Road Marina Maintenance, C.I.P. Numbers. 690384-100006 & 691502-100001, the work for which consists of the resurfacing and limited full depth replacement of pavement around Griggs Reservoir and resurfacing of Home Road Marina and other work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, special provisions, and City of Columbus Construction and Material specifications set forth in this Invitation For Bid (IFB). Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. The last day to submit Questions pertaining to this invitation for bid must be submitted by April 29, 2026, 5:00 PM Eastern Time via email to DPUConstructionBids@columbus.gov and the City project manager Steve Nocera at sanocera@columbus.gov. The email should reference the project number and the project name. No phone calls will be accepted. Questions will be answered via an addendum issued for the bid. Typically, questions are held and answered via an addendum posted approximately one week before the bid due date. The department may choose to issue multiple addendums and answer questions more frequently .. A pre-bid meeting will not be held. 1.2 Classification: Most bid documents will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Some bid documents, such as plans and technical specifications, will not be posted on Bid Express as this is considered a secure infrastructure project. Instructions on how to obtain these documents are stated in Bid Express. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. 1.4 U.S. EPA Subcontractor DBE Goals: This project is anticipated to be financed with an Ohio Environmental Protection Agency (OEPA) loan. The loan has a U.S. EPA DBE goal of 5.4% associated with it. The OEPA goal is a subcontracting goal, not an overall contract goal.

BID OPENING DATE - 5/27/2026 1:00:00 PM

RFQ032746 - Dorrian Green Parking Garage Repair

1.1 Scope: The City of Columbus, Department of Public Service is receiving bids until May 27, 2026, at 1:00 PM local time, for construction services for the Dorrian Green Parking Garage Repair project. Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. This project involves the construction of several vent covers to match existing structures in the park. The intent is to better protect subterranean equipment without drawing attention to the structures. There will be a gutter and flashing project to close off exposure to the west wall of the garage along the ramp, concrete repair, and other such work as may be necessary to complete the contract, as set forth in this Invitation For Bid (IFB). All questions concerning this project are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the IFB; phone calls will not be accepted. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. A pre-bid meeting will be held prior to bid opening Tuesday, MAY 5, 2026 AT 11:30 A.M at 50 Belle Street, Columbus, Ohio 43215. Please park in the garage and meet by the garage office and the site visit will commence from there.. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on www.bidexpress.com. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. 1.4 Vendor Registration: Vendors must register on the Vendor Services portal before doing business with the City of Columbus. To get registered, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. After vendor registration, you will receive an email inviting you to complete the required Contract Compliance (EBO) Questionnaire. Vendors must be contract compliant in order to do business with the City of Columbus. To get compliant, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. To complete our online certification application, track the status of your application and receive a copy of your certification approval letter, visit: https://columbus.diversitycompliance.com/. For more certification information or questions, contact us at: DiversityCertifications@columbus.gov.

BID OPENING DATE - 6/25/2026 1:00:00 PM

RFQ032787 - 2026 Home Road Plant Fiber Build

1.1 Scope: The City of Columbus, Department of Technology is receiving bids until June 25, 2026, at 1:00 PM local time, for construction services for the 2026 Home Road Plant Fiber Build project. Bids are to be submitted only at www.bidexpress.com. The project involves running a new 288 strand fiber optic cable from the Columbus Traffic Signal System at the intersection of Sawmill Road and Summit View Road West to the “meet-up” manhole for the Administration Building of the new Home Road Water Plant located at 5993 Home Road. In addition to this main trunk cable there will be several additional sites that, using 24 fiber optic strand cable drops will also have fiber connections made, those being the Summit View Water Tower at 3995 Summit View Road, the O'Shaughnessy Dams West Gatehouse, which will also connect the O’Shaughnessy Substation at 5959 Glick Road and the dams Powerhouse located at the base of the dam, the Division of Water’s facilities in the Center Gatehouse on the O’Shaughnessy Dam, and the Boating Education Facility at 9610 Riverside Drive. These new fiber optic cables will be placed to enable the City to provide fiber optic connections to serve the data networks, the security cameras, SCADA systems, and any Wi-Fi networks of the Department of Public Utilities and the Recreation and Parks Department. It will also position us to create a bi-directional fiber optic connection to serve these facilities from two different data centers and open up new avenues for future expansion to other future sites in the northwest quadrant of the city such as the Columbus Zoo and a township fire station. A pre-bid walk through will be held June 4, 2026. See the IFB book for locations and schedule. All questions concerning this project are to be sent to DOTprocurement@columbus.gov. The last day to submit questions will be specified in the IFB; phone calls will not be accepted. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up.

RFQ032963 - Roadway – Polaris Parkway – Gemini Place To South Old State

1.1 Scope: The City of Columbus, Department of Public Service is receiving bids until June 25, 2026, at 1:00 PM local time, for construction services for the Roadway - Polaris Parkway - Gemini Place to South Old State Road project. Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. This project involves the widening of northbound Polaris Parkway to three lanes from Gemini Place to approximately 1000' south of South Old State Road and widening of southbound Polaris Parkway to three lanes from Antares Avenue to approximately 67' west of Antares Avenue. The project will also widen eastbound Antares Avenue to four lanes to include a 210' right turn lane at the intersection of Polaris Parkway. Work includes full depth pavement widening, resurfacing in widening areas, curb and gutter, sidewalk, drive reconstructions, new storm sewer, ditches, and culverts, updated lighting, a new signal at the intersection of Polaris Parkway and Antares Avenue, and other such work as may be necessary to complete the contract, as set forth in this Invitation For Bid (IFB). All questions concerning this project are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the IFB; phone calls will not be accepted. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. A pre-bid meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on www.bidexpress.com. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. 1.4 Vendor Registration: Vendors must register on the Vendor Services portal before doing business with the City of Columbus. To get registered, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. After vendor registration, you will receive an email inviting you to complete the required Contract Compliance (EBO) Questionnaire. Vendors must be contract compliant in order to do business with the City of Columbus. To get compliant, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. To complete our online certification application, track the status of your application and receive a copy of your certification approval letter, visit: https://columbus.diversitycompliance.com/. For more certification information or questions, contact us at: DiversityCertifications@columbus.gov.

BID OPENING DATE - 8/12/2026 10:00:00 AM

RFQ033263 - Signals-Downtown Special Event Transportation Management Pla

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until August 12, 2026 at 10:00 A.M. local time, for professional services for the Signals - Downtown Special Event Transportation Management Plan RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at https://columbus.bonfirehub.com/login. This project consists of a qualified consultant team that will work with the City of Columbus and area stakeholders to develop a Downtown Special Event Transportation Management Plan for major events within the Arena District Area. The study will consider existing conditions for all modes of travel, parking inventory and safety needs to create operational and communication strategies for ingress/egress during major events near the Arena District. The Downtown Special Event Transportation Management Plan will serve as a single resource to the City and Stakeholders for event management in the Arena District Area that will include guidelines based on total attendance size, including guidance for when multiple venues are activated at the same time. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at https://columbus.bonfirehub.com/login as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on Bonfire at https://columbus.bonfirehub.com/login. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at https://columbus.bonfirehub.com/login after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/portal/?tab=openOpportunities in order to sign up.

BID OPENING DATE - 8/12/2026 3:00:00 PM

RFQ033220 - SMOC Phase VI Roof Replacement 650234-100110

1.1 Scope: The City of Columbus, Department of Public Utilities, is receiving bids until August 5, 2026, at 3:00 PM Eastern Time for construction services for the CIP #650234-100110 SMOC Phase 6 Roof Replacement project. BID OPENING DATE - 8/20/2026 11:00:00 AM

RFQ032709 - Plumbing Maintenance Services UTC

1.0 SCOPE, CLASSIFICATION, AND PROCESS 1.1 Scope: The City of Columbus (City) is seeking proposals to provide the City with routine maintenance, repair, and/or replacement of plumbing at various City facilities through a Universal Term Contract (UTC). The initial term of the proposed contract will be through September 30, 2029. The contract may be renewed for one additional year, or portion thereof, pursuant to Section 3.1.1.1 hereof. 1.2 Classification: Services pursuant to the UTC may be provided at all facilities owned, leased, or funded by the City that may require routine plumbing maintenance, repair, and/or replacement. Examples of work to be provided pursuant to the UTC include, but are not limited to, installing fixtures, installing new pipe, and troubleshooting and repairing existing plumbing systems. Work under this UTC may involve piping and fixtures for water, sewer, or natural gas systems. Bidders are required to show experience in providing these types of services pursuant to Sections 1.2.1 and 1.2.2 below. 1.2.1 Bidder Experience: Each bidder must submit an outline of its experience and work history in providing routine maintenance, repair, and/or replacement of plumbing services over the past five years. A list of the bidder’s qualified personnel with the requisite experience and licenses, if required, must be included in the work history outline. 1.2.2 Bidder References: Each bidder shall have documented, proven, successful contracts from at least four (4) of its customers that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Vendor Registration: Bidders must be registered as vendors with the City in order to submit a bid for this procurement. Bidders who have not yet registered should do so as soon as possible, as registration is not immediate. Please register at the City's Vendor Services portal. Guidance on how to register is provided in the City’s Vendor Services User Guide. Notices of any pre-bid notes and addenda will only be sent to bidders who are registered and have been invited to the RFQ. 1.3.1 The City has instructional videos to assist bidders at the Vendor Portal Help Screen. Tutorial videos are available to be viewed through YouTube here. 1.4 Specification Questions: Questions regarding this procurement must be submitted within the RFQ after logging in to the Vendor Services portal by 11:00 am Eastern time on Monday, July 27, 2026. Responses will be posted within the RFQ on the Vendor Services portal no later than July 30, 2026, at 1:00 pm Eastern time. 1.4.1 For instructions on how to submit questions through the Vendor Portal, please see Section Submit Vendor Question Regarding RFQ in the City’s Vendor Services User Guide.

RFQ033345 - TRAFFIC SIGNAL BATTERY BACKUP PH 2/2026 TRAFFIC FLOW MONITOR

1.1 Scope: The City of Columbus, Department of Public Service is receiving bids until August 20, 2026, at 1:00 PM local time, for construction services for the Traffic Signal Battery Backup Ph 2/2026 Traffic Flow Monitors project. Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. This project involves adding Traffic Signal Battery Backup (uninterruptible battery supply) cabinets at 20 various locations throughout Columbus. Which involves adding the cabinets, power supply, cabinet foundations, conduit, and interconnect equipment. Additionally, the project is to add and relocate Traffic Flow Monitors at 20 various locations. This involves adding monitors, cable, equipment, and other such work as may be necessary to complete the contract, as set forth in this Invitation For Bid (IFB). All questions concerning this project are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the IFB; phone calls will not be accepted. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. A pre-bid meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on www.bidexpress.com. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. 1.4 Vendor Registration: Vendors must register on the Vendor Services portal before doing business with the City of Columbus. To get registered, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. After vendor registration, you will receive an email inviting you to complete the required Contract Compliance (EBO) Questionnaire. Vendors must be contract compliant in order to do business with the City of Columbus. To get compliant, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. To complete our online certification application, track the status of your application and receive a copy of your certification approval letter, visit: https://columbus.diversitycompliance.com/. For more certification information or questions, contact us at: DiversityCertifications@columbus.gov.

BID OPENING DATE - 8/21/2026 12:00:00 PM

RFQ033371 - City of Columbus Facilities Management Warehouse Demolition

BID OPENING DATE - 8/28/2026 9:00:00 AM

RFQ033539 - 6005-SMOC-CLAY BRICK

BID OPENING DATE - 8/28/2026 1:00:00 PM

RFQ033267 - Sewer System Capacity Model-2026 (650460-100003)

The City of Columbus, Division of Water Reclamation, is receiving proposals until 8/28/2026 at 1:00 PM Eastern Time for professional services for the CIP # 650460-100003 Sewer System Capacity Model 2026. Proposals are to be submitted only through Bonfire at https://columbus.bonfirehub.com/login. Professional Engineering Services is needed to refine the system-wide sanitary and combined sewer collection system model, perform model applications including capacity evaluation and sewer system operations, flow monitoring with data management/analysis, provide support to Blueprint Columbus / 2015 Integrated Plan and Wet Weather Management Plan Update. This project will continue development of the City's Sewer System Capacity Model (SSCM). SSCM plays a vital role in evaluating capacity deficiencies and devising economical solutions to those deficiencies. This project is necessary to ensure continued compliance with Ohio EPA SSO and CSO Consent Orders and to continue the City's commitment to eliminating sanitary sewer overflows (SSO's) and minimizing Water-in-Basement occurrences (WIB's). It is anticipated that this project will update the current SSCM with the most current collection system configuration; upgrade portions of its method of calculation to increase its accuracy; enhance its usability and operations; and apply the SSCM Update to new development, performance, and operational conditions.

RFQ033297 - IT Strategic Plan Development & Vendor Procurement

The purpose of this Request for Proposals (RFP) is to engage a qualified consultant to assist Columbus Water & Power (CWP) in developing a comprehensive Information Technology (IT) Strategic Plan that aligns with the organization’s mission, operational responsibilities, and long-term service objectives. CWP operates within a complex and highly critical environment that supports essential public services, including water, wastewater, and power operations. These services rely on a wide range of technologies and systems that must remain reliable, secure, and adaptable to changing operational and regulatory demands. As technology continues to evolve, CWP must ensure that its IT environment can effectively support both current operations and future needs across all divisions. The IT Strategic Plan will serve as a guiding framework to: • Address operational challenges and improve service delivery across the organization • Support the diverse and evolving technology needs of multiple divisions and business units • Enhance reliability, resiliency, and cybersecurity for systems supporting critical operations • Provide a structured approach to technology governance, technology planning, investment, and lifecycle management • Enable the organization to evaluate and adopt emerging technologies, innovation opportunities, and industry best practices • Strengthening alignment between IT capabilities and business priorities CWP is seeking a plan that not only reflects the current technology landscape but also provides flexibility to accommodate future growth, innovation, and changing business requirements. While the plan is expected to establish a multi-year direction, the City encourages consultants to recommend an approach that supports ongoing adaptability and continuous improvement. The selected consultant is expected to bring industry expertise, strategic insight, and practical recommendations that will help CWP advance its technological environment in a manner that is sustainable, scalable, executable, measurable, and aligned with organizational goals. 1.1 Scope: The City of Columbus, Department of Public Utilities, is receiving proposals until 8/21/26 at 1:00 PM Eastern Time for professional services for the IT Strategic Plan Development & Vendor Procurement project. Proposals are to be submitted only through Bonfire at https://columbus.bonfirehub.com/login. Hard copies or emails will not be accepted. All questions concerning this RFP are to reference the project name and be sent to DPUCapitalRFP@columbus.gov. No phone calls concerning questions about the RFP will be accepted. The last day to submit questions is 8/10/26. Responses will be posted on Bonfire at https://columbus.bonfirehub.com/login as an addendum.

RFQ033341 - Oakland Park Ave, Wellesley Rd, Kanawha Ave Area W/L Imps

1.1 Scope: The City of Columbus, Department of Public Utilities is receiving proposals until August 28th, 2026, at 1:00 PM Eastern time for professional engineering services of the Division of Water's Oakland Park Ave Area Water Line Improvements, C.I.P. No. 690236-100185, Contract 2517; Wellesley Road Area Water Line Improvements, C.I.P. 690236-100186, Contract 2518; and Kanawha Ave Area Water Line Improvements, C.I.P. 690236-100187, Contract 2519. The purpose of this contract is to provide engineering services to the Division of Water. The Consultant shall provide a general project approach common for all three projects. Provide a proposed schedule and breakdown of proposed labor hours for only one project, selected and noted below by the Division of Water. At a minimum, the work will involve the following items: project management, monthly design progress meetings, site survey, preliminary/final water main design summary, plan preparation, maintenance of traffic, ADA Curb Ramp Design (If Authorized), Stormwater Pollution Prevention Plan, cataloging Lead Service Line Replacements, prepare a Public Tree Plan, provide bid support, ensure Quality Control/Quality Assurance (QA/QC) Reviews, All RFP documents shall be downloaded from Euna Procurement (formerly known as Bonfire) at www.bonfire.com. Hard copies will not be provided. All questions concerning this project are to be sent to DPUCapitalRFP@columbus.gov. The last day to submit questions will be August 14th, 2026, phone calls will not be accepted. Responses will be posted on Bonfire at www.bonfire.com as an addendum. Notice of published addenda will be posted on the City's Vendor Services web site. A pre-proposal meeting will not be held. 1.2 Classification: All Request For Proposal documents (Request For Proposal, technical specifications, plans, and future addenda) will be available for review and download on Bonfire at https://columbus.bonfirehub.com/ after the RFP is published. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Euna Procurement (formerly known as Bonfire): If you do not have an account with Euna Procurement and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/ in order to sign up. 1.4 This is an invitation only request for proposal based on the 2025 SOQ results.

RFQ033540 - WIC Exterior Signage

The Franklin County WIC program is in need of exterior signage at two locations. They are 5957 Cleveland Ave, Columbus, Oh 43231 and 1681 Holt Rd, Columbus, Oh 43228. The sign needed for the Cleveland Ave location is a street sign that measures approximately 6 ft wide and 5 ft tall. It will be an insert in an existing sign holder. The sign for the Holt Rd location will need the existing sign holder removed and a new sign will need to be created and hung. This building is in a small shopping center, and the owner would like similar signage on all businesses. Anyone who has a bid will need to visit both locations and take their own measurements to ensure the bid is accurate. They can reach out to Erin Stoops by email or phone to do so. The bid will be open for 5 business days only. Erin Stoops: EEStoops@columbus.gov Office Phone 614-645-6668 Cell Phone 614-506-0183

BID OPENING DATE - 9/2/2026 10:00:00 AM

RFQ033421 - Intersection – Kimberly Pk N at Kimberly Pk E

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until September 2, 2026 at 10:00 A.M. local time, for professional services for the Intersection – Kimberly Pk N at Kimberly Pk E RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at https://columbus.bonfirehub.com/login. This project consists of improvements to Kimberly Parkway N (east-west oriented roadway) and Kimberly Parkway E (north-south oriented roadway) to replace a two-way stop condition with a single lane roundabout. West of the roundabout, shared use path (SUP) will be installed along both sides of Kimberly Pkwy N to serve as a transitional section to tie into the existing bike lanes. Additionally SUP will be installed along the north side of Kimberly Pkwy N east of the roundabout, tying into SUP constructed by 3303-E. Sidewalk will be replaced as needed to tie into the existing sidewalk on both roadways. Street trees and lighting will be installed along Kimberly Pkwy N from the western limit of the roundabout to Hamilton Road and for the limits of the roundabout along Kimberly Pkwy E. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at https://columbus.bonfirehub.com/login as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on Bonfire at https://columbus.bonfirehub.com/login. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at https://columbus.bonfirehub.com/login after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/portal/?tab=openOpportunities in order to sign up.

BID OPENING DATE - 9/2/2026 3:00:00 PM

RFQ033302 - JPWRP Power System Upgrades & Safety IMP (650257-100101)

The City of Columbus, Department of Public Utilities, is receiving bids until Wednesday, August 19, 2026, at 3:00 PM Eastern Time for construction services on CIP # 650257-100101, Contract J228, Jackson Pike Water Reclamation Plant Power System Upgrades and Safety Improvements. Bids are to be submitted only through Bid Express at www.bidexpress.com. The work consists of replacing four(4) unit substations, replacing fused primary switches with vacuum circuit breakers in ten(10) unit substations, replacing two medium voltage fused switches with vacuum circuit breakers, and other such work as may be necessary to complete the contract. A pre-bid meeting will be held. Attendance is strongly recommended. It will be held at Jackson Pike Water Reclamation Plant, Administration Building Conference Room, 2104 Jackson Pike (State Route 104), Columbus, OH 43223 on Tuesday, July 28, 2026 at 9:00 AM with a plant walk-through following the conference. All questions concerning this bid are to reference the project number and the project name and be sent to DPUConstructionBids@columbus.gov. No phone calls concerning questions about the bid will be accepted. The last day to submit questions will be specified in the IFB. Responses will be posted on Bid Express at www.bidexpress.com as an addendum.

RFQ033330 - Request for Pricing for SWRP Switching Station Replacement

1.2 Project Overview Columbus Water and Power (CWP), Division of Water Reclamation (DWR) has identified a need for a Construction Manager at Risk (CMAR) for the Southerly Water Reclamation Plant (SWRP) Switching Station Replacement Project. Three (3) of the five (5) switching stations at the SWRP are past their useful life and require replacement. This project will replace this 15kV switchgear while also modifying the power distribution system within the plant. In addition, the Division of Power (DOP) substation that feeds the plant needs to be replaced and relocated within the SWRP in order to remove it from the floodplain. Currently, all power is fed through SWRP around a plant wide loop system. This system feeds into each substation through a main-tie-main configuration. This project will incorporate a new master switching station and implement a radial feed system to better incorporate the new cogeneration facility and improve the electrical system reliability. Refer to Appendix A for a detailed project overview. This Request for Pricing (RFP) is to receive pricing proposals from the short listed offerors from the Invitation for Proposal (IFP) phase. The City will only select a CMAR from the shortlisted offerors and intends to award the construction management contract in accordance with 329.23(B). All info at BidExpress.com

BID OPENING DATE - 9/3/2026 11:00:00 AM

RFQ033430 - Peerless Pump Parts & Services UTC

1.1 Scope: It is the intent of the City of Columbus, Division of Water to enter into a Universal Term Contract (UTC) for the purchase of OEM Peerless Pump Parts and Repair Services. These parts and services will be used at the Dublin Road Water Plant, Hap Cremean Water Plant and the Parsons Avenue Water Plant for water treatment processes. The proposed contract will be in effect from the date of execution by the City, to and including September 1, 2028. 1.2 Classification: The successful bidder will provide Services, repairs and delivery of Peerless Pumps. Bidders are asked to quote discounts off price list/catalog pricing. Bidders are required to show experience in providing this type of material and/or services as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and history in these types of materials and/or warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 4:00 pm Thursday August 13, 2026. Responses will be posted on the RFQ on Vendor Services no later than Thursday, August 20, 2026, at 4:00 pm.

RFQ033446 - Emotron Parts & Service UTC

1.1 Scope: It is the intent of the City of Columbus, Division of Sewerage and Drainage to solicit formal bids for a Universal Term Contract for the purchase of Emotron Parts and Services for use by the Jackson Pike Wastewater Treatment Plant. The equipment is used in the aeration process at the plant. The contract will be in effect to and including July 31, 2029. 1.2 Classification: This bid proposal and the resulting contract will provide for the purchase of Emotron Parts and Services. Items listed are considered items that willbe ordered more often from this contract. Bidders are being asked to quote on the items listed, hourly and overtime service rates and to submit a price list for items not specifically listed. No substitutes will be accepted. Direct replacement only. Bidders are required to show experience in providing this type of equipment as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of materials and/or warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 4:00 pm Thursday August 20, 2026. Responses will be posted on the RFQ on Vendor Services no later than Thursday August 27, 2026 at 4:00 pm.

BID OPENING DATE - 9/10/2026 11:00:00 AM

RFQ033427 - Weed & Vegetation Mgmt UTC

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: This proposal is to provide the City of Columbus with a Universal Term Contract (UTC) for weed and vegetation management which will be used by various City agencies to eliminate weeds and vegetation from numerous locations within the City. It is estimated the City will annually require weed and vegetation spraying of over fivehundred twenty two thousand (522,000) lineal feet and six hundred sixty five thousand (665,000) square feet of grounds and public ways. Additionally, about 150 miles of roadways are to be sprayed with weed control sterilant annually. The Public Utilities Department, will be the main agency utilizing this contract, however various other City agencies will use it also. The resulting contract will be in effect through December 31, 2028. 1.2 Classification: Bidders are requested to submit pricing for various locations which will be serviced for weed and vegetation management. These various locations within the City have been divided into five (5) units referred to as "Zones". The bidder shall complete the attached bidding document that lists each location for each zone and attach to the bidding line. Only completely priced Zones will be accepted as a bid. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of chemicals and application service for the past five years. 1.2.1.1 Herbicide Applicator Experience: Bidders shall have a minimum of ten (10) years of experience as an applicator of both industrial and agricultural herbicides, and are required to submit a brief outline documenting this work experience attached to their bid. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 11:00 am Thursday, August 13, 2026. Responses will be posted on the RFQ on Vendor Services no later than Tuesday, August 18, 2026 at 11:00 am. 1.4 For additional information concerning this bid, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at http://vendors.columbus.gov/sites/public and view this bid number.

RFQ033524 - Traffic Pedestal Poles UTC

1.1 Scope: This proposal is to provide the City of Columbus with a Universal Term Contract to purchase Traffic Pedestal Poles to be used as supports for traffic signals and associated equipment along the roadways within the City of Columbus. The proposed contract will be in effect through September 30, 2028. 1.2 Classification: The successful bidder will provide and deliver various pedestal support poles, transformer-base poles, bases, anchor bolts and other accessories. Bidders are required to show experience in providing this type of material as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of materials and/or warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 For additional information concerning this bid, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at https://columbusvendorservices.powerappsportals.com/ and view this bid number.

BID OPENING DATE - 9/10/2026 2:40:31 PM

RFQ033581 - Forestry Skid Steer

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: It is the intent of the City of Columbus, Department of Recreation and Parks to obtain formal bids to establish a contract for the purchase of one skid steer with attachments to be used in Forestry. 1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of one (1) Skid Steer with attachments. All Offerors must document the manufacture certified reseller partnership. Bidders are required to show experience in providing this type of equipment and warranty service as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 11:00 am Thursday, September 3, 2026. Responses will be posted on the RFQ on Vendor Services no later than Tuesday, September 8, 2026 at 11:00 am. 1.4 For additional information concerning this bid, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at https://columbusvendorservices.powerappsportals.com/ and view this bid number.

BID OPENING DATE - 9/14/2026 5:00:00 PM

RFQ033299 - Southwest/Census Tract 51/Franklinton Community Plan

The City of Columbus (“City”) Department of Neighborhoods is seeking proposals from well-qualified individuals, firms, or multi-disciplinary teams (“Proposer”) to develop a comprehensive community plan for the Southwest and Franklinton areas of Columbus, Ohio. The final plan will serve as a strategic framework for the stabilization, equitable improvement, and future development of these priority areas. The City intends to select one prime project team to conduct the entire Scope of Work. However, the City reserves the right to divide the work into multiple sequential contracts if deemed necessary. Visit https://columbus.bonfirehub.com/opportunities/245635 to view the full specifications and to submit your proposal.

BID OPENING DATE - 9/16/2026 10:00:00 AM

RFQ033521 - Southeast Area Growth Management and Thoroughfare Plan

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until September 16, 2026 at 10:00 A.M. local time, for professional services for the Southeast Area Growth Management and Thoroughfare Plan RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at https://columbus.bonfirehub.com/login. This project consists of developing a growth management plan in the southeast portion of Columbus. The study will consider current land uses and proposed development activity, and provide thoroughfare plan recommendations to create a connected roadway network and multimodal transportation system adequately accommodating growth demands. The study will also inform strategies, policies, and regulations designed to ensure transportation infrastructure will be appropriately phased, funded, and coordinated between public and private investments and amongst multiple public agencies. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at https://columbus.bonfirehub.com/login as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on Bonfire at https://columbus.bonfirehub.com/login. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at https://columbus.bonfirehub.com/login after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/portal/?tab=openOpportunities in order to sign up.

BID OPENING DATE - 9/16/2026 2:00:00 PM

RFQ033542 - Rental of Portable Toilets UTC

BID OPENING DATE - 9/17/2026 1:00:00 PM

RFQ033532 - 2026 Parking Lot Resurfacing

1.1 Scope: The City of Columbus, Department of Public Service is receiving bids until September 17, 2026, at 1:00 PM local time, for construction services for the 2026 Parking Lot Resurfacing project. Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. This project consists of the resurfacing of two city-owned surface parking lots within the Division of Mobility and Parking Services (DMPS) portfolio. Work shall be coordinated with DMPS to minimize disruption to ongoing lot operations and tenant/public access. Work will include milling and/or removal of the existing asphalt surface as needed, repair of subgrade and base course deficiencies, and installation of new asphalt pavement. The scope also includes restriping of all parking stalls, drive aisles, ADA-accessible spaces, and directional markings in accordance with current City and ADA standards, as well as replacement or reinstallation of any wheel stops, signage, and bollards disturbed by the work. The contractor shall be responsible for site preparation, erosion and sediment control, traffic control and pedestrian safety measures during construction, final cleanup of the sites, and other such work as may be necessary to complete the contract, as set forth in this Invitation For Bid (IFB). All questions concerning this project are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the IFB; phone calls will not be accepted. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. A pre-bid meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on www.bidexpress.com. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. 1.4 Vendor Registration: Vendors must register on the Vendor Services portal before doing business with the City of Columbus. To get registered, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. After vendor registration, you will receive an email inviting you to complete the required Contract Compliance (EBO) Questionnaire. Vendors must be contract compliant in order to do business with the City of Columbus. To get compliant, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. To complete our online certification application, track the status of your application and receive a copy of your certification approval letter, visit: https://columbus.diversitycompliance.com/. For more certification information or questions, contact us at: DiversityCertifications@columbus.gov.

BID OPENING DATE - 9/18/2026 1:00:00 PM

RFQ032837 - Fiber Management Solution

Scope: The City of Columbus, Department of Technology will be receiving proposals for the FIBER MANAGEMENT SOLUTION PROJECT. The intent of this contract is to provide the Department of Technology with a fiber management solution to support the continued efforts of the department. Proposals of solutions which do not require the use of the Esri Utility Network (UN) data are preferred. The collaborative works will involve the configuration, implementation, and continuous support services for the next iteration of Fiber Management within the Department of Technology. This Request for Proposal falls under the Ohio Revised Code §§9.64 and contains confidential infrastructure and cybersecurity records of the City of Columbus. These records may include sensitive information regarding the City's cybersecurity program, network architecture, security controls, infrastructure configuration, and related operational safeguards. Therefore, the bid package will only be provided to potential offerors that execute the Non-Disclosure Agreement included in this solicitation. Potential offers have until September 18th, 2026 @ 1:00 PM to submit a signed NDA to respond to this RFQ. Once the RFQ end time has passed offerors who have submitted a signed NDA will receive an email link to Bonfire for the complete bid package. An account on Bonfire https://columbus.bonfirehub.com/login will be necessary to access the documents. Only invited offerors who have completed the NDA will be able to submit proposals for this project. All subsequent question and answer periods and proposals will be submitted through the Bonfire portal. By executing the NDA, the offeror acknowledges and agrees that: • The materials contain sensitive cybersecurity and infrastructure information of the City of Columbus. • The information will be used solely for the purpose of preparing and submitting a response to this solicitation. • The information may not be disclosed, reproduced, distributed, or used for any purpose other than preparation of a proposal in response to this solicitation, except as permitted under the executed NDA. • Access to the information may be limited only to employees, subcontractors, consultants, or agents of the offeror who have a legitimate need to know the information for purposes of preparing the proposal and who are bound by confidentiality obligations no less restrictive than those contained in the NDA. See attached bid documents for complete project schedule and detailed response instructions.

BID OPENING DATE - 9/21/2026 11:00:00 AM

RFQ033580 - Cabling Hardware and Services UTC

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: This proposal is to provide the City of Columbus, Department of Technology with a Universal Term Contract for Voice, Video, and Data, cabling hardware, and services. The Department of Technology uses cabling services and hardware for completing project related work, staff relocations throughout the City, expansion of voice, video, and data services. This contract is only for inside plant hardware and services. It will not be utilized for major or new construction projects. The proposed contract shall be in effect through November 1, 2029. 1.2 Classification: Offerors must meet the following requirements to provide the City with the cabling hardware and installation services, as detailed herein. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of materials and warranty service for the past five (5) years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four (4) customers that the offeror supports similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 1:00 PM EST Monday, September 7, 2026. Responses will be posted on the RFQ on Vendor Services no later than Thursday, September 10, 2026, at 1:00 PM EST. 1.4 For additional information concerning this bid, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at: https://columbusvendorservices.powerappsportals.com/ and view this RFQ number.

BID OPENING DATE - 9/22/2026 1:00:00 PM

RFQ033604 - Cybersecurity Evaluation and Enhancements

Scope: The City of Columbus, Department of Technology will be receiving proposals for CYBERSECURITY EVALUATION AND ENHANCEMENT SERVICES. The intent of this contract is to provide the Department of Technology with readily available resources, including the people, processes and practices to assess, test, articulate and strengthen cybersecurity controls applied to critical IT infrastructure and applications. The collaborative works will involve the configuration, implementation, and continuous support services for the next iteration of Cybersecurity within the Department of Technology. This Request for Proposal falls under the Ohio Revised Code §§9.64 and contains confidential infrastructure and cybersecurity records of the City of Columbus. These records may include sensitive information regarding the City's cybersecurity program, network architecture, security controls, infrastructure configuration, and related operational safeguards. Therefore, the bid package will only be provided to potential offerors that execute the Non-Disclosure Agreement included in this solicitation. Potential offers have until September 22, 2026 @ 1:00 PM to submit a signed NDA to respond to this RFQ. Once the RFQ end time has passed offerors who have submitted a signed NDA will receive an email link to Bonfire for the complete bid package. An account on Bonfire https://columbus.bonfirehub.com/login will be necessary to access the documents. Only invited offerors who have completed the NDA will be able to submit proposals for this project. All subsequent question and answer periods and proposals will be submitted through the Bonfire portal. By executing the NDA, the offeror acknowledges and agrees that: • The materials contain sensitive cybersecurity and infrastructure information of the City of Columbus. • The information will be used solely for the purpose of preparing and submitting a response to this solicitation. • The information may not be disclosed, reproduced, distributed, or used for any purpose other than preparation of a proposal in response to this solicitation, except as permitted under the executed NDA. • Access to the information may be limited only to employees, subcontractors, consultants, or agents of the offeror who have a legitimate need to know the information for purposes of preparing the proposal and who are bound by confidentiality obligations no less restrictive than those contained in the NDA. See attached bid documents for complete project schedule and detailed response instructions.

RFQ033688 - Roof Maintenance Program 2026

***Proposals and questions will only be accepted through the Bonfire Portal (use Google Chrome) at: https://columbus.bonfirehub.com/projectDrafts/254443/details. Communication outside of the Bonfire portal WILL NOT be accepted. Hard copies WILL NOT be accepted. Scope: The City of Columbus, Department of Finance and Management is receiving proposals until 1:00 PM local time on October 9, 2026 to procure a service contract for a Roof Maintenance Program. The Finance and Management maintains over 100 buildings with all types of roofs namely Bituminous roofs, shingled roofs, metal roofs, EPDM roofs, TPO roofs, PVC etc. The City has warranties for most of the roofs with the manufacturer but would like to establish a separate contract with a service contractor who specializes in Roof Maintenance to better monitor and maintain all the roofs to prolong their service life. Contractor must be certified to work on Soprema and Garland roofs. The primary objective of the Roof Maintenance Program is to ensure longevity, structural integrity, and optimal performance of the roofing systems. This program is intended to proactively identify and address potential issues, prevent damage, and extend the lifespan of the roof. The service contractor shall coordinate with City for more extensive repairs as needed. Additionally, the Facility Management Division monitors and maintains all buildings and integrates its data with Asset Planner contract. The selected Contractor will be responsible to upload roof reports into the Asset Planner. There will be no pre-proposal meeting. The last day to submit questions is 1:00 PM local time on October 2, 2026. Phone calls will not be accepted. This ad will be posted on the Bonfire portal within 24 hours of the Vendor Services posting.

BID OPENING DATE - 10/13/2026 1:00:00 PM

BID OPENING DATE - 10/20/2026 2:00:00 PM

RFQ033780 - Raymond Irrigation System Pond

The City of Columbus (hereinafter “City”) is accepting bids for Raymond Irrigation System Pond Improvements, the work for which consists of a new irrigation pond at Raymond Golf Course, and other such work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, plans and City of Columbus Construction and Material specifications set forth in this Invitation For Bid (IFB). WHERE & WHEN TO SUBMIT BID Bids will be received by the City of Columbus, Department of Recreation & Parks, Design & Construction, at www.bidexpress.com until October 20, 2026 at 2:00 P.M. Eastern Time. DRAWINGS AND TECHNICAL SPECIFICATIONS Drawings and technical specifications are available as separate documents at www.bidexpress.com. Drawings and technical specifications are contract documents. PRE-BID CONFERENCE A non-mandatory pre-bid conference will be held on Wednesday, October 7 at 1PM. Attendees should meet at the clubhouse. Additional details may be released via addendum, so please confirm all details through addenda prior to attending. NOTICE TO PROCEED/CONTRACT COMPLETION The City anticipates issuing a notice to proceed on or about December 2026. All work is to be complete by May 31, 2027. QUESTIONS CONCERNING THE BID DOCUMENTS OR PROJECT Questions pertaining to the drawings, plans, specifications, IFB, and/or other contract documents must be submitted in writing to the Department of Recreation & Parks, by email to Cmscannell@columbus.gov on or before Wednesday October 14 at 5PM. No phone calls will be accepted.

BID OPENING DATE - 10/21/2026 10:00:00 AM

RFQ033725 - Mobility - 4th Street - Livingston Avenue to Chestnut Street

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until October 21, 2026 at 10:00 A.M. local time, for professional services for the Mobility - 4th Street - Livingston Avenue to Chestnut Street RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at https://columbus.bonfirehub.com/login. This project consists of installing a signature multi-modal facility along East Chestnut Street and 4th Street, connecting multiple existing and future improvements within the downtown area. The project will include a separated bike lane configuration with the bike lanes behind a proposed median. Signalized intersections will be improved to physically separate bikeway users from motor vehicle traffic. This project will also include the next phase of The Capital Line project along 4th St. Multiple traffic signals will either be impacted or fully replaced. The contract will begin with preliminary engineering (PE) to determine the alignment to be advanced to detailed design, the extent of landscaping improvements, drainage solutions, stormwater control practices, layout options at bridge crossings, intersection configuration, and impacts or modifications to both street lighting and traffic signals. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at https://columbus.bonfirehub.com/login as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City’s Vendor Services web site and all addenda will be posted on Bonfire at https://columbus.bonfirehub.com/login. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at https://columbus.bonfirehub.com/login after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/portal/?tab=openOpportunities in order to sign up.

BID OPENING DATE - 10/21/2026 3:00:00 PM

RFQ033774 - Blueprint Milford / Summit Area Integrated Solutions 650870-

1.1 Scope: The City of Columbus, Columbus Water and Power, is receiving bids until October 21, 2026, at 3:00 PM Eastern Time for construction services for the Blueprint Milford / Summit Area Integrated Solutions & Milford Summit Lead Service Line, CIP 650870-110165 & 690236-110005. Bids are to be submitted only through Bid Express at www.bidexpress.com. Hard copies or emails will not be accepted. This project involves work for which consists of installation of rain gardens, installation of storm sewer, restoration, Lead Line Replacement, and other such work as may be necessary to complete the contract, in accordance with the drawings, supplemental specifications, technical specifications, special provisions, and City of Columbus Construction and Material specifications set forth in this Invitation For Bid (IFB). All questions concerning this bid are to reference the project number and the project name and be sent to DPUConstructionBids@columbus.gov. No phone calls concerning questions about the bid will be accepted. The last day to submit questions will be specified in the IFB. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. A pre-bid meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services website and the addenda will be posted on Bid Express at www.bidexpress.com. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. There is no charge to establish an account with Bid Express or to bid on City of Columbus projects through Bid Express. 1.4 Diversity Requirement: A portion of this project is anticipated to be funded with a loan from the Water Pollution Control Loan Fund (WPCLF) through the Ohio Environmental Protection Agency (OEPA) and administered by the Ohio Water Development Authority (OWDA). There is a 5.4% Disadvantaged Business Enterprise (DBE) goal for this project that is part of the WPCLF loan program. This goal is a subcontractor goal, not a contract goal. If the prime contractor is a DBE and uses subcontractors on the project, the prime spend is not counted toward meeting the DBE goal.

BID OPENING DATE - 10/22/2026 11:00:00 AM

RFQ033595 - PHS Pharmaceuticals UTC

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: This proposal is to provide the City of Columbus Public Health Department (CPH) with a Universal Term Contract (blanket type) to purchase Public Health Service (PHS) priced pharmaceuticals to be used in Health Department operations. The proposed contract will be in effect through December 31, 2029. 1.2 Classification: The successful bidder will provide and deliver pharmaceuticals to the Columbus Public Health Department. Pharmaceuticals will be bid on using a cost plus or minus administrative fee percentage based on published PHS pricing. Bidders are required to show experience in providing this type of material and/or services as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of materials and/or warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 For additional information concerning this bid, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at https://columbusvendorservices.powerappsportals.com/ and view bid number RFQ033595.

RFQ033706 - Articulating Wheel Loaders UTC

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: The City of Columbus is seeking Request for Proposals in response to a Best Value Procurement (BVP) to enter into a Universal Term Contract (indefinite quantity) to purchase articulating wheel loaders to be used as material handlers at the Compost facility. The City will negotiate a contract with the selected vendor for a term of three (3) years beginning at the date of execution through January 31, 2030, with one (1) additional one (1) year extension option. This will be negotiated with the finalist. 1.2 Classification: The contract resulting from the BVP will provide for the purchase and delivery of articulating wheel loaders to be used at the Compost Facility for compost material handling. 1.3 Specification Questions: Questions regarding this BVP must be submitted on the Bonfire portal by 11:00 am Monday, October 5, 2026. Responses will be posted on the RFQ on the Bonfire portal no later than Thursday, October 8, 2026, at 11:00 am. 1.4 For additional information concerning this BVP, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at https://columbus.bonfirehub.com/opportunities/254940 and view this bid number, RFQ033706. 1.5 Best Value Procurement Model: The City of Columbus is using a Best Value Procurement in lieu of the Invitation to Bid model. The award will not be made to the lowest, responsive, and responsible bidder. The contract will be awarded based upon: (1) total cost of ownership, to include maintenance and operation costs, as well as the expected life of the equipment, (2) quality of the goods offered and the extent to which the goods meet the operational needs of the City, (3) past performance of the equipment and vendor as determined by customer satisfaction surveys, and (4) acquisition cost and other evaluation criteria referred to in Columbus City Code 329.18 or as defined herein. 1.6 Background of City's Needs: The City will negotiate a Universal Term Contract with the successful vendor. See Section 3.1.5 for additional information.

RFQ033726 - DPS - 5913 - (2) Bucket Trucks (Sign Main.) - Fund 2265/2266

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: It is the intent of the City of Columbus, Traffic Maintenance Division, to obtain formal bids to establish a contract for the purchase and delivery of two (2) insulated aerial bucket 4x4 trucks with extended (super) cab and Chassis minimum G.V.W. rating of 19,500 pounds equipped with utility body. These trucks will be used by the Traffic Management Division Sign Department. These completed trucks are required to be operated by a regular, non-CDL licensed driver. 1.2 Classification: The contract resulting from this bid proposal will provide for the purchase, installation, and delivery of two (2) insulated aerial bucket 4X4 trucks with extended (super cab) Cab and Chassis minimum G.V.W. rating of 19,500 pounds equipped with utility body. These completed trucks are required to be operated by a regular, non-CDL licensed driver. Bidders are required to show experience in providing these types of equipment and warranty service as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 11:00 am Monday, October 5, 2026. Responses will be posted on the RFQ on Vendor Services no later than Thursday, October 8, 2026, at 11:00 am. 1.4 For additional information concerning this bid, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at https://columbusvendorservices.powerappsportals.com/ and view bid number RFQ033726.

BID OPENING DATE - 10/26/2026 10:00:00 AM

RFQ033747 - Parking Facilities Management Services

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until October 26, 2026 at 10:00 A.M. local time, for professional services for the Parking Facilities Management Services RFP. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/portal/?tab=openOpportunities in order to sign up.

BID OPENING DATE - 10/27/2026 1:00:00 PM

RFQ033777 - Bridge Cleaning and Sealing 2026

1.1 Scope: The City of Columbus, Department of Public Service is receiving bids until October 27, 2026, at 1:00 PM local time, for construction services for the Bridge Cleaning and Sealing 2026 project. Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. This project involves the cleaning and sealing of several bridges within the corporation limits of the City of Columbus. The annual bridge cleaning and sealing contract is a means for performing schedule-based preventative maintenance activities on bridges that the Department of Public Service maintains. These activities include the cleaning of debris and deicing chemicals from various bridge components and also the sealing of reinforced concrete components to prevent intrusion of salt, and other such work as may be necessary to complete the contract, as set forth in this Invitation For Bid (IFB). All questions concerning this project are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the IFB; phone calls will not be accepted. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. A pre-bid meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on www.bidexpress.com. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. 1.4 Vendor Registration: Vendors must register on the Vendor Services portal before doing business with the City of Columbus. To get registered, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. After vendor registration, you will receive an email inviting you to complete the required Contract Compliance (EBO) Questionnaire. Vendors must be contract compliant in order to do business with the City of Columbus. To get compliant, please visit the following link: https://new.columbus.gov/Business-Development/Bids-Solicitations/Vendor-Resources. To complete our online certification application, track the status of your application and receive a copy of your certification approval letter, visit: https://columbus.diversitycompliance.com/. For more certification information or questions, contact us at: DiversityCertifications@columbus.gov.

RFQ033803 - Safe Syringe and Harm Reduction Services FY27

The City of Columbus, Columbus Public Health (CPH) is seeking proposals for up to $350,000 annually to provide Safe Syringe and Harm Reduction services in the cities of Columbus and Worthington, Ohio. The purpose is to support efforts and strategies to reduce the spread of infectious disease amongst high risk populations, including persons who inject drugs (PWID), those in active substance use or addiction, and those at highest risk for transmission of infectious disease such as HIV and Hepatitis Viruses. Proposals must be submitted electronically through the City of Columbus Euna Procurement hub at https://columbus.bonfirehub.com/portal. The reference # for this solicitation in Bonfire is RFQ033803. Vendors must be registered with the City of Columbus and Euna Procurement to submit proposals. DO NOT SUBMIT BIDS TO THIS RFQ WITHIN THIS PORTAL. IT IS ONLY USED TO NOTIFY VENDORS OF THE RFP IN EUNA. Bids submitted to this RFQ within the City of Columbus' Vendor Services Portal will NOT be reviewed or considered. No paper or email bids will be accepted.

BID OPENING DATE - 10/27/2026 2:00:00 PM

BID OPENING DATE - 10/29/2026 11:00:00 AM

RFQ033716 - 6005-SWRP-RODNEY HUNT GATE ACTUATOR CYLINDER-260421

1.1 Scope: It is the intent of the City of Columbus, Division/Department of Public Utilities to obtain formal bids to establish a contract for the purchase of two (2) Rodney Hunt RSP Inlet Gate Actuators to be used at Southerly Water Reclamation Plant. 1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of two (2) Rodney Hunt RSP Inlet Gate Actuators. All Offerors must document the manufacture certified reseller partnership. Bidders are required to show experience in providing this type of equipment and warranty service as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 11:00 am Thursday, October 8, 2026. Responses will be posted on the RFQ on the Vendor Services portal no later than Thursday, October 15, 2026, at 4:00 pm.

RFQ033727 - Life Safety System Testing and Preventative Maintenance Serv

1.1 Scope: The City of Columbus is seeking Request for Proposals in response to a Best Value Procurement (BVP) to enter into a Universal Term Contract (indefinite quantity) to provide Life Safety System Testing and Preventative Maintenance Services for City of Columbus buildings under the purview of the City of Columbus Facilities Management Division. The intent of this BVP is to secure annual smoke and fire alarm testing, inspection and repair, as well as sprinkler inspections, fire pump testing and fire suppression testing, backflow prevention services, kitchen hood/exhaust system services, and fire system monitoring services for City-owned facilities under the purview of Facilities Management Division. The City will negotiate a contract with the selected vendor for a term of four (4) years beginning the execution of the contract through December 31, 2030, with one additional one-year extension option. 1.2 Classification: Offerors are encouraged to submit proposals that demonstrate their competence, quality and feasibility, ability, and past performance, cost, and environmental impact as defined in this request. The City may contract with one or more Offerors chosen through this BVP process. 1.3 Specification Questions: Questions regarding this BVP must be submitted on the Vendor Services portal by 11:00 am Friday, October 9, 2026. Responses will be posted on the RFQ on Vendor Services no later than Thursday, October 15, 2026, at 11:00 am. 1.4 For additional information concerning this BVP, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at https://columbusvendorservices.powerappsportals.com/ and view this bid number. 1.5 Best Value Procurement Model: The City of Columbus is using a Best Value Procurement in lieu of the Invitation to Bid model. The award will not be made to the lowest, responsive, and responsible bidder. The contract will be awarded based upon: (1) competence of the offeror to perform the required service as indicated by the technical training, education and experience of the Offeror's personnel who would be assigned to perform the work; (2) the quality and feasibility of the Offeror's technical proposal; (3) the ability of the offeror to perform the required service competently and expeditiously as indicated by the Offeror's workload and the availability of necessary personnel, equipment and facilities; and (4) past performance of the Offeror as reflected by evaluations of the city agency, other city agencies and other previous clients of the offeror with respect to such factors as quality of work, success in controlling costs, and success in meeting deadlines. The City of Columbus is not asking for a cost structure during the initial phase of the BVP process. Selected offerors will be invited to provide cost structure information at later stages of the process. 1.6 EXPERIENCE CONSIDERATION: Offerors are required to provide references below for consideration by the City in determining the whether the offeror meets the minimum experience qualification required. Upload your submission at: https://columbus.bonfirehub.com/opportunities/255983

SCHEDULE The Contractor must perform all work before March 19th, 2027. Weekend work is not permitted. All work must be substantially completed by March 15th, 2027. These are strict timelines that cannot be adjusted due to facility programming and access. QUESTIONS Questions regarding the IFB should be submitted to Zach Bundy, City of Columbus, Forestry, via email zbbundy@columbus.gov prior to November 2, 2026 at 3:00 pm local time.

BID OPENING DATE - 11/12/2026 11:00:00 AM

RFQ033821 - 4301 - Scale testing truck and equipment

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: The City of Columbus is seeking Request for Proposals in response to a Best Value Procurement (BVP) to enter into a Contract to purchase one (1) scale testing truck and equipment. 1.2 Classification: The contract resulting from the BVP will provide for the purchase and delivery of a scale testing truck and equipment to be used by the Division of Weights and Measures section. Bidders are required to show experience in providing this type of equipment and warranty service as detailed in these specifications. 1.3 Specification Questions: Questions regarding this BVP must be submitted on the Bonfire portal by 11:00 am Monday, October 19, 2026. Responses will be posted on the RFQ on the Bonfire portal no later than Thursday, October 22, 2026, at 11:00 am. 1.4 For additional information concerning this BVP, including procedures on how to submit a proposal, you must go to the Bonfire portal at https://columbus.bonfirehub.com/opportunities/257367 and view this bid number, RFQ033821. 1.5 Best Value Procurement Model: The City of Columbus is using Best Value Procurement in lieu of the Invitation to Bid model. The award will not be made to the lowest, responsive, and responsible bidder. The contract will be awarded based upon: (1) total cost of ownership, to include maintenance and operation costs, as well as the expected life of the equipment, (2) quality of the goods offered and the extent to which the goods meet the operational needs of the City, (3) past performance of the equipment and vendor as determined by customer satisfaction, (4) acquisition cost, and other evaluation criteria referred to in Columbus City Code 329.18 or as defined herein.

BID OPENING DATE - 11/13/2026 1:00:00 PM

BID OPENING DATE - 11/17/2026 4:00:00 PM

RFQ033896 - 2026–2029 HIV Care Network Trainings: Professional Skills, A

Columbus Public Health is seeking proposals for professional and interpersonal skills useful in social services work. Providing services related to HIV can be stressful, fast paced, often underfunded, and often thankless. In coordinating both the Ryan White Part A and Ending the HIV Epidemic grants for Central Ohio, Columbus Public Health needs supportive trainings on topics, including motivational interviewing, ethics and boundaries, trauma-informed care, stages of change, and other related subjects. Specifically, Motivational Interviewing has two (2) sessions, both in- person, that equal one training. All of the others are only one (1) session, and can be completed virtually. These trainings are for professionals that are working at agencies funded by Columbus Public Health, or related to HIV services in Central Ohio. All bids must be submitted electronically; paper and/or email bids will not be accepted. Applications should be submitted electronically through the City of Columbus Bonfire hub at https://columbus.bonfirehub.com/projects. Follow the link to create a new vendor registration. Once the expiration date has passed, no proposal may be amended, unless amendment has been requested by the CITY.

BID OPENING DATE - 11/18/2026 10:00:00 AM

RFQ033920 - Shared Micromobility Data Management

1.1 Scope: The City of Columbus, Department of Public Service is receiving proposals until November 18, 2026 at 10:00 A.M. local time, for professional services for the Shared Micromobility Data Management RFP. Proposals are being received electronically by the Department of Public Service, Office of Support Services via Bonfire at https://columbus.bonfirehub.com/login. This project consists of track and forecast improvements to the shared mobility program. A web-based platform integrated with the Mobility Data Specification (MDS) and the General Bike Share Feed (GBSF) data standards is a requirement. Responders should demonstrate the ability to digitally manage emerging technologies such as light utility vehicles/local use vehicles and autonomous vehicle technologies such as robotaxis and personal delivery devices. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions will be specified in the RFP; phone calls will not be accepted. Responses will be posted on Bonfire at https://columbus.bonfirehub.com/login as an addendum. A pre-proposal meeting will not be held. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on Bonfire at https://columbus.bonfirehub.com/login. The selected Consultant shall attend a scope meeting anticipated to be held on/about two weeks after proposals are due. The projected scope date will be specified in the RFP. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place. 1.2 Classification: All proposal documents (Request for Proposal, reference documents, addenda, etc.) will be available for review and download on Bonfire at https://columbus.bonfirehub.com/login after the RFP is advertised. Firms must meet the mandatory requirements stated in the RFP for a proposal to be considered for contract award. 1.3 Bonfire: If you do not have an account with Bonfire and you would like to review project information or submit a proposal, you will need to register for an account. Go to https://columbus.bonfirehub.com/portal/?tab=openOpportunities in order to sign up.

BID OPENING DATE - 11/18/2026 1:00:00 PM

RFQ033916 - 6005-Jackson Pike-Primary Sludge Holding Tank Cleaning

The City of Columbus, Columbus Water & Power, Division of Water Reclamation, is accepting bids for the Jackson Pike facility's Primary Sludge Holding Tank Cleaning services, the work for which consists of removal, cleaning, and dewatering sludge residuals captive in the Primary Sludge Holding Tank and transporting them to an approved outlet for disposal; and other such work as may be necessary to complete the contract in accordance with the specifications set forth in this Invitation For Bid (IFB). Copies of plans and specifications are available for viewing at the following location: Division of Water Reclamation, Engineering, 37 W. Broad St., Columbus, OH 43215 by appointment only. Questions must be submitted via vendor services, questions submitted via email will not be answered. Questions must be received at least five (5) days prior to the Bid Opening date. In order for a Proposal to be considered responsive, the bidder must submit all required information for the project as outlined in the advertisement for bids. All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read. PRE-BID CONFERENCE There will be a pre-bid conference held at the Jackson Pike Water Reclamation Treatment Palnt, 2104 Jackson Pike Rd., Columbus, OH 43223, on Tuesday October 27th, 2026 at 11:00 am. Following the pre-bid conference, a tour will be given at all the sites to allow Bidders to inspect the Project area and facilities. Comfortable walking shoes are highly recommended. Bidders are encouraged to attend and participate in the conference and walk-thru tour. Bidders are charged with knowing whatever was discussed in the pre-bid conference in preparing and submitting their bid. WHERE & WHEN TO SUBMIT BID Bids will only be received electronically by the City of Columbus, Columbus Water & Power via Vendor Services Portal. Bids are due November 12th, 2026 at 1:00 P.M. EST.

BID OPENING DATE - 11/18/2026 3:00:00 PM

RFQ033611 - Central College Subtrunk, Phase 3 (650033-100003)

The City of Columbus is accepting bids for Central College Subtrunk, Phase 3, CIP 650033-100003. The project consists of the construction of approximately 10,926 linear feet of 48-inch inside-diameter sanitary sewer via curved and straight slurry microtunneling through soil, mixed-face (soil and rock), and rock ground conditions along the Central College Road and Harlem Road alignments, including crossings beneath Rocky Fork Creek and existing gas mains. The 48-inch reinforced concrete jacking pipe is provided with an internal cast-in-place HDPE stud liner for corrosion protection. The project also includes approximately 63 linear feet of 18-inch, 82 linear feet of 8-inch, and 70 linear feet of 12-inch sanitary sewer installed by open cut and installation of twelve (12) manholes. Construction also includes four (4) jacking pits, five (5) receiving pits, and eight (8) microtunnel drives. The project will include bypass pumping and abandonment of the existing 24-inch Sugar Run Subtrunk, dewatering, geotechnical instrumentation and monitoring, contact grouting, site restoration, maintenance of traffic, and other such work as may be necessary to complete the contract as shown on the detailed drawings and as specified in the contract specifications. Project will be posted on www.bidexpress.com

RFQ033929 - OSU Innovation District Waterline Extension 690236-100174

1.1 Scope: The City of Columbus, Columbus Water and Power is receiving bids until November 18, 2026, at 3:00 PM Eastern Time for construction of the Division of Water's OSU Innovation District Water Extension, CIP 690236-100174 the work for which consists of 158 linear feet of 6-inch and 3,912 linear feet of 12-inch water main, 12 fire hydrants and other work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, special provisions, and City of Columbus Construction and Material specifications set forth in this Invitation For Bid (IFB). All work must be completed within 90 calendar days of the Notice to Proceed. The City anticipates issuing a Notice to proceed on or about March 2027. Bids are to be submitted only at www.bidexpress.com. Hard copies shall not be accepted. All questions concerning this project are to be sent to DPUConstructionBids@columbus.gov. The last day to submit questions will be November 6, 2026, 5:00pm Eastern Time, phone calls will not be accepted. Responses will be posted on Bid Express at www.bidexpress.com as an addendum. Notice of published addenda will be posted on the City's Vendor Services web site and all addenda will be posted on www.bidexpress.com. A pre-bid meeting will not be held. 1.2 Classification: All bid documents (Invitation for Bid, technical specifications, plans, and future addenda) will be available for review and download on Bid Express at www.bidexpress.com after the IFB is published. Firms must meet the mandatory requirements stated in the IFB for a bid to be considered for contract award. 1.3 Bid Express: If you do not have an account with Bid Express and you would like to review project information or submit a bid, you will need to register for an account. Go to www.bidexpress.com in order to sign up. 1.4 Funding: This project will be funded with financial assistance from the Ohio Water Development Authority (OWDA) program.

1.0 SCOPE AND CLASSIFICATION 1.1 Scope: It is the intent of the Columbus Recreation and Parks Department to obtain formal bids to establish a contract for the purchase of fifteen Zero-Turn Riding Lawn Mowers to be used by Parks Maintenance staff. 1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of fifteen (15) Zero-Turn Riding Lawn Mowers. All Offerors must document the manufacture certified reseller partnership. Bidders are required to show experience in providing this type of equipment and warranty service as detailed in these specifications. 1.2.1 Bidder Experience: The offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years. 1.2.2 Bidder References: The offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification. 1.3 Specification Questions: Questions regarding this bid must be submitted on the Vendor Services portal by 11:00 am Monday, November 16, 2026. Responses will be posted on the RFQ on Vendor Services no later than Thursday, November 19, 2026, at 11:00 am. 1.4 For additional information concerning this bid, including procedures on how to submit a proposal, you must go to the City of Columbus Vendor Services web site at https://columbusvendorservices.powerappsportals.com/ and view this bid number.

BID OPENING DATE - 12/16/2026 3:00:00 PM

RFQ034012 - Scioto Main North Large Diameter Sewer Rehab

The City of Columbus is accepting bids for Scioto Main North Large Diameter Sewer Rehabilitation, C.I.P. No. 650725-100027. Bids are to be submitted only through Bid Express at www.bidexpress.com. Hard copies or emails will not be accepted. The project consists of rehabilitate over 770 feet of deteriorated 84-inch sanitary sewer and approximately 6,143 feet of 48-inch sewer, along with their associated manholes, and other such work as may be necessary to complete the contract, in accordance with the drawings, technical specifications, special provisions, and City of Columbus Construction and Material specifications set forth in this Invitation For Bid (IFB).

BACKGROUND

The 135th General Assembly, through House Bill 257, amended the Ohio Open Meetings Laws to enact Revised Code ("R.C.") Section 121.221. This section allows public bodies to hold and attend meetings virtually, subject to the provisions in R.C. 121.221(B)(3). This policy outlines the requirements and procedures for the Civilian Police Review Board and its committees ("CPRB") to conduct virtual and hybrid meetings.

PURPOSE

To provide guidance for virtual and hybrid meetings of the CPRB in compliance with R.C. 121.221.

POLICY

It is the policy of the CPRB to conduct virtual and hybrid meetings to efficiently facilitate the business of the Board and its committees in compliance with R.C. 121.221.

SECTION 1: DEFINITIONS

"Hybrid Meeting" means a meeting where some members attend in person and others attend via electronic means (video conference or similar technology).

"Virtual Meeting" means a meeting of the CPRB in which all members participate by Teleconference Technology as authorized by Section 121.221 of the Ohio Revised Code.

"Teleconference Technology" means video conference or any other similar electronic technology that allows CPRB members to be seen and heard at all times during a meeting.

"Primary Meeting Location" means the publicly accessible physical location where the CPRB typically holds meetings.

SECTION 2: AUTHORIZATION

The CPRB may hold hybrid or fully virtual meetings provided the procedures outlined in this policy are followed and are in accordance with applicable law.

SECTION 3: NOTICE OF HYBRID OR VIRTUAL MEETINGS

At least seventy-two (72) hours in advance of the Hybrid or Virtual Meeting, the CPRB shall use reasonable methods to notify the public, the media that have requested notification of a meeting, and all Board members, of the specifics of the meeting, to include the Primary Meeting Location and/or Teleconference Technology as applicable, date and time of the meeting, instructions/login credentials for public access, and agenda for the meeting.

SECTION 4: PUBLIC ACCESS TO HYBRID OR VIRTUAL MEETINGS

The CPRB shall provide the public access to all Hybrid and Virtual Meetings commensurate with the method in which the meeting is being conducted, including for example, livestreaming by means of the internet, television, cable, or public access channels, or by means of any other similar electronic technology; and if Hybrid, the Primary Meeting Location where the in-person meeting will be conducted. For virtual meetings, the CPRB shall ensure the public can observe and hear the discussions and deliberations of all the members of the CPRB. The CPRB shall provide a means, through the use of electronic technology that is widely available to the general public, to permit public comment, if applicable, at Virtual Meetings.

SECTION 5: MEMBER PARTICIPATION

Members of the CPRB who intend to attend a Virtual Meeting by means of Teleconference Technology shall so notify the CPRB Chairperson or his or her designee not less than forty-eight (48) hours before the meeting unless circumstances render it impossible or impracticable to do so.

SECTION 6: VOTING PROCEDURE

All votes taken in a Virtual or Hybrid Meeting shall be taken by roll call vote unless there is a motion for unanimous consent, and the motion is not objected to by a member of the CPRB. If a vote is taken unanimously, the CPRB shall provide the public with information on how the members of the public body voted, including any members who abstained from voting.

SECTION 7: TECHNICAL REQUIREMENTS

The CPRB shall maintain or have access to technology sufficient to conduct, record, and maintain Hybrid or Virtual Meetings with clear video and audio.

In case of technical failure, the meeting shall be paused until the issue is resolved or rescheduled if necessary.

SECTION 8: LIMITATIONS ON VIRTUAL MEETINGS

The CPRB may not hold, and no Board member may attend or conduct, a Hybrid or Virtual Meeting if any of the following apply:

- The meeting involves a vote to approve a “major nonroutine expenditure;” a “major nonroutine expenditure” means any expenditure of significant costs or expense that the Chairperson and Vice Chairperson jointly determine should be addressed only at an in-person meeting;
- The meeting involves a vote to approve a “significant hiring decision;” a “significant hiring decision” means voting to engage by contract a qualified individual to serve as Inspector General, or any other hiring decision the Chairperson and Vice Chairperson jointly determine should be addressed at an in-person meeting; or
- The meeting involves a purpose to propose, approve, or vote on a tax issue or tax increase.

A majority of seated members of any committee may require a committee meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance. A majority of seated members of the Board may require a regular Board meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance.

SECTION 9: HEARINGS

This Policy shall not apply to any hearing to be conducted before the CPRB. All hearings before the CPRB shall be conducted fully in-person at the location, date and time to be noticed by the CPRB.

SECTION 10: RECORDING AND DOCUMENTATION

All Hybrid and Virtual Meetings may be recorded and such recordings retained in accordance with the CPRB's records retention policy. Recordings of Hybrid and Virtual Meetings may serve as the minutes for those meetings. In the absence of a recording, written minutes must be taken and maintained in accordance with the CPRB's records retention policy.

SECTION 11: BASIC PRINCIPLES OF HYBRID AND VIRTUAL MEETINGS

Formal action of any kind taken during a Hybrid or Virtual Meeting has the same effect as if it occurred during an in-person open meeting of the CPRB.

Members of the CPRB who attend a Hybrid or Virtual Meeting by means of Teleconference Technology shall be considered present as if in person at the meeting, shall be permitted to vote, and shall be counted for purposes of determining whether a quorum is present at the meeting. In order to be considered in attendance at a Hybrid or Virtual Meeting, members of the CPRB must have a sufficient internet or other electronic connection to allow the member to be seen and heard clearly and must be visible at all times during the meeting.

SECTION 12: APPLICATION OF LAW

Notwithstanding the existence of this policy, the CPRB hereby informs the public that it shall comply with the requirements of R.C. 121.221 and any amendments thereto, that supersede and take precedence over this policy. The Board retains the right to amend this policy at any time in accordance with the Revised Code or as may be provided for in the Columbus City Codes.

SECTION 13: EXECUTIVE SESSION

Nothing in this policy shall limit the right of the CPRB to meet in executive session in accordance with R.C. 121.22(G). CPRB members participating in executive session by means of Teleconference Technology shall ensure that no one other than the CPRB members and those invited by the CPRB to attend the session are able to hear the discussion in executive session and shall take such other steps as may be necessary to preserve the confidentiality of the executive session.

SECTION 14: POLICY REVIEW

This policy shall be reviewed as often as necessary and may be amended by a majority vote of the CPRB at any time.

Adopted by the Civilian Police Review Board on this 2nd day of December, 2025

CERTIFICATION

I, Brooke Burns, Chairperson of the Civilian Police Review Board, certify the foregoing to be a true and exact copy of the Hybrid and Virtual Meeting Policy adopted by the Board on this 2nd day of December, 2025.

Signed:
Brooke Burns
Civilian Police Review Board Chairperson

Councilmember Emmanuel V. Remy, Councilmember Tiara N. Ross, Pedro Mejia, Tanisha Pruitt, Mark Carter, Abigail DeLong, Sophie Yano, and Vincent Miller.

CALL TO ORDER
3:07 P.M.

INTRODUCTION
[Chair Remy] Thank you for being here. I want to welcome Vice Chair Ross and thank Mark Carter, the CTV team, and everyone watching at home. This process is an important part of our responsibility to protect the safety and quality of life of Columbus neighborhoods. The renewal objection process gives the City a way to bring documented concerns before the state, hold operators accountable, and pursue improvements that make these properties safer. Thank you to City Attorney Zach Klein, Assistant City Attorney Sophie Yano, and the Property Action Team for your work throughout the year. I also appreciate the work of Columbus Police, Fire, Public Health, Code Enforcement, and the Ohio Investigative Unit, along with the residents and neighborhood organizations that bring concerns forward. I will now turn the floor over to Assistant City Attorney Sophie Yano, joined today by Columbus Police Detective Vincent Miller, to walk us through the process and today's five recommendations.

PRESENTATION
[Assistant City Attorney Yano] Thank you for the opportunity to be here to discuss this year's liquor permit renewal objections. The City Attorney's Property Action Team was created based on the idea that assigning attorneys to each of the six police zones in Columbus would help us better understand local issues and address concerns specific to each

neighborhood. The team focuses on problem properties, including drug houses and slumlord apartment complexes, and addresses housing code violations, site plan violations, and other conditions that negatively affect the community. The Liquor Nuisance Abatement Group reviews liquor-permitted establishments throughout the year and recommends objections to permit renewals. The permit renewal objection process involves eight major steps: 1. Identification of establishments. 2. Investigation. 3. Evaluation. 4. Recommendation to Council. 5. Adoption of a Council resolution and submission to the Division of Liquor Control. 6. A public hearing held by the Division. 7. A decision issued by the Division. 8. An appeal process.

The Liquor Nuisance Abatement Group partners with police, the Ohio Investigative Unit, Columbus Fire, Columbus Public Health, Code Enforcement, and other agencies to understand conditions at these properties. Investigations consider liquor violations, narcotics sales, violent crime, overdoses, incidents involving alcohol or intoxicated individuals, and health and fire code violations. Following an investigation, staff may send a warning letter to the property owner, permit holder, or others with a significant interest in the property, particularly after a serious incident. People are often not trying to create problems, but they may lack the information or resources necessary to make changes. The group works with property owners to address issues in the best interest of the public while preserving and promoting safety. In serious cases, staff may file a nuisance abatement case during the year. Throughout the year, the City Attorney's Office maintains and reviews a list of establishments with documented concerns, identifies those warranting objections to permit renewals, and presents its recommendations to Council. If Council passes a resolution objecting to renewal, the businesses continue operating while the state process proceeds. The City Attorney's Office remains willing to work with permit holders to achieve safer outcomes during that period.
Today, we are recommending objections to permit renewals at five establishments. We remain willing to work with all five. Potential outcomes include an objection being sustained or overruled, forfeiture or surrender of a permit, or an agreement between the City and the permit holder. We primarily deal with C permits for carryout sales and D permits associated with bars and dine-in establishments. D6 permits allow Sunday sales and may be held by both C- and D-permitted establishments.

Objections

Thirsty's Pub, 5668 W. Broad Street - D5 and D6 permits
- Consistent source of violence, including reports of shootings, shots fired, and assaults.
- Columbus Division of Fire has responded to at least six alcohol-related incidents.
- Liquor violations involving license posting and sanitary conditions.

[Vice Chair Ross] When special-duty officers working at a bar call on-duty patrol, are those calls included in the calls-for-service total, or are they filtered out?
[Assistant City Attorney Yano] We review the circumstances of the calls and filter out routine special-duty check-ins. Our evaluation considers the character of the calls and the underlying safety concerns, rather than applying an automatic numerical threshold. We encourage businesses to call police when help is needed and do not treat the act of calling as a negative strike against them.

Shell, 1305 Harrisburg Pike - C1 and C2 permits
- High number of assaults, overdoses, and drug-related incidents in the past two years.
- Sale of tobacco to minors.
- Twenty-one police reports and 108 calls for service in the past two years.

Circle K, 2481 Petzinger Road - C1, C2, and D6 permits
- Abnormal number of overdoses and incidents involving intoxicated individuals loitering on the property.
- Reports of drug sales on the property.
- Several calls involving individuals with weapons.

Rama Food Mart, 334 N. 20th Street - C1, C2, and D6 permits
- Source of drug dealing, drug use, and violent crime.
- Numerous fire code violations.
- Liquor law violation for drug possession.

Amoco (Marathon), 4755 Refugee Road - C1 and C2 permits

- Repeat violations of Columbus' tobacco laws.
- Several reports of drug-related issues.

QUESTIONS

[Chair Remy] How many cases do you work on each year that we do not see here today because of your work to help businesses stay on track and be good corporate citizens?

[Assistant City Attorney Yano] Numerous, probably upwards of a dozen at least. We can also object when applicants seek new permits or permit transfers. We meet with dozens of people each year to discuss safe business practices and make informal agreements to avoid the need for a liquor objection hearing.

[Chair Remy] What should the public know about the differences between calls for service and police reports?

[Detective Miller] I review calls for service and any accompanying police reports, including who called and what the victim reported. Often, the establishment itself did not call, but the victim refers to the business or the person operating it. For example, I recall roughly 75 calls for service at Thirsty's, with the business itself calling only about twice. The victims' statements in several reports suggest that the business should have known what was happening on its property. When I visit businesses, I encourage them to call police. When there is substantial activity but few calls from the business, it raises questions about whether management is paying attention to conditions on the property.

[Chair Remy] Take Thirsty's Pub, for example. Why not work with them?

[Assistant City Attorney Yano] We have reached out to many of these establishments and conducted on-site inspections. For Thirsty's specifically, I believe its landlord sent a letter after Detective Miller sent a nuisance warning letter. We have made ourselves available, but I have not received any contact from Thirsty's at this point. Detective Miller has visited the location. Our goal is safety and achieving results, and we are happy to work with people, but they must be willing to work with us.

[Chair Remy] How often do people call after the hearing or after Council acts? Does that get their attention?

[Assistant City Attorney Yano] It typically does. Sometimes people need the wake-up call of a case filing or an objection. After Council votes on the objections, we send letters notifying the establishments of the objections, explaining the reasons, and providing our contact information. We remain willing to discuss solutions.

[Chair Remy] What do you ask businesses to do, and how do you verify compliance?

[Assistant City Attorney Yano] We tailor each response to the problems at the property. We start with a safety walkthrough. Depending on the severity of the issues, we may recommend a temporary closure to reset conditions or a period of 24-hour security paid for by the business. Other recommendations include removing objects people can sit on, removing or capping exterior outlets, and playing music that discourages prolonged loitering. These can be effective, low-cost solutions.

[Chair Remy] Once the resolution is passed and delivered to the Division of Liquor Control, what is the timeline?

[Assistant City Attorney Yano] After the resolutions are submitted, we wait until February for permit holders to apply for renewal. It is then at least a couple of months before the Division reaches out to schedule a hearing. Most often, I first hear from the Division to schedule those hearings in August, September, or October. That leaves several months for permit holders to retain an attorney, contact us, and negotiate.

[Chair Remy] How can residents and neighborhood organizations get involved, report issues, and provide useful information?

[Assistant City Attorney Yano] Reach out to City officials by email or phone. Call 311 for issues such as noise complaints, or 911 if you are concerned about your safety. Do not assume someone else has reported a problem. Documenting these incidents helps us substantiate concerns and address the conditions.

[Chair Remy] How can residents learn about outcomes or agreements involving these establishments?

[Assistant City Attorney Yano] Decisions from the Division of Liquor Control are public. The City Attorney's Office also works to announce closures and other outcomes publicly. Residents may contact me at SRYano@columbus.gov for updates.

[Vice Chair Ross] For the renewal objections being brought to Council, which owners have you been able to contact, and which have you not? Have they been cooperative?
[Assistant City Attorney Yano] All of these establishments have been inspected within the past year, several within the past few months. They have received notice of those inspections, and we have spoken with people on site as much as possible. Staff have physically visited all of the properties and made themselves available to answer questions and discuss concerns.

[Vice Chair Ross] Are the agreements with property owners legally binding?
[Assistant City Attorney Yano] Most of them are, yes. Nine times out of ten, we file a case in Environmental Court to formalize the agreement and make it enforceable by the court. In some other cases, we use settlement agreements in which the parties agree to a permanent injunction if they violate the settlement terms.

[Vice Chair Ross] Can you explain what a permanent injunction is for those watching?
[Assistant City Attorney Yano] The Property Action Team files nuisance abatement cases seeking a public nuisance finding. A permanent injunction establishes ongoing requirements to stop the conduct that created the nuisance. For liquor-permitted establishments, those requirements address safety, security, and conduct such as overserving customers or serving minors.

[Vice Chair Ross] Once an enforcement entity determines that a bar owner or property manager is not complying with a permanent injunction, what can the City do to stop the activity?
[Assistant City Attorney Yano] A lot. We tailor the response to what is necessary at the property. That may include a daily fine until the business complies with requirements such as installing lights or cameras. If crime continues, we would most likely seek a one-year shutdown of the establishment and notify the Division of Liquor Control.

PUBLIC COMMENTS
No public testimony was presented.

CLOSING REMARKS
[Chair Remy] Thank you to Assistant City Attorney Yano, Detective Miller, and the City Attorney's Office for your presentation and the work behind these recommendations. Thank you as well to our public safety and enforcement partners and the residents and neighborhood organizations that help identify and document concerns. Today's discussion will inform Council's consideration of the proposed renewal objections. Our responsibility is to review the evidence carefully and support meaningful, enforceable steps toward safer conditions for neighbors, employees, and patrons. Thank you to Vice Chair Ross, my Council colleagues, Council staff, Pedro Mejia, Dr. Tanisha Pruitt, Abigail DeLong, Mark Carter, and the CTV team for helping make this hearing possible. Thank you to everyone who joined us today.

Notice/Advertisement Title: Columbus LGBTQ+ Affairs Commission, Community Engagement, Communications, and Outreach Committee November Meeting Recap
Contact Name: Andrew Borst
Contact Telephone Number: (614) 645-8609
Contact Email Address: apborst@columbus.gov

The Columbus LGBTQ+ Affairs Commission met on Tuesday, November 10th at 750 E Long St (1st floor) from 5:00 p.m. until about 6:30 p.m. Commissioners Keilholz, Boyd-Nelson, and Cogar were present, and Commissioner Crenshaw was absent.

The meeting was called to order at 5:02 p.m.

Shared Community Events Calendar: The committee tested a new shared Google Calendar to track and coordinate commissioner attendance at community events, which will be introduced to the full Commission on November 18.

Public Education and Outreach Materials: Members discussed creating an explainer series and a half-page plain-language handout to clarify the Commission’s role, its three main committees, and the limits of municipal authority.

Social Media and Video Initiatives: The committee planned to boost its nonpartisan social media presence through pinned Instagram posts, meeting promotion templates, and short commissioner videos starting with a Thanksgiving message.

Informal Community Engagement: Based on listening session feedback, members explored attending existing community events and hosting informal, alcohol-free gatherings at accessible spaces like coffee shops and community centers.

City Council and Inter-Commission Collaboration: The committee discussed strengthening ties with other City commissions and requested an update from the Advocacy and Policy Committee on how the passage of Issues 8 and 9 will affect City Council representation and the Commission.

Upcoming Full Commission Meetings: The next full Commission meetings are scheduled for Wednesday, November 18, and Wednesday, December 16, at 6:00 p.m.

The meeting concluded at 6:23 p.m.

AGENDA
BOARD OF ZONING ADJUSTMENT
CITY OF COLUMBUS

NOVEMBER 24, 2026

The City Board of Zoning Adjustment hears requests for Special Permits, Appeals and Variances to the requirements of the Columbus Zoning Code, Title 33 and 34, of the Columbus City Codes. The Board does not hear applications to amend the Official Zoning Map.

The City Board of Zoning Adjustment will hold a public hearing on the following zoning applications on **TUESDAY, November 24, 2026, at 4:30 p.m**. at the **MICHAEL B. COLEMAN GOVERNMENT CENTER** at 111 North Front Street, Columbus, OH 43215 in the **2nd FLOOR HEARING ROOM**. You can also monitor the hearing through the City of Columbus YouTube channel at the following link: <http://www.youtube.com/cityofcolumbus>.

SPECIAL NOTE TO APPLICANT: YOU OR YOUR REPRESENTATIVE MUST ATTEND THIS MEETING. It is the rule of the Commission to withdraw or table an application when a representative is not present.

Meeting Accommodations: It is the policy of the City of Columbus that all City-sponsored public meetings and events are accessible to people with disabilities. If you need assistance in participating in this meeting or event due to a disability as defined under the ADA, please call the City's ADA Coordinator Angie Wise at (614) 645-8029 or email AMWise@columbus.gov at least three (3) business days prior to the scheduled meeting or event to request an accommodation.

Further information may be obtained by visiting the City of Columbus Zoning Office website at <https://www.columbus.gov/Business-Development/Building-Zoning-Services/Boards-and-Commissions/Board-of-Zoning-Adjustment> or by calling the Department of Building and Zoning Services, Public Hearings Section at **614-645-4522.**

THE FOLLOWING APPLICATIONS WILL BE HEARD BEGINNING AT 4:30 P.M.:

01. Application No.: BZA26-107
Location: 6262 SAWMILL RD. (43017), located these two parcels are located on the north and south side of Martin Road between West Dublin-Granville Road to the northeast, Sawmill Road on the west, and Reflections Drive on the east (590-158966; Northwest Civic Association).
Existing Zoning: CAC, Community Activity Center District
Request: Variance(s) to Section(s): 34.E.20.080.C, Community Activity Center (CAC), Building Placement To reduce the required façade zone coverage for Building E along West Dublin-Granville Road from 60% (453 feet) to 31% (141 feet) and for Building D along Martin Road from 50% (695 feet) to 13% (91 feet). 34.E.20.080.G, Community Activity Center (CAC), On-Site Parking To allow a portion of the drive-through lane and associated stacking spaces to be located between Building D and the Martin Road right-of-way, at the turnaround at the southern end of the drive-through aisle on the northern parcel, and to reduce the minimum required setback for surface parking and stacking from a front street from a minimum of 30 feet to a minimum of 14 feet, for the drive-through turnaround at the southern end of the Martin Road building's drive-through aisle on the northern parcel. 34.E.20.080.F, Community Activity Center (CAC), Façade To reduce the required ground floor façade transparency for non-residential uses for Building D along Martin Road from 60% to 33% and for Building E along West Dublin-Granville Road from 60% to 25%. 34.E.20.080.D, Building Form, Ground Floor Depth To reduce the ground floor depth for active interior space from a minimum of 12 feet to 0 feet along the street facing façade in order to permit storage, restrooms, and service areas within this area. 34.E.20.030.C.1.a, Mixed-Use Zoning Districts, General Requirements To reduce the required number of building entries providing pedestrian access directly from the sidewalk from 1 along each abutting street to 0. 34.F.30.030.C, Frontage Type Standards, General to Frontage Types To reduce the required number of frontage types along a front or side street from a minimum of 1 to 0. 34.G.20.040.B.4, General Site Development Standards, Screening To allow a dumpster or bulk refuse enclosure to be located between a principal building and an adjacent front or side street, in order to permit the 2 new refuse enclosures along the south side of Martin Road. 34.F.40.030.A.1.a, Large Site Standards, Procedures for Large Sites To increase the maximum permitted length of uninterrupted street frontage from a maximum of 300 feet to a maximum of 876 feet.
Proposal: To redevelop a portion of the existing Festival Center shopping center, including the

demolition of a few existing retail buildings and the construction of four new retail buildings.
Applicant(s): Gallas Zadeh Development LLC 1371 West 3rd Avenue Columbus, Ohio 43212
Attorney/Agent: Underhill and Hodge LLC c/o David Hodge 8000 Walton Parkway, Suite 120 New Albany, Ohio 43054
Property Owner(s): FB Festival Center LLC 4145 Powell Road Powell, Ohio 43065
Planner: Steven Smedley, (614) 645-6130; SFSmedley@Columbus.gov

02. Application No.: BZA26-110
Location: 985 JOYCE AVE. (43219), located on the west side of Joyce Avenue, approximately 250 feet north of East 5th Avenue (010-132197; North Central Area Commission).
Existing Zoning: M, Manufacturing District
Request: Special Permit(s) to Section(s): 3389.04, Crematory To grant a Special Permit to allow a pet crematory in the M, Manufacturing district.
Proposal: To establish a pet crematory use.
Applicant(s): Odin OH RE, LLC dba Pet Meadow One West Court Square, Suite 700 Decatur, Georgia 30036
Attorney/Agent: Molly Gwin 250 West Street, Suite 700 Columbus, Ohio 43215
Property Owner(s): Wateson TH LLC, c/o Neiman Law LLC 580 South High Street, Suite 120 Columbus, Ohio 43215
Planner: Dane Kirk, (614) 645-7973; DEKirk@Columbus.gov

03. Application No.: BZA26-112
Location: 1014 SNOHOMISH AVE. (43085), located on the northwest side of Snohomish Avenue, approximately 80 feet north of Kiowa Way (610-206726; Far North Columbus Communities Coalition).
Existing Zoning: SR, Suburban Residential District
Request: Variance(s) to Section(s): 3332.25, Required side yards To reduce the minimum required setback for a shed from the northern property line from 5 feet to 2 feet.
Proposal: To bring a previously constructed 16’ x 20’ shed into compliance.
Applicant(s): Property Owner
Attorney/Agent: None
Property Owner(s): Arvind and Bhanu Patel 1014 Snohomish Avenue Worthington, Ohio 43085
Planner: Steven Smedley, (614) 645-6130; SFSmedley@Columbus.gov

04. Application No.: BZA26-115
Location: 1967 JACKSON RD. (43228), located at the terminus of Jackson Road (570-114878, 570-115479, & 570-105108; Southwest Area Commission).
Existing Zoning: M, Manufacturing District
Request: Special Permit & Variance(s) to Section(s): 3363.41(b), Storage To reduce the minimum distance of an auto wrecking, junk yard, and salvage yard use from a residential zoning district from 600 feet to 60 feet and from interior lot lines from 20 feet to 0 feet.3392.10, Performance requirements To allow drive aisles and parking areas to be gravel. 3392.12, Prohibited location To reduce the separation distance from a residential district from 600 feet to 60 feet. 3389.07, Impound lot, junk yard or salvage yard To grant a special permit to allow an impound lot, junkyard, and a salvage yard to be located in a M, Manufacturing District.
Proposal: To establish a site plan of record for a vehicle impound lot and container storage facility for Hounddog Towing.
Applicant(s): Hound Dogs Towing 2918 Parsons Avenue Columbus, Ohio 43207
Attorney/Agent: Jackson Reynolds, Atty. 172 East State Street, Suite 550 Columbus, Ohio 43215
Property Owner(s): GRK Auto Property LLC 721 Sullivant Avenue Columbus, Ohio 43215
Planner: Steven Smedley, (614) 645-6130; SFSmedley@Columbus.gov

05. Application No.: BZA26-119
Location: 1040-1060 MT. VERNON AVE. (43203), located on the northwest corner of Mt. Vernon Avenue and N. 20th Street (010-086577; Near East Area Commission).

Existing Zoning: UCT, Urban Center District
Request: Variance(s) to Section(s): 34.G.20.040.B.4, General Site Development Standards, Screening To allow a dumpster to be located between the principal building and the side street.
Proposal: To renovate an existing commercial parking area.
Applicant(s): 1040 Mount Vernon Plaza LLC 1 S. Dearborn, 21st Floor Chicago, IL 60603
Attorney/Agent: Daniel Van Fleet, Architect 1650 Watermark Dr., Suite 200 Columbus, OH 43215
Property Owner(s): Applicant
Planner: Adam Trimmer, (614) 645-1469; ADTrimmer@Columbus.gov

06. Application No.: BZA26-122
Location: 2441 E. DUBLIN GRANVILLE RD. (43229), located at the southeast corner of Cleveland Avenue and E. Dublin Granville Road (010-143778; Northland Community Council).
Existing Zoning: RAC, Regional Activity Center District
Request: Variance(s) to Section(s): 34.G.20.040.B.1, General Site Development Standards, screening To allow dumpsters without individual enclosures providing 100 percent opaque screening on all sides. 34.G.20.040.B.3, General Site Development Standards, screening To allow chain link fencing to be used for dumpster screening.
Proposal: To legitimize a dumpster enclosure.
Applicant(s): Northland 6 LLC 30 W. Orange Hill Circle Orange Valley, Ohio 44022
Attorney/Agent: Laura MacGregor 65 E. State St., Ste 850 Columbus, Ohio 43215
Property Owner(s): Applicant
Planner: Adam Trimmer, (614) 645-1469; ADTrimmer@Columbus.gov

07. Application No.: BZA26-123
Location: 675 S. WAYNE AVE. (43204), located at the southwest corner of S. Wayne Avenue and Safford Avenue (010-078120; Greater Hilltop Area Commission).
Existing Zoning: R-4, Residential District
Request: Variance(s) to Section(s): 3332.05, Area district lot width requirements To reduce the required lot width for a three-unit dwelling from 50 feet to 40 feet. 3312.49, Required parking To reduce the required number of parking spaces from six to three. 3332.22(A)(1), Building lines on corner lots-Exceptions To reduce the required side street yard along Safford Avenue from eight feet to four feet. 3332.21(A), Building Lines To reduce the required building line along S. Wayne Avenue from 25 feet to 19 feet. 3321.05(B)(2), Vision clearance To reduce the required clear vision triangle at S. Wayne Avenue and Safford Avenue from 30 feet by 30 feet to 28 feet by 28 feet.
Proposal: To construct a three-unit dwelling and two accessory dwelling units.
Applicant(s): Daredevil Holdings LLC, c/o Samuel Pepose 1259 Camino Real, PMB 1096 Menlo Park, CA 94025
Attorney/Agent: None.
Property Owner(s): Applicant
Planner: Adam Trimmer, (614) 645-1469; ADTrimmer@Columbus.gov

08. Application No.: BZA26-127
Location: 1368 NEIL AVE. (43201), located on the east side of Neil Avenue, approximately 170 feet north of West 6th Avenue (010-022521; University Area Commission).
Existing Zoning: R-4, Residential District
Request: Variance(s) to Section(s): 3325.805, Maximum Floor Area Ratio (FAR) To increase the maximum Floor Area Ratio (FAR) from 0.4 to 0.44. 3332.25.A.3, Required side yards To reduce the northern side yard from 3 feet to 2 feet for the proposed ADU and to 0 feet for the existing primary structure.
Proposal: To replace an existing detached garage with a new Accessory Dwelling Unit (ADU).

Public Utilities and Sustainability Committee Hearing
Meeting Minutes
Date: November 12, 2026
Time: 4:30 P.M.
Location: Columbus City Hall, Council Chambers, 90 W. Broad St. Columbus, OH 43215

Officials Present: Council President Shannon G. Hardin, Councilmember Christopher L. Wyche, Councilmember Emmanuel V. Remy, Councilmember Tiara Ross, City Auditor Jacquelin Lewis,

Call to Order
[Chair Wyche] Meeting called to order at 4:38 P.M.

Opening Remarks
Councilmember Christopher L. Wyche, Public Utilities & Sustainability Committee Chair
[Chair Wyche] Thank you for being here.

Council President Shannon G. Hardin
[President Hardin] Excited to see the expansion of the Columbus Water & Power over the year and the new PEAK Rates. As infrastructure must be built out due to rising commercial and residental needs, affordability must be at the forefront as we discuss rates and how we are balancing the budget.

Councilmember Emmanuel V. Remy, Public Utilities & Sustainability Committee Vice-Chair
[Vice-Chair Remy] Thank you.

City Auditor Jacquelin Lewis
[Auditor Lewis] Thank you for hosting this hearing and I look forward to providing additional information

[Chair Wyche] We must make an informed decision. Decisions we make today will effect the department, our water and infrastructure for the next 10 years.

Presentation: Columbus Water & Power Capital Improvement Plan Proposal
Jon Lee, Deputy Director, Columbus Water & Power

[Mr. Lee] The current 2026 - 2031 Capital Improvement Plan includes 536 capital Projects for improving current infrastructure and building for the future. That is over $9B over the next 6 years. Water Division is $5.33B over the next 6 years, this includes the fourth water plant.

[Chair Wyche] Is there an issue if we were to go past the 80% capacity with our current 3 water plants and not build the fourth water plant?

[Mr. Lee] There are days we are already peaking and operating in the red zone. It is not sustainable. We must be operating consistently under the 80% water treatment capacity. Every year we see higher water usage and the need for more capacity. Water Reclamation Division Capital Improvement is $3.28B over the next 6 years this includes Blueprint and Sewer

Overflow. Division of Power Capital Improvement is $243.5M over the next 6 years including Streetlight projects and distribution projects. Stormwater Division Capital Improvement is $282.3M over the next 6 years including Storm water sew improvements and improving the floodwalls. There are financing limits, the Capital Program has now surpassed Ohio EPA Water and Sewer. CWP is now having to relook at the strategy and look at different options for financing projects. There is a current $2.6B financing gap, excluding the fourth water plant. The rate increase is driven by the Capital Improvement Plan.

[Chair Wyche] Any questions on the Capital Improvement Plans? Auditor, can you speak to our credit ratings and revenue bonds?

[Auditor Lewis] Revenue bonds are a weaker, this causes the cost of borrowing to be slightly higher. We must keep the coverage ratio requirement for this. The reserves are looked at to be tapped in a short fall, it is a requirement to have a certain level to be able to get revenue bonds.

[President Hardin] Us meeting our capacity to OWDA, is that a policy? Are their opportunities for policy conversation at the state level? Or that set outside the state of Ohio?

[Mr. Lee] That is a policy decision that is set by the Ohio EPA. They do not just lend to the City of Columbus, they fund all municipalitys and the other large cities. OWDA has already pledged what they have. The state of Ohio has provided $50M to the fourth water plant and a commitment of buy down to the interest rates.

[Auditor Lewis] OWDA has revolving loan plans and there is a risk to having all the loans held by one lender

[President Hardin] As we look in the future, especially at the state level with the leadership change, are we thinking outside the box and what can be changed at the state level.

[Mr. Lee] There is a lot of opportunity with affordability program at the state level and accessing additional dollars.

[Chair Wyche] There are a lot of conversations that we can have with the state. But today, we must look at today and what we have today for tomorrow. Not what ifs.

Presentation: Utility Advisory Board Rate Recommendation Letter
Jason Koma, Utility Advisory Board Chair

[Mr. Koma] Thank you for this opportunity. The recommendations are for Water is 18%, Sewer is 4%, and Stormwater is 2%, this will be a combined average increase of $10.29/month for Columbus customers, for outside customers $12.68/month. Also, the recommendations include raising the discount to 35% for the affordability program.

[Chair Wyche] What are the concerns from the dissenters from the Utility Advisory Board vote on this recommendation?

[Mr. Lee] They voted no on the Water increases and advocating on behalf of the groups that they represent. They recognize that we have a balancing act between infrastructure needs and affordability.

[Mr. Koma] The Utility Advisory Board has advocated and pushed for the affordability programs and we must continue to do a better job at getting more customers on the affordability program.

[CM Ross] Has there been recommendations on expanding the affordability program and what is the plan?

[Mr. Lee] We continue to pull levers on how we phase in the affordability program and I will expand more in my presentation. We are monitoring the delinquency list and getting those customers signed up to the affordability program.

Presentation: Columbus Water & Power Rate Structure Proposal
[Mr. Lee] The bill impacts for 2027 based on 10 CCF (family of 2-3): Inside the City will be 10.29, Affordability Program 7.67 and Outside the city will be12.68

[Chair Wyche] It is important to look at your bills and if something seems off, please call the department. Also, look at your fixtures and seeing if there are leaks or running. Its vital to reduce water consumption.

[Mr. Lee] We do not have grant programs, but it is something that we are looking at the future to look at fixtures and low flow for homes.

[CM Ross] There are Departments that have similar grant programs for improvements and CWP should be working with those current programs in the city.

[Mr. Lee] We are proposing a residential power increase, but not a commercial. This will include the service and the energy charge. We are also working on renegotiating contracts with our suburban neighbors to increase the multipliers for water.

[President Hardin] How many of those contracts do we have?

[Mr. Lee] We have around 40

[President Hardin] How long are those contracts?

[Mr. Lee] Those contracts are 30 or 40 years. We are looking to increase the multiplier for our suburban neighbors.

[President Hardin] How do we get to the multiplier?

[Mr. Lee] We pull information for not just how much water, but the infrastructure needed and looking at the future.

[President Hardin] It seems like the suburban customers are safer from the rate increase then Columbus residential customers due to the multiplier.

[Chair Wyche] The challenge of these long term contracts, is that we are stuck and we cannot increase the multipliers until the negotiations come.

[CM Ross] Have we looked at the contract with the City Attorney's office?

[Chair Wyche] Yes we are always revisiting these contracts?

[CM Ross] Are we doing the outreach for residents that will see these increases, like we are with the commercial customers that will be affected by the commercial rates?

[Mr. Lee] This will affect all our customers. We are currently in the middle for our costs regionally with our commercial rates. High Demand Surcharge (PEAK Rate). Commercial customers must have a minimum of 100CCF, and the peaking factor will be 2.0x. This would begin late 2027 and early 2028 and would affect ~400 commercial customers.

[President Hardin] How can we be more comparable to other cities?

[Mr. Lee] We likely will always stay in the middle due to our need to affordability. We do not want to be legally challenged, and we must be able to justify our rates.

[President Hardin] I am trying to understand what is the proportion of bringing in revenue from our residents verse commercial. Will the Peak Rates close that gap since the infrastructure need is coming from commercial not residential?

[Mr. Lee] Yes it can. The Peak Rate is already reducing the rate increase on residential customers.

[Chair Wyche] We have been working on shifting the burden to commercial customers from residential, with out reducing economic development. It is a delicate dance.

[Mr. Lee] We have to build our water capacity to meet the Peak demand, not the everyday demand. We will be spending 2026 rolling out the PEAK rates and working with commercial customers to reduce their water consumption before the PEAK rates come into effect. In regards to the affordability program, we currently have 12,241 enrollments in the senior and low income programs. Policy Changes for 2027 - Leak adjustments; monthly Billing; spreading large bills and budget billing; reducing reconnection requirements; adjusting delinquency and turn off notices; automatic enrollment in the affordability programs, Establishment of the Utility Assistance Fund at the Columbus Foundation, and extending Income Qualified Discount to other permanent household members that qualify.

[Chair Wyche] Thank you for the presentation and I am excited about extending the income qualified discount to other household members and the automatic enrollment. Have we looked to see if we should be looking at AMI instead of the federal poverty level?

[Mr. Lee] We have not, but right now, it is codified at federal poverty level, so we would need to look at that. Also we need to look more at the data and how we can serve more people

[Auditor Lewis] Thank you for Columbus Water & Power work on this.

Written Testimony

Visit <<https://bit.ly/WycheCBUSCityCouncil>> to review all submitted testimony and presentations.

Closing Remarks

[Chair Wyche] Thank you for being here. If any residents have any thoughts, ideas, please email my aide CLGolterman@columbus.gov. Please reach out. This legislative package will be on first read on Monday November 16 Council Meeting. There is still time to provide feedback.

Adjournment

[Chair Wyche] Meeting called adjourned at 6:02 P.M.

Answer: focus on mental health and the stigmas surrounding mental health, offer support

Question regarding information surrounding aging in different districts, highlighting the neighborhoods with higher density of older adults.

Invited Speakers

Casey Blazer, Director, Government Affairs, COTA

Travel trainers: provide safe supportive environment to learn travel training: learn to navigate system, apps, board with mobility aids, and pay transit fare

Confirmed that LinkUs will be providing similar training

Don Wiggins, Village Connections

Village Concept: Neighbors helping Neighbors, providing older adults with the opportunity to age in place

Mary Eve Corrigan, Age-Friendly Resident Council

Speaking on lived experience as an older adult and member of an Age-Friendly Resident Council, call to action for specific actions based on City Council district

Councilmember comments: Potentially creating an opportunity for a sort of “aging committee” to focus deeper and have touch points for the aging community

Public Comment

Public Speaker: Maude Grace, At Large Area Commissioner for the South Side Area Commission

Speaking on lived experience as an older adult, large population of seniors in her community are depressed and have few opportunities to “get out”

Closing Remarks from Councilmember Day-Achauer

THE CITY OF COLUMBUS
ANDREW J. GINTHER, MAYOR

COLUMBUS PUBLIC HEALTH

Columbus Board of Health
Hybrid or Virtual Meeting Policy
Effective Date: 10-20-2021

BACKGROUND

The 135th General Assembly, through House Bill 257, amended the Ohio Open Meetings Laws to enact Revised Code ("R.C.") Section 121.221. This section allows public bodies to hold and attend meetings virtually, subject to the provisions in R.C. 121.221(B)(3). This policy outlines the requirements and procedures for the Columbus Board of Health ("BOH") to conduct virtual and hybrid meetings.

PURPOSE

To provide guidance for virtual and hybrid meetings of the BOH in compliance with R.C. 121.221.

POLICY

It is the policy of the BOH to conduct virtual and hybrid meetings to efficiently facilitate the business of the Board in compliance with R.C. 121.221.

SECTION 1: DEFINITIONS

"Hybrid Meeting" means a meeting where some members attend in person and others attend via electronic means (video conference or similar technology).

"Virtual Meeting" means a meeting of the BOH in which all members participate by Teleconference Technology as authorized by Section 121.221 of the Ohio Revised Code.

"Teleconference Technology" means video conference or any other similar electronic technology that allows BOH members to be seen and heard at all times during a meeting.

"Primary Meeting Location" means the publicly accessible physical location where the BOH typically holds meetings.

SECTION 2: AUTHORIZATION

The BOH may hold hybrid or fully virtual meetings provided the procedures outlined in this policy are followed and are in accordance with applicable law.

SECTION 3: NOTICE OF HYBRID OR VIRTUAL MEETINGS

At least seventy-two (72) hours in advance of the Hybrid or Virtual Meeting, the BOH shall use reasonable methods to notify the public, the media that have requested notification of a meeting, and all Board members, of the specifics of the meeting, to include the Primary Meeting Location and/or

Teleconference Technology as applicable, date and time of the meeting, instructions/login credentials for public access, and agenda for the meeting.

SECTION 4: PUBLIC ACCESS TO HYBRID OR VIRTUAL MEETINGS

The BOH shall provide the public access to all Hybrid and Virtual Meetings commensurate with the method in which the meeting is being conducted, including for example, livestreaming by means of the internet, television, cable, or public access channels, or by means of any other similar electronic technology; and if Hybrid, the Primary Meeting Location where the in-person meeting will be conducted. For virtual meetings, the BOH shall ensure the public can observe and hear the discussions and deliberations of all the members of the BOH. The BOH shall provide a means, through the use of electronic technology that is widely available to the general public, to permit public comment, if applicable, at Virtual Meetings.

SECTION 5: MEMBER PARTICIPATION

Members of the BOH who intend to attend a Virtual Meeting by means of Teleconference Technology shall so notify the BOH Chairperson or his or her designee not less than forty-eight (48) hours before the meeting unless circumstances render it impossible or impracticable to do so.

SECTION 6: VOTING PROCEDURE

All votes taken in a Virtual or Hybrid Meeting shall be taken by roll call vote unless there is a motion for unanimous consent, and the motion is not objected to by a member of the BOH. If a vote is taken unanimously, the BOH shall provide the public with information on how the members of the public body voted, including any members who abstained from voting.

SECTION 7: TECHNICAL REQUIREMENTS

The BOH shall maintain or have access to sufficient technology to conduct, record, and maintain Hybrid or Virtual Meetings with clear video and audio.

In case of technical failure, the meeting shall be paused until the issue is resolved or rescheduled if necessary.

SECTION 8: LIMITATIONS ON VIRTUAL MEETINGS

The BOH may not hold, and no Board member may attend or conduct, a Hybrid or Virtual Meeting if any of the following apply:

- The meeting involves a vote to approve a "major nonroutine expenditure;" a "major nonroutine expenditure" means any expenditure of significant costs or expense that the Chairperson and Vice Chairperson jointly determine should be addressed only at an in-person meeting;

- The meeting involves a vote to approve a "significant hiring decision;" a "significant hiring decision" means voting to engage by contract a qualified individual to serve as Health Commissioner, or any other hiring decision the Chairperson and Vice Chairperson jointly determine should be addressed at an in-person meeting; or

- The meeting involves a purpose to propose, approve, or vote on a tax issue or tax increase.

A majority of seated members of the Board may require a regular Board meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance.

SECTION 9: HEARINGS

This Policy shall not apply to any hearing to be conducted before the BOH. All hearings before the BOH shall be conducted fully in-person at the location, date and time to be noticed by the BOH.

SECTION 10: RECORDING AND DOCUMENTATION

All Hybrid and Virtual Meetings may be recorded and such recordings retained in accordance with BOH's record retention policy. Recordings of Hybrid and Virtual Meetings may serve as the minutes for those meetings. In the absence of a recording, written minutes must be taken and maintained in accordance with the BOH's records retention policy.

SECTION 11: BASIC PRINCIPLES OF HYBRID AND VIRTUAL MEETINGS

Formal action of any kind taken during a Hybrid or Virtual Meeting has the same effect as if it occurred during an in-person open meeting of the BOH.

Members of the BOH who attend a Hybrid or Virtual Meetings by means of Teleconference Technology shall be considered present as if in person at the meeting, shall be permitted to vote, and shall be counted for purposes of determining whether a quorum is present at the meeting. To be considered in attendance at a Hybrid or Virtual Meeting, members of the BOH must have a sufficient internet or other electronic connections to allow the member to be seen and heard clearly and must be visible at all times during the meeting.

SECTION 12: APPLICATION OF LAW

Notwithstanding the existence of this policy, the BOH hereby informs the public that it shall comply with the requirements of R.C. 121.221 and any amendments thereto, that supersede and take precedence

over this policy. The Board retains the right to amend this policy at any time in accordance with the Revised Code or as may be provided for in the Columbus City Codes.

SECTION 13: EXECUTIVE SESSION

Nothing in this policy shall limit the right of the BOH to meet in executive session in accordance with R.C. 121.22(G). BOH members participating in executive session by means of Teleconference Technology shall ensure that no one other than the BOH members and those invited by the BOH to attend the session are able to hear the discussion in executive session and shall take such other steps as may be necessary to preserve the confidentiality of the executive session.

SECTION 14: POLICY REVIEW

This policy shall be reviewed as often as necessary and may be amended by a majority vote of the BOH at any time.

Adopted by the Columbus Board of Health on this 20 day of October 2026.

CERTIFICATION

I, Jean Halpin, Chairperson of the Columbus Board of Health, certify the foregoing to be a true and exact copy of the Hybrid and Virtual Meeting Policy adopted by the Board on this 20 day of October, 2026.

Signed:

Jean M. Halpin
Columbus Board of Health Chairperson

City of Columbus Civilian Police Review Board
Hybrid or Virtual Meeting Policy
Effective Date: 12/2/2025

BACKGROUND

The 135th General Assembly, through House Bill 257, amended the Ohio Open Meetings Laws to enact Revised Code ("R.C.") Section 121.221. This section allows public bodies to hold and attend meetings virtually, subject to the provisions in R.C. 121.221(B)(3). This policy outlines the requirements and procedures for the Civilian Police Review Board and its committees ("CPRB") to conduct virtual and hybrid meetings.

PURPOSE

To provide guidance for virtual and hybrid meetings of the CPRB in compliance with R.C. 121.221.

POLICY

It is the policy of the CPRB to conduct virtual and hybrid meetings to efficiently facilitate the business of the Board and its committees in compliance with R.C. 121.221.

SECTION 1: DEFINITIONS

"Hybrid Meeting" means a meeting where some members attend in person and others attend via electronic means (video conference or similar technology).

"Virtual Meeting" means a meeting of the CPRB in which all members participate by Teleconference Technology as authorized by Section 121.221 of the Ohio Revised Code.

"Teleconference Technology" means video conference or any other similar electronic technology that allows CPRB members to be seen and heard at all times during a meeting.

"Primary Meeting Location" means the publicly accessible physical location where the CPRB typically holds meetings.

SECTION 2: AUTHORIZATION

The CPRB may hold hybrid or fully virtual meetings provided the procedures outlined in this policy are followed and are in accordance with applicable law.

SECTION 3: NOTICE OF HYBRID OR VIRTUAL MEETINGS

At least seventy-two (72) hours in advance of the Hybrid or Virtual Meeting, the CPRB shall use reasonable methods to notify the public, the media that have requested notification of a meeting, and all Board members, of the specifics of the meeting, to include the Primary Meeting Location and/or Teleconference Technology as applicable, date and time of the meeting, instructions/login credentials for public access, and agenda for the meeting.

Hybrid and Virtual Meeting Policy
Effective Date: 12/2/2025

SECTION 4: PUBLIC ACCESS TO HYBRID OR VIRTUAL MEETINGS

The CPRB shall provide the public access to all Hybrid and Virtual Meetings commensurate with the method in which the meeting is being conducted, including for example, livestreaming by means of the internet, television, cable, or public access channels, or by means of any other similar electronic technology; and if Hybrid, the Primary Meeting Location where the in-person meeting will be conducted. For virtual meetings, the CPRB shall ensure the public can observe and hear the discussions and deliberations of all the members of the CPRB. The CPRB shall provide a means, through the use of electronic technology that is widely available to the general public, to permit public comment, if applicable, at Virtual Meetings.

SECTION 5: MEMBER PARTICIPATION

Members of the CPRB who intend to attend a Virtual Meeting by means of Teleconference Technology shall so notify the CPRB Chairperson or his or her designee not less than forty-eight (48) hours before the meeting unless circumstances render it impossible or impracticable to do so.

SECTION 6: VOTING PROCEDURE

All votes taken in a Virtual or Hybrid Meeting shall be taken by roll call vote unless there is a motion for unanimous consent, and the motion is not objected to by a member of the CPRB. If a vote is taken unanimously, the CPRB shall provide the public with information on how the members of the public body voted, including any members who abstained from voting.

SECTION 7: TECHNICAL REQUIREMENTS

The CPRB shall maintain or have access to technology sufficient to conduct, record, and maintain Hybrid or Virtual Meetings with clear video and audio.

In case of technical failure, the meeting shall be paused until the issue is resolved or rescheduled if necessary.

SECTION 8: LIMITATIONS ON VIRTUAL MEETINGS

The CPRB may not hold, and no Board member may attend or conduct, a Hybrid or Virtual Meeting if any of the following apply:

- The meeting involves a vote to approve a “major nonroutine expenditure;” a “major nonroutine expenditure” means any expenditure of significant costs or expense that the Chairperson and Vice Chairperson jointly determine should be addressed only at an in-person meeting;
- The meeting involves a vote to approve a “significant hiring decision;” a “significant hiring decision” means voting to engage by contract a qualified individual to serve as Inspector General, or any other hiring decision the Chairperson and Vice Chairperson jointly determine should be addressed at an in-person meeting; or
- The meeting involves a purpose to propose, approve, or vote on a tax issue or tax increase.

City of Columbus Civilian Police Review Board
Hybrid and Virtual Meeting Policy
Effective Date: 12/2/2025

A majority of seated members of any committee may require a committee meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance. A majority of seated members of the Board may require a regular Board meeting to be held fully in person for any specific agenda item by notifying the Chairperson forty-eight (48) hours in advance.

SECTION 9: HEARINGS

This Policy shall not apply to any hearing to be conducted before the CPRB. All hearings before the CPRB shall be conducted fully in-person at the location, date and time to be noticed by the CPRB.

SECTION 10: RECORDING AND DOCUMENTATION

All Hybrid and Virtual Meetings may be recorded and such recordings retained in accordance with the CPRB's records retention policy. Recordings of Hybrid and Virtual Meetings may serve as the minutes for those meetings. In the absence of a recording, written minutes must be taken and maintained in accordance with the CPRB's records retention policy.

SECTION 11: BASIC PRINCIPLES OF HYBRID AND VIRTUAL MEETINGS

Formal action of any kind taken during a Hybrid or Virtual Meeting has the same effect as if it occurred during an in-person open meeting of the CPRB.

Members of the CPRB who attend a Hybrid or Virtual Meeting by means of Teleconference Technology shall be considered present as if in person at the meeting, shall be permitted to vote, and shall be counted for purposes of determining whether a quorum is present at the meeting. In order to be considered in attendance at a Hybrid or Virtual Meeting, members of the CPRB must have a sufficient internet or other electronic connection to allow the member to be seen and heard clearly and must be visible at all times during the meeting.

SECTION 12: APPLICATION OF LAW

Notwithstanding the existence of this policy, the CPRB hereby informs the public that it shall comply with the requirements of R.C. 121.221 and any amendments thereto, that supersede and take precedence over this policy. The Board retains the right to amend this policy at any time in accordance with the Revised Code or as may be provided for in the Columbus City Codes.

SECTION 13: EXECUTIVE SESSION

Nothing in this policy shall limit the right of the CPRB to meet in executive session in accordance with R.C. 121.22(G). CPRB members participating in executive session by means of Teleconference Technology shall ensure that no one other than the CPRB members and those invited by the CPRB to attend the session are able to hear the discussion in executive session and shall take such other steps as may be necessary to preserve the confidentiality of the executive session.
