Health Savings Account

Description

An HSA works in conjunction with a qualifying health insurance plan to save you money on your health insurance and health expenses.

- Save money tax-free so long as the funds are used to pay for qualifying medical expenses. In most cases, you can save as much as your High-Deductible Health Plan deductible amount.
- Pay for deductibles, copays, prescriptions, over-the-counter drugs, and much more.
- Rolls over year after year.
- No set-up fee or annual fee
- Works just like a checking account...use your CME HSA Card to make qualifying purchases
