

KNOW BEFORE YOU GO

Shop without surprises

EyeMed's cost estimator tool helps you feel confident when using your vision benefits. It provides simple definitions, interactive examples of common products and add-ons, and a range of estimated cost using your vision plan for each selection.

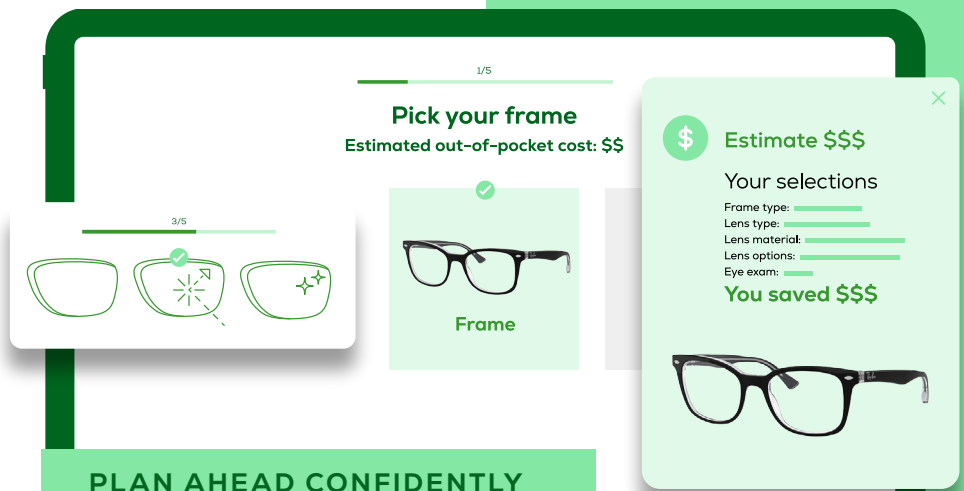

GET STARTED TODAY

1. Scan the QR code or visit [eyemed.com/member](https://eyemed.com/) to register or log in and click the Estimate Costs tab

2. Select your preferences – choose your service (glasses or contacts), frame type, lens type, options and add-ons for each product

3. Review your summary to see estimated out-of-pocket costs based on your selections

PLAN AHEAD CONFIDENTLY

Navigate easily with a clear, user-friendly layout

Access the tool on any device – phone, tablet, or PC

Edit your selections along the way

Make selections based on your unique needs
