 - The customer service team is available at 614-645-3337.
- **Columbus Metropolitan Library**
 - Residents are welcome to come in, cool off and charge devices.
 - Call 614-645-2275 for questions.

Food & Medical Safety Guidance

Severe weather and power outages can affect food, medications, and personal safety.

- **Food:** Keep refrigerator and freezer doors closed. Refrigerated food is generally safe for up to **4 hours**; a full freezer for about **48 hours**.
- **Medications:** Keep refrigerated medicines cool and **contact your pharmacist or doctor** if they have been exposed to excessive heat.
- **Tetanus:** Keep your routine **10-year tetanus booster** up to date. For deep, dirty, or puncture wounds from debris or floodwater, a booster may be needed if it has been more than **5 years**. Wash wounds immediately with soap and water and cover them. Seek medical care within **24-48 hours** for wound cleaning or an expedited booster.

SNAP Benefit Replacement

If you live in Ohio and lost food purchased with SNAP benefits due to a household fire, flood, or a power outage lasting four hours or more, you must complete and submit [JFS Form 07222](#) (Statement Requesting Replacement SNAP Benefits) to your local office or online within 10 days of loss. If you live in Franklin County, you can drop off forms to the Jobs & Family Services Opportunity Centers- [Northland](#) (1721 Northland Park Ave.), [East](#) (1055 Mt Vernon Ave.), or [West](#) (314 N Wilson Rd.).

Severe Weather Safety

Stay safe before, during, and after severe weather. Keep away from downed power lines, avoid walking or driving through floodwater, and move to higher ground if water levels rise.
