

MEASLES ALERT

There is a measles outbreak in central Ohio.

YOU COULD HAVE MEASLES IF:

You had contact
with someone
with measles.

You visited an area
where someone with
measles had been.

You have a fever, rash,
cough, runny nose or
itchy, red, watery eyes.

**IF YOU HAVE MEASLES SYMPTOMS,
DO NOT ENTER AND CALL US AT**

Make sure you are up to date with your measles, mumps and
rubella (MMR) vaccine to help prevent the spread of measles.
