Incident Summary: On 6/8/2025 at 11:15 pm, an adult was walking on the I-670 westbound ramp to I-71 southbound. The suspect's Toyota 4Runner struck him. The suspect stopped briefly, and he and his two passengers got out and approached the adult. Upon seeing them, the suspect stated that they had childcare issues and had to leave. The suspect got into their 4Runner and fled the crash scene, leaving behind their passengers. Columbus Fire Medic #20 transported the adult to Grant Medical Center, where they were being treated for a broken leg.

Responding officers located the suspect's 4Runner. Its driver's side mirror was missing and matched the damage on the one found at the crash scene.

The Accident Investigation Unit responded to the scene and initiated an investigation which is ongoing.
