Incident Summary: On 6/9/2026 at 10:47 pm, an Adult was operating an Electric-Bike northbound on S. High St. at Mound St. They had entered the intersection having a green traffic signal. At the same time a white 2016 Chrysler 300 was westbound on E. Mound St. approaching S. High St. The Chrysler drove between two westbound vehicles, one that was stopped by a red traffic signal and the other that was slowing down for the red traffic signal, then it entered the intersection. The front of the Chrysler struck the Electric-Bike ejecting the Adult. The Adult landed on the northwest corner of the intersection. The Chrysler continued westbound on W. Mound St without stopping. CFD Medic #2 arrived and transported the Adult in life threatening condition to Grant Medical Center.

The Accident Investigation Unit responded to the crash scene and initiated an investigation, which is ongoing.

Any person with knowledge of the involved vehicle or driver is encouraged to contact the Accident Investigation Unit at (614) 645-4767. Persons wishing to remain anonymous may contact Central Ohio Crime Stoppers at (614) 461-8477.
